It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise, to the prejudice of the Post Office Revenue, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be strictly bound not to assign any portion of their Contract without consent of the Postmaster-General.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.
