HIS Excellency the GOVERNOR has directed it to be notified, for general information, that the Ship "Royal Saxon," with 241 Immigrants, arrived this day in Port Jackson.

The callings of the adult Immigrants, and the number of each calling, are as follows, viz. :—

On Friday, the Twenty-first instant, persons desiring to obtain female servants from this Ship will be admitted on board between the hours of 10, a.m., and 4, p.m., but it is to be understood that on that day the hiring will be restricted to the unmarried females.

On Saturday, the Twenty-second instant, and following days, between the hours of 10, a.m., and 4, p.m., the hiring of the remainder of the Immigrants will be proceeded with.

Before 10 o'clock on the morning of Friday, the Twenty-first instant, or at any other times than those fixed, as above stated, for the hiring of the Immigrants, no stranger or person in quest of servants will be admitted, or allowed to remain on board. Strict orders have been given to the Policeman on duty in the Ship, to enforce the observance of this rule.

All applications for servants must be made to the Surgeon Superintendent on board, and the Immigrants will be cautioned against hiring themselves to any person without his sanction, and without a formal agreement, to be signed by the two contracting parties, and witnessed by an Officer of the Immigration Department, who will attend on board of the ship for the purpose.

Before sanctioning any engagement, the Surgeon Superintendent will be required to satisfy himself of the respectability of the hiring party, either by reference to the Officer of the Immigration Department who will be in attendance, or by such other

means of enquiry as may be available. This rule will be observed in every instance, but it will be acted upon with especial strictness in the case of the unmarried females; and these latter will be recommended not to accept situations in Inns or other Houses of public entertainment, as it is considered that such places are better suited to servants who have been for some time in the Colony, than to Immigrant girls on their first arrival.

No stranger will be allowed to visit the 'tween decks of the vessel unless accompanied by the Surgeon Superintendent. Any person infringing this rule will be ordered to quit the ship forthwith.

The Ship will be anchored on the western side of Sydney Cove, near the landing place between the Water Police Office and Campbell's wharf, and will be provided with an external accommodation ladder.

By His Excellency's Command,

E. DEAS THOMSON.
