FORFEITED AND VACATED RUNS.

HIS Excellency the GOVERNOR directs it to be notified, that application having been made for the purchase of the Leases of the Runs of Crown Land hereunder described, which after having been occupied, have become vacant (by forfeiture or otherwise) Tenders, in the prescribed printed form, will be received at this Office, until noon of Monday, the 6th day of November next, from the previous applicants, and from any other persons desirous to enter into competition with them, for the purchase of the Lease of any one of the said Runs.

2. Every such Tender must state the term of years, (not exceeding fourteen,) for which it is proposed to take the Run; and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of *yearly* premium for the lease.

3. As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

4. Until the Runs have been regularly surveyed, and their grazing capabilities determined, the future lessees will be required to pay rent according to their own estimates, as given in the Tenders; and in the event of the rent so paid proving to have been less than that determined by valuation, they will be required to make up the difference previously to the execution of the leases.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of any of these Runs, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter II of Her Majesty's Order in Council, dated 9th March, 1847.

6. A separate Tender must be made for each separate Run.

VACCINATION.

HIS Excellency the GOVERNOR has directed the re-publication of the notice of 11th January, 1847, with the view of again drawing the attention of parents and guardians to the importance of vaccination

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 11th January, 1847.
VACCINATION.

HIS Excellency the GOVERNOR directs it to be notified, that a Vaccine Institution has been established in Sydney, and that Dr. Savage, the Health Officer, has been appointed to carry out the objects of the Institution.

His Excellency further directs it to be notified, that Dr. Savage will be in attendance at the Immigration Barracks, Bent-street, between the hours of 10 and 12 o'clock on every Tuesday and Saturday to Vaccinate, free of charge, such children as may be taken to him for the purpose. But as the operation itself, without any proof of its having taken effect, would be insufficient security to the public mind, His Excellency has been pleased to direct, that the sum of one shilling shall be deposited for every child vaccinated, which sum will be returned on the presentation of the child on the next vaccination day.

His Excellency very strongly recommends Parents and Guardians to avail themselves of the means thus afforded to them of taking this necessary and proper precaution with respect to all children not already vaccinated.

In order that a constant supply may be kept up throughout the Colony, the Health Officer will furnish lymph to any Medical Practitioners in the Country Districts who may apply for the same.

All communications with that Officer on the subject of Vaccination, sent through the Post Office, must be enclosed under cover to the Colonial Secretary, with the word “ Vaccination ” on the lower left hand corner of the envelope.

By His Excellency's Command,
E. DEAS THOMSON.

CONDITIONS.

1. All the articles required by this Notice are to be of the best quality of their several kinds.

2. The Flour and Bread must be the produce of clean sound Colonial wheat, from which, when forming part of the Ration to Prisoners of the Crown, 10 per cent., and in all other cases, 20 per cent. has been extracted in bran and waste.

3. Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

4. Beef to be issued to the Male Orphan School on five days, and Mutton on two days of the week; and to the Female Orphan School, Beef to be issued three days, and Mutton four days of the week.

5. The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

6. The Tobacco to be Colonial.

7. When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.:—1lb. wheat flour or 1lb. biscuit equal to 1½lb. of bread; 1lb. salt Beef or 1lb. Mutton, or 10oz. salt Pork, equal to 1lb. of fresh Beef.

8. These substitutions are to be made only when required by the Officers authorised to draw the several Rations.

9. Hospital Bread is to be supplied to the Children of the Orphan Schools, and to the Institution for Destitute Roman Catholic Children, when required by the Surgeon, in lieu of the ordinary Ration.

10. Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

11. In case the whole Ration of Forage be not required or delivered, each of the species to be

reckoned as the portion of the Ration undermentioned:—The Maize or Barley, 4-12; the Hay, 5-12; the Bran, 2-12; and the straw 1-12.

12. The supplies are to be delivered at the nearest fixed station, on the requisition of the Officer in charge; being, previously to removal from the Contractor's premises, approved by a person, if any, authorised for the purpose.

13. The Tenders for Provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

14. The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

15. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

16. If the board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

17. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

18. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

19. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor

may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

22. The value of all packages to be included in the prices demanded.

23. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

24. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

25. Each Tender must be in the form referred to in paragraph 23, and enclosed in a separate envelope, marked "Tender for Provisions, &c."

26. Further particulars and information may be obtained on application at this Office, or to the Auditor General.

27. The party tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

E. DEAS THOMSON.
