Separate Tenders will be required for the forage in the District of Sydney, but the other supplies for that District are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Male and Female Orphan Schools, the Institution for Destitute Roman Catholic Children, and the Lunatic Asylum, are intended to be included in one Contract, and therefore no Tenders can be received, unless for supplying the whole that may be required in the entire of a District, and for each District there must be a separate Tender, excepting Hartley and Blackheath, and Yass, Gunning, and Narrawa, for each of which places Tenders may be sent in separately.

Separate Tenders must also be made for the Male Orphan School, the Female Orphan School, the Institution for Destitute Roman Catholic Children, and for the Lunatic Asylum.

#### CONDITIONS.

1. All the articles required by this Notice are to be of the best quality of their several kinds.

2. The Flour and Bread must be the produce of clean sound Colonial wheat, from which, when forming part of the Ration to Prisoners of the Crown, 10 per cent., and in all other cases, 20 per cent. has been extracted in bran and waste.

3. Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

4. Beef to be issued to the Male Orphan School on five days, and Mutton on two days of the week; and to the Female Orphan School, Beef to be issued three days, and Mutton four days of the week.

5. The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

#### 6. The Tobacco to be Colonial.

7. When it may be necessary to substitute one article for another, the following proportions are to be observed, viz:—1lb. wheat flour or 1lb. biscuit equal to 1½lb. of bread; 1lb. salt Beef or 1lb. Mutton, or 10oz. salt Pork, equal to 1lb. of fresh Beef.

8. These substitutions are to be made only when required by the Officers authorised to draw the several Rations.

9. Hospital Bread is to be supplied to the Children of the Orphan Schools, and to the Institution for Destitute Roman Catholic Children, when required by the Surgeon, in lieu of the ordinary Ration.

10. Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

11. In case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned:—The Maize or Barley, 4-12; the Hay, 5-12; the Bran, 2-12; and the straw 1-12.

12. The supplies are to be delivered at the nearest fixed station, on the requisition of the Officer in charge; being, previously to removal from the Contractor's premises, approved by a person, if any, authorised for the purpose.

13. The Tenders for Provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

14. The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

15. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

16. If the board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

17. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

18. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department,

or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

19. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

22. The value of all packages to be included in the prices demanded.

23. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

24. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

25. Each Tender must be in the form referred to in paragraph 23, and enclosed in a separate envelope, marked "Tender for Provisions, &c."

26. Further particulars and information may be obtained on application at this Office, or to the Auditor General.

27. The party tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

By His Excellency's Command,  
E. DEAS THOMSON.

2. And further particulars respecting them may be obtained from the Commandant of the Mounted Police, or from the Benchers of the Districts.

#### CONDITIONS.

1. Tenders will be received for the whole of a District, or separate for the different Stations men-tioned in it.

2. All the articles required by this notice are to be of the best quality of their several kinds.

3. The Flour and Bread must be the produce of clean sound Colonial Wheat, from which when forming part of the Rations to Prisoners of the Crown, 10 per cent., and in all other cases 20 per cent. has been extracted in bran and waste.

4. The Tobacco to be Colonial.

5. When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.:—1lb. wheat flour or 1lb. biscuit, equal to 1½lb. of bread; 1lb. salt beef or 1lb. mutton, or 10oz. salt pork, equal to 1lb. fresh beef. These substitutions are to be made only when re-quired by the Officers authorised to draw the several Rations.

6. The supplies are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge, being previously to removal from the Con-tractor's premises approved by a person, if any, authorised for the purpose; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned, viz.:—

The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

7. The Tenders are to express the price per Ration only.

8. The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

9. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided in the following way:—the party objecting, will name one person as arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

10. If the arbitrators or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of

which, it will be procured by the party requiring it, and the expense charged to the Contractor.

11. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

12. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for the decision of the arbitrators, the Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality—it being distinctly understood, that he will be respon-sible to the Government for so doing; and that the Contractor will have a right to appeal to the Go-vernor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which, it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

13. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in deliver-ing or replacing them when required, will also sub-ject the Contractor, upon the Report of the Officer in charge of the parties, to such mulct, not exceed-ing one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

14. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of full three calendar months to the opposite party and to end the contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month and within the period for which the contract is made, or agreed to be made.

15. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and pay-ment made from the Colonial Treasury.

16. Printed forms of Tender may be obtained at this Office, from the Commandant of the Mounted Police, from the Commissioners of Crown Lands, and from the Benchers of the several Dis-tricts; and at the foot of every Tender there must be a memorandum signed by the party ten-dering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within two months from the usual notification of acceptance, a Bond to Her Majesty in the penal sum of One hundred pounds, for securing such performance, otherwise such Tender will not be taken into con-sideration.

17. The Tenders to contain the names of the Tenderers and their Sureties, and places of resi-dence, at length.

18. Each Tender must be in the form referred to in paragraph 16, and is to be enclosed in a

separate envelope, and marked "Tender for provisions, &c., for Police District beyond the Boundaries."

19. Further particulars and information may be obtained on application to this Office, or to the Auditor General.
