It is to be understood that the Mails are to be dispatched on the days and hours to be fixed by the Postmaster-General, either according to the present arrangement, or as he may afterwards determine for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise, to the prejudice of the Post Office Revenue, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be strictly bound not to assign any portion of their Contract without consent of the Postmaster-General.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence, on all roads except between Melbourne and Yass, and on that road the penalty will be £10.

All vehicles and horses employed in the conveyance of Mails are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering or an agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the Contractor for

the safety of the Mails and the due performance of the Contract, and every stipulation therein.

The hours of starting from each Post Office or stage and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

NOTICE is hereby given, that the following Claims for Deeds of Grant of a Town Allotment and of Land, will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council, 5 Wm. IV., No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at this Office. Due notice will be given of the day appointed for the hearings.

Case No. 1258.—Joseph Samuel Hanson, of George-street, Sydney, wine merchant, by his Attorney Parry Long, Esquire.

Six and one-half perches, in the County of Cumberland, City of Sydney, parish of St. Philip, allotment No. 5 of section No. 68; bounded on the east by George-street, bearing north 15 degrees 30 minutes east 38 links; on the north by Essex-lane, bearing west 17 degrees 15 minutes north 105½ links; on the west by allotment No. 6, bearing south 16 degrees west 38 links; and on the south by allotment No. 4, bearing east 17 degrees 15 minutes south 106 links.

The above description was inserted in the Gazette Notice of 15th December, 1834, fo. 886, preparatory to the making out of a Deed of Grant in favor of Emanuel Solomon, who was reported as the proprietor, and has sold to claimant, there is Registration of a Deed of Grant of this, and the contiguous lands to Henry Kable, made during the rebel Government, but all such Deeds were declared null, and as, if ever prepared, it is not forthcoming; the Crown will issue a fresh Deed.

Case No. 1259.—Heirs of the late Simeon Lord, of Botany, opposed by Andrew Byrne, of George-street, Sydney, licensed victualler.

One hundred and sixty-five acres, County of Cumberland, parish of Botany, at Botany Bay, allotments originally numbered 3 and 4, also part of and 6, and a triangular piece of land to the north of them; bounded on the north-west by S. Lord's 600 acres, being a line bearing east 25 degrees north 59 chains, commencing at a stake on Botany

Bay; on the east by Kellett's land, being a line bearing south 60 chains to Botany Bay; and on the south-west by Botany Bay to the aforesaid stake.

Under an arrangement with the Government, the late Simeon Lord was to pay for the 165 acres above described, minus a deposit, and his heirs are to shew to whom a Deed of Grant should issue, if they think proper to complete the purchase; fifty acres of the 165 have been for many years claimed by Andrew Byrne, on the plea of improvements effected before the year 1814, and on the strength of an order dated 14th June, 1811, and which is apparently unsatisfied.

By the direction of the Commissioners,
