#### REWARDS FOR THE DISCOVERY OF ILLICIT DISTILLATION.

**H**IS Excellency the Governor has been pleased to direct, that the following Rules shall be established in rewarding persons who either directly or indirectly may give information to any Inspector of Distilleries or other Officer of Government, leading to the seizure of an unlicensed Still in any part of the Colony, or information leading to the conviction of any person engaged either as a principal or authorized Agent in any Licensed Distillery or Rectifying Establishment, of any offence against the Laws which exist for their regulation, or to the discovery of any practices in or connected with such Establishment by which the Revenue is defrauded.

1.—The Reward to be paid will be a sum never exceeding Fifty Pounds, to be determined by the Governor according to the circumstances of each case, and the value of the seizure.

2.—The person on whose information the seizure is made, is the one entitled to the Reward, but if information be given at the same time by two or more individuals, the persons giving it will be jointly or collectively entitled to the Reward.

3.—If separate information be given to two different Officers at or about the same time, or if from any other cause a difficulty arise in determining the party or parties entitled to the Reward, their several claims will either be decided by the Governor or by the Officers of the Government to whom they may by His Excellency be referred.

4.—Expenses necessarily incurred in making any seizure including remuneration to parties assisting in making it, are to be paid out of the Reward in such manner as may have been previously agreed upon, or (if there has been no agreement) in such manner or in such proportions as the Governor may direct.

5.—There being reason to believe that Stills have occasionally been put up for the sole purpose of obtaining the Reward promised for their discovery, no Reward will in future be given for the discovery of any Still which may seem to have been erected for such a purpose only.

6.—In every case where a seizure may be made, the report forwarded to the Government respecting it is to be accompanied with an estimate of what the whole of the property seized may be expected to sell for, as well as an estimate of what the formation of the Illicit Distillery may have probably cost, and its capability of doing mischief.

7.—These respective estimates are, in all possible cases, to be made by a board of Officers, of which the seizing Officer is not to be a member.

8.—If the person giving information be a Prisoner of the Crown, His Excellency will take into his most favorable consideration the claim of such person for the highest indulgence which can, with propriety, be granted to him.

9.—The rewards and indulgence held out by this Notice will moreover be in addition to the share in any penalty or seizure to which the informer may be entitled by the Law of the Colony.

10.—The Regulations respecting Rewards for the Discovery of Illicit Distillation, as contained in the Notices from this Office dated respectively the 8th December, 1842, and 29th April, 1844, are cancelled from this date.

11.—All seizures made by any Revenue Officer shall be immediately reported to the Chief Inspector of Distilleries, who shall cause the proper steps to be taken to prosecute the parties concerned, as also to realize the amount of the goods seized, and divide the same in accordance with the Act.
