**Contracts for the Colonial Government.**

WITH reference to the notice issued from this office on the 13th of the present month, calling for tenders for the supply of Provisions, Forage, &c., to commence from the 1st July next, parties intending to send in tenders under that notice, are informed that they are not required to include Firewood as a portion of the supplies to be furnished,—a separate tender being called for, for that article.

C. J. LA TROBE.

Superintendent's Office,  
Melbourne, 30th April, 1846.

**Tenders for Fire Wood.**

TENDERS will be received at this office until 12 o'clock, at noon, of Saturday the 23rd of May next, for the supply of firewood for the different Establishments of the Colonial Government at Melbourne and Geelong, for the period from the 1st July to the 31st December, 1846, under the following conditions—

- 1st. The wood is to be supplied by the contractor, without delay, in such quantities as may be required from time to time, and to be delivered by him at the office, or establishment, for which the supply is required.
- 2nd. The wood is to be delivered in billets, not to exceed two feet six inches in length, and each supply to be in equal proportions of green and dry wood.
- 3rd. Either party may limit the duration of the contract, by giving to the opposite party one calendar month's notice, in writing, of such intention.

Separate tenders are to be sent in for the supplies, for Melbourne and for Geelong.

Any further information may be obtained upon application at the sub-Treasury.

The tenders are to be sealed, and endorsed "Tenders for Firewood," and to be deposited in the box marked "Tenders," at the western entrance of this office.

Superintendent's Office,  
Melbourne, 30th April, 1846.

**Conveyance of Mails.**

CONVEYANCE being required for the un-dermentioned Post Office Mail, from 1st July to 31st December next, persons disposed to contract for providing the same are invited to transmit their offers in writing, to this office, by twelve o'clock of Monday, the 25th day of May next, endorsed "Tender for Conveyance of Mail."

From Melbourne to the Glenelg, north of the River Wannon, by a given line of route, and from thence to Mount Gambier, and for the return thereof by the same route, once a fortnight.

The time proposed to be occupied on the line of road must be stated in the offer, and as expedition is so desirable a point in Post Office communication, the tender proposing the quickest rate of travelling, if combining cheapness, will of course receive preference.

The general conditions of the contract will be the same as those set forth in the Post Office advertisement for tenders for 1846, and published in the *Port Phillip Government Gazette* of 19th September, 1845.

Any further information may be obtained upon enquiry at the Post Office, at Melbourne, where printed forms of tender may also be procured.
