IN THE NINTH YEAR OF THE REIGN OF HER MAJESTY

"An Ordinance to empower the Governor of New Zealand to regulate the Importation and Sale of Arms, Gunpowder, and other Warlike Stores."
(Passed the 13th day of December, 1845.)

(Preamble.)

WHEREAS certain Tribes of the Native Race of New Zealand have taken up arms against the Queen's Sovereign Authority; and whereas for the purpose of effectually subduing the present insurrection, and of preventing the recurrence of an armed resistance to the authority of Her Majesty, and of securing the peace and good order of the Colony, it is expedient that restrictions should, on fitting occasions, be placed on the Importation and Sale of Arms,

Gunpowder, and other Warlike Stores within the same. Be it therefore enacted by the Lieutenant-Governor of New Zealand, with the advice and consent of the Legislative Council thereof, as follows, (that is to say)—

(Power to Governor to prohibit the Importation of Arms, &c.)

1. It shall be lawful for His Excellency the Governor from time to time, as to him shall seem meet, by Proclamation, to prohibit throughout the Colony, or within any District thereof, (to be in such Proclamation defined,) the Importation or Sale, or both the Importation and Sale, of Arms, Gunpowder, and other Warlike Stores.

(And to regulate the Sale thereof.)

2. It shall also be lawful for His Excellency the Governor from time to time, as to him shall seem meet, by Proclamation, to make provision for regulating and restricting throughout the Colony, or within any District thereof, (to be in such Proclamation defined,) the Importation or Sale, or both the Importation and Sale of Arms, Gunpowder, and other Warlike Stores.

(Penalty on Importer).—(Arms, &c., to be forfeited.)

3. Every person who shall import or bring into the Colony any Arms, Gunpowder, or other Warlike Stores, (whether the owner thereof or not), and who shall wilfully and knowingly, and contrary to the provisions of any such Proclamation, as aforesaid, land, or dispose of, or cause or permit to be landed, or otherwise disposed of, such Arms Gunpowder, or other Warlike Stores, or any part thereof, shall for every such offence forfeit and pay any sum not exceeding £500, to be recovered in a summary way. And any Arms, Gunpowder, or other warlike Stores, which shall have been imported and landed, or otherwise disposed of, contrary to the provisions of any such Proclamation as aforesaid, shall be forfeited to Her Majesty, and may be seized by any Justice of the Peace, or Peace Officer, or by any Officer of Her Majesty's Customs, or by any person duly authorized and appointed in writing by His Excellency the Governor.

(Penalty on Master of Vessel).—(Vessel, &c., to be forfeited.)

4. The Master or Person commanding the Ship or Vessel in which such Arms, Gunpowder, or other warlike Stores shall have been Imported, if he shall wilfully and knowingly, and contrary to the provisions of any such Proclamation as aforesaid, land, or dispose of, or cause or permit to be landed, or otherwise disposed of, such Arms, Gunpowder, and other Warlike Stores, or any part thereof, shall also, for every such offence, forfeit and pay any sum not exceeding £500, to be recovered in a summary way. And upon the conviction of any such Master or Person, such Ship or Vessel, with all her furniture or apparel, shall be forfeited to Her Majesty, and may be seized by any Justice of the Peace, or Peace Officer, or by any Officer of Her Majesty's Customs, or by any person duly authorized and appointed by His Excellency the Governor.

(Penalty for unlawfully selling Arms, &c.)—
(Arms, &c., to be forfeited.)

5. Every person who shall wilfully and knowingly, and contrary to the provisions of any such Proclamation as aforesaid, sell or dispose of any Arms, Gunpowder, or other Warlike Stores, shall, for every such offence, forfeit and pay any sum not exceeding

£500, to be recovered in a summary way; and all Arms, Gunpowder, and other Warlike Stores so unlawfully sold or disposed of, shall be forfeited to Her Majesty, and may be seized in manner hereinbefore provided.

(Power to Search.)

6. It shall be lawful for any Justice of the Peace to enter and search, or to grant a warrant to any person or persons to enter and search any house, place, ship, or vessel, where such Justice shall, from information on oath, have reasonable grounds to suspect any Arms, Gunpowder, or other Warlike Stores, to be deposited for any purpose contrary to this Ordinance.

(Reward for activity in procuring Convictions.)

7. In case of any conviction under the provisions of this Ordinance, where any person or persons shall appear to have been active in, or towards the procuring of any such Conviction, it shall be lawful for His Excellency the Governor to award to such person or persons such portion of the penalty recovered upon such Conviction, but not exceeding in the whole one-half thereof, as to him shall seem meet.

(Interpretation clause.)

For the purpose of this Ordinance, the word "Governor," shall be taken to include the "Lieutenant-Governor," or "the Officer Administering the Government" of the Colony for the time being; and the word "Vessel," shall be taken to include any "Boat, Barge, Punt, or Canoe."

GENERAL CONDITIONS.

10. Parties tendering may do so by either of the three following modes, at their option, viz:—

1. The whole of the Supplies of every description, in each District may be included in one Tender, as at present.
2. Or the Supplies may be tendered in sub-divisions as below, by a separate Tender for each sub-division, viz:—
 1. The Military Ration
 2. The several Rations for Exiles and Convicts as described from 2 to 11, inclusive
 3. The Ration of Forage
 4. The Ration of Fuel and Light
 5. The Supplies for Hospitals
 6. The Supplies for Naval Purposes and Penal Settlements
 7. The Supplies for General Purposes.

3. Or the various articles comprising the several Rations referred to, as well as all those required for Hospitals and other purposes, may be tendered separately or singly, by weight and measure; the undersigned reserving to himself the power of accepting Tenders for supplying by any of these modes which he may find most expedient.

11. Contractors shall have at all times on the spot a supply of *fourteen days in reserve*, in the care of a competent Agent, to whom reference may be had in the Contractor's absence, in default of which, the Commissariat Officer, or other duly authorised person, may purchase at his, the Contractor's expense, such articles as are not forthcoming; and in the event of repeated failures in this respect, together with other causes of dissatisfaction arising from the bad qualities of the supplies as decided by Boards of Survey or arbitrators, it shall be in the power of the undersigned or his successors in office to cancel the contract and enforce the penalty.

12. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided according to the practice of the Service. But in country districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as Arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in the event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final—the only question referred to the Board, or to the Arbitrators, will be, whether or not the article objected to be such as, by his contract, the Contractor is bound to deliver; and if the Board, Arbitrators, or Umpire, shall decide that the article is not according to the conditions of the Contract, it must be immediately replaced by the Contractor, failing which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the rations are due, or to the Contractor, by waiting for a Board of Survey, the Head

or parties for whom the rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality or improper condition, it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

13. It shall be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three *calendar months* to the opposite party, and to end the Contract at the expiration of that period, it being understood that such a notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

14. The Contractor shall prepare his own account monthly according to the prescribed form; and shall receive payment on the production thereof, with the requisite vouchers in a complete state, before the termination of the succeeding month.

15. The value of all packages shall be included in the prices demanded.

16. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge of the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly.

17. Tenders, in *Duplicate*, are to be enclosed in a separate envelope, addressed to the undersigned, marked "*Supplies for 1846*" and no Tender made in consequence of this advertisement shall be withdrawn or altered, but notice of those accepted shall be given within eight days of the time of opening.

19. Flour in place of bread to be given for the Military Ration, *when required*, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

20. The Contractor for the District of Sydney will be bound to furnish the Rations and articles particularised under the head of Provisions; No. 1 to 16, not only for the purposes specified, but also for any other purposes of the Military, Naval, and Convict Services, should there be occasion for it.
