TICKET OF LEAVE REGULATIONS.

(TRANSFER OF TICKETS.)

IT appearing to the Governor, that some misapprehension exists with respect to the meaning of the 10th clause of the Ticket of Leave Regulations of the 25th May, 1835, which directs "That all applications for the transfer of a Ticket of Leave from one District to another, or for permission to reside without the bounds of the District for which the Ticket is granted, must be made to the Principal Superintendent of Convicts through the Petty Sessions of the District for which the Ticket already held is granted, or through the nearest Justice as the case may be;" His Excellency desires it to be explained, that the object of requiring such applications to be transmitted through the Bench of the District was not (as has apparently in some cases been assumed) to enable the Magistrates to regulate the supply of labour in their Districts, but to establish a proper discipline and control over the Convicts, and to prevent such of them as may have laid themselves open to suspicion from changing their Districts, in order to evade a surveillance, which a knowledge of their character may have rendered necessary; whilst it was always intended that well conducted men should select for themselves any of the rural Districts where they thought they were most likely to obtain profitable employment.

When, therefore, applications for the transfer of Tickets of Leave are received, they should be invariably forwarded to the Principal Superintendent of Convicts, for His Excellency's allowance or disallowance; and should the Bench see reason to object to the transfer, the grounds of their objection should be specially stated in their report.

By His Excellency's Command,

E. DEAS THOMSON.
