ADJUSTED NEW RUNS.

HIS Excellency the GOVERNOR directs it to be notified, that Tenders having been received for the undermentioned New Runs of Crown Land, the boundaries of which required to be adjusted so as to exclude lands already under lease or promise of lease, or applied for by other parties, sealed Tenders, in the prescribed printed form, will be received at this Office until noon of Monday, the 6th day of November next, from the previous applicants, and from any other persons desirous to enter into competition with them, for the purchase of the lease of any one of the said Runs, according to the amended descriptions hereto annexed, for a term not exceeding fourteen years.

2. Every such Tender must state the term of years, (not exceeding fourteen,) for which it is proposed to take the Run; and whether, in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of *yearly* premium for the lease.

3. As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

CROWN LANDS BEYOND THE SETTLED DISTRICTS.

(LIMITING THE TIME OF APPLYING FOR LEASES.)

HIS Excellency the GOVERNOR, with the advice of the Executive Council has been pleased to direct the publication of the following Regulation limiting the time within which certain claims to leases of runs beyond the Settled Districts, will be entertained by His Excellency.

BY the 11th section of chapter II, of Her Majesty's Order in Council, of the 9th March, 1847, it is provided, "That all occupants of Crown Lands, who shall have been in licensed occupation of the same for at least one year, at the time when this Order shall come into effect, are to be entitled to demand leases of their respective runs under the present Regulations, *within six months from the date of the publication of this Order in Council by the Governor but not afterwards.*"

The said Order in Council having been published and brought into effect in the Colony on the 7th October, 1847, the period allowed for preferring claims to leases expired on the 6th April last, as respects those persons, who on the 7th October last, had been in licensed occupation of their runs for one year or more. All such persons, therefore, who failed to demand leases on or before the 6th April last, have lost the right of so doing conferred by the Order in Council. As a matter of grace, however, the Governor has not up to the present time, refused to entertain applications for leases on the ground of their having been sent in subsequently to the expiration of the time prescribed by the Order in Council, nor will His Excellency do so as respects any further applications which may be received before the 30th September next, when the time allowed for taking out Licenses for the current year will expire. But after that date the Governor will not under any circumstances whatever, entertain a demand for a lease of a run from any person whose licensed occupancy of the run had, on the 7th October, 1847, been of not less than one year's duration.

It will of course be understood that this notice does not apply to parties, who having failed to take out their Licenses for the past year, are not entitled to demand Leases under the provisions of Her Majesty's Order in Council above referred to.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,

Sydney, 1st June, 1848.

CROWN LANDS BEYOND THE SETTLED DISTRICTS.

(RENEWAL OF PASTURAGE LICENSES.)

HIS Excellency the GOVERNOR, with the advice of the Executive Council, directs it to be notified for general information, that the state of the Survey not yet admitting of the issue of Leases for Runs beyond the Settled Districts, all existing Licenses for the occupation of Crown Lands so situated, will be renewed for the ensuing year, commencing on the 1st July next, on the same terms as Licenses have been granted for the now current year, subject, of course, to the adjustment of the License Fee according to the quantity of Stock returned by the Commissioner as depastured on every such Run.

2. Adverting to the 5th section of chapter II of Her Majesty's Order in Council, dated 9th March, 1847, which declares that Leases of Runs issued thereunder will be absolutely and indefeasibly forfeited if the stipulated Rent be not paid within the time therein prescribed, His Excellency the Governor desires it to be distinctly understood, that claims to Leases will, in like manner, be held to have become forfeited and void, if the Licenses for the continued occupation, for the ensuing year, of the Lands for which Leases are sought, shall not have been taken out within the time fixed by the present Notice, namely, between the 1st day of July, and the 30th day of September next.

3. If, within the year commencing the 1st July next, the Government shall be in a position to grant Leases of Runs under Her Majesty's Order in Council, any Licensee under this Notice who may obtain a Lease, will receive credit in the payment of his first year's rent, for so much of the amount paid for his License as may be proportionate to the unexpired part of the term for which the License was granted.

4. The present Regulation does not, however, extend to Lands which have been brought by the Order in Council within the settled class, but which have hitherto been held under Squatting Licenses for pastoral purposes. The occupants of such Lands will be enabled to obtain Leases for the same, on the terms prescribed in sections 22, 23, and 24 of the Notice of 29th March last.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 10th August, 1848.
