2. The Bread shall be the produce of clean, sound Wheat, Barley, and Maize, from which, on the Military Ration 20 per cent., and on the Convict Ration 10 per cent., has been extracted in bran and waste. The Wheaten Bread shall be made in loaves of 3lbs., and the Mixed Bread in loaves of $3\frac{1}{2}$ lbs. each, and baked 24 hours before being issued; and parties tendering are requested to observe, that the most rigid adherence to the conditions as to the quality of the Bread, shall be invariably enforced.

3. The Fresh Meat for the Military Ration shall be in the proportion of 5 lbs. of Beef, and 2 lbs. of Mutton, weekly, deliverable alternately in fore and hind quarters, when the quantity admits of it; for

the Convict Rations, the Beef shall be delivered in the same manner: Salted Beef being issued only in summer to Road Parties, and when authorised.

4. The Maize Meal shall be similar in quality to the Wheaten Meal, and shall be twice ground.

5. The Vegetables for the Hospitals and other Establishments entitled thereto, shall be supplied in reasonable proportions of Potatoes, Greens, Pumpkins, Onions, Carrots, Turnips, &c.

6. The Rum shall be West India, five per cent. under proof, and to be taken out as required for the service at Sydney, from the Bonded Stores, and upon the Certificate of the Commissariat Officer in charge of the Provision Branch.

8. At the several fixed Stations the Rations for the Troops, the Convict Establishments, and Road and other Parties, shall be delivered by the Contractor at the Barracks, Establishments, or Huts, where the parties to be supplied may be stationed; being previously to removal from the Contractor's Premises approved by a person authorised for the purpose.

The Hay.....	5-12ths.
The Bran.....	2-12ths.
The Straw.....	1-12th.

GENERAL CONDITIONS.

10. Parties tendering may do so by either of the three following modes, at their option, viz:—

1. The whole of the Supplies of every description, in each District may be included in one Tender, as at present.
2. Or the Supplies may be tendered in sub-divisions as below, by a separate Tender for each sub-division, viz:—
 1. The Military Ration
 2. The several Rations for Exiles and Convicts as described from 2 to 11, inclusive
 3. The Ration of Forage
 4. The Ration of Fuel and Light
 5. The Supplies for Hospitals
 6. The Supplies for Naval Purposes and Penal Settlements
 7. The Supplies for General Purposes.
3. Or the various articles comprising the several Rations referred to, as well as all those required for Hospitals and other purposes, may be tendered separately or singly, by weight and measure; the undersigned reserving to himself the power of accepting Tenders for supplying by any of these modes which he may find most expedient.

11. Contractors shall have at all times on the spot a supply of *fourteen days in reserve*, in the care of a competent Agent, to whom reference may

be had in the Contractor's absence, in default of which, the Commissariat Officer, or other duly authorised person, may purchase at his, the Contractor's expense, such articles as are not forthcoming: and in the event of repeated failures in this respect, together with other causes of dissatisfaction arising from the bad qualities of the supplies as decided by Boards of Survey or arbitrators, it shall be in the power of the undersigned or his successors in office to cancel the contract and enforce the penalty.

12. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided according to the practice of the Service. But in country districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as Arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in the event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final—the only question referred to the Board, or to the Arbitrators, will be, whether or not the article objected to be such as, by his contract, the Contractor is bound to deliver; and if the Board, Arbitrators, or Umpire, shall decide that the article is not according to the conditions of the Contract, it must be immediately replaced by the Contractor, failing which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the rations are due, or to the Contractor, by waiting for a Board of Survey, the Head of the Department, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality or improper condition, it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

13. It shall be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three *calendar months* to the opposite party, and to end the Contract at the expiration of that period, it being understood that such a notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

14. The Contractor shall prepare his own account monthly according to the prescribed form; and shall receive payment on the production thereof, with the requisite vouchers in a complete state, before the termination of the succeeding month.

15. The value of all packages shall be included in the prices demanded.

16. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge of the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by

a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly.

17. The amounts of the Bonds required in the several Districts are as follows:—if contracted for collectively, viz.:—Sydney, £5000; Parramatta, £1000; Liverpool and Campbelltown, £500; Illawarra, £500; Windsor, £500; Penrith, £500; Hartley, £500; Bathurst, £500; Newcastle, £1000; Maitland, £500; Port Macquarie, £500; Moreton Bay, £500; Port Phillip, £500.

The several Bonds to be executed on or before the 1st March next, otherwise fresh Tenders will be re-advertised for.

18. Tenders, *in Duplicate*, are to be enclosed in a separate envelope, addressed to the undersigned, marked "*Supplies for 1846*" and no Tender made in consequence of this advertisement shall be withdrawn or altered, but notice of those accepted shall be given within eight days of the time of opening.

19. Flour in place of bread to be given for the Military Ration, *when required*, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

20. The Contractor for the District of Sydney will be bound to furnish the Rations and articles particularised under the head of Provisions, No. 1 to 16, not only for the purposes specified, but also for any other purposes of the Military, Naval, and Convict Services, should there be occasion for it.
