The supplies for each of the other Districts, with the exception of those for the Male and Female Orphan Schools, the Institution for Destitute Roman Catholic Children, and the Lunatic Asylum, are intended to be included in one Contract, and therefore no Tenders can be received, unless for supplying the whole that may be required in the entire of a District, and for each District there must be a separate Tender, excepting Hartley and Blackheath, and Yass, Gunning, and Narrawa, for each of which places Tenders may be sent in separately.

Separate Tenders must also be made for the Male Orphan School, the Female Orphan School, the Institution for Destitute Roman Catholic Children, and for the Lunatic Asylum.

CONDITIONS.

1. All the articles required by this Notice are to be of the best quality of their several kinds.

13. The Tenders for provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

14. The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

15. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

19. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It

will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

22. The value of all packages to be included the prices demanded.

23. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking, in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

24. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

25. Each Tender must be in the form referred to in paragraph 23, and to be enclosed in a separate envelope, and marked "Tender for Provisions, &c."

26. Further particulars and information may be obtained on application at this Office, or to the Auditor General.

27. The party tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.
