## NOTICE TO MARINERS.

**H**IS Excellency the Governor directs the republication, for general information, from the Hobart Town Gazette, of the following memorandum, respecting the Light Houses on Goose Island and Swan Island, in Banks' Straits.

By His Excellency's Command,  
E. DEAS THOMSON.

## BANKS' STRAITS.

Port Office, Hobart Town,  
26th November, 1845.

A Light is now, and will continue burning, from sun-set to sun-rise, on Swan Island, (Banks' Straits), 101 feet above high-water mark.

The supporting column is 74 feet 6 inches in height; the upper part colored red, the lower part white. Its diameter is 24 feet 6 inches at the base, and 17 feet 6 inches at the summit.

The Lantern is 10 feet high, having a revolving light, which shows a bright flash of  $2\frac{1}{2}$  seconds' continuance at intervals of a minute. It has been seen on either side from a distance of 25 miles.

The following magnetic bearings were taken from the light:—

Peak of Cape Barren—N.  $18^{\circ} 47'$  E.  
Look-out Rock (Clarke's Island)—N.  $19^{\circ} 45'$  W.

Reef north-westward of Swan Island—N.  $46^{\circ} 0'$  W.

Black Reef—S  $52^{\circ} 0'$  E.

Variation 10 degrees easterly.

It is also expected that the Light now preparing on Goose Island will be ready for exhibiting on 1st February, 1846.

Goose Island is the western of the Chappell Islands.

The column, which stands on the

southern point of the Island, is in every respect similar to that which has been erected on Swan Island.

The Light will be a fixed light.

The following magnetic bearings were taken from the Light-house:—

South-west extreme of Hummock or Prime Seal Island—N.  $23^{\circ}$  W.

Reef off ditto—N.  $30^{\circ}$  W.

Extreme of Reef off north-west point of Badger Island—N.  $34^{\circ}$  E.

South point of Badger Island—S.  $85^{\circ}$  E.

Western extreme of Boxing Island—S.  $56^{\circ}$  E.

Reef between Badger and Boxing Islands—S.  $63^{\circ}$  E.

South extreme of Clarke's Island—S.  $54^{\circ}$  E.

Centre of Kangaroo Island—N.  $20^{\circ}$  E.

Variation 10 degrees easterly.

(Signed)

WM. MORIARTY,  
Port Officer.

Colonial Secretary's Office,  
Sydney, 6th March, 1848.

## NOTICE TO MARINERS.

**H**IS Excellency the Governor directs the republication, for general information, from the Hobart Town Gazette of the following memorandum respecting the Light-house which has recently been erected on Deal Island, Kent's Group, in Bass' Straits.

By his Excellency's Command,  
E. DEAS THOMSON.

The Light-house on Deal Island, forming one of the cluster of Islands, called "Kent's Group," in Bass's Straits, latitude  $39^{\circ} 29'$  south, longitude  $147^{\circ} 21'$  east, having now been erected, a light is burning and will continue from sun-set until sun-rise.

The Light-house is erected on a hill 900 feet above high-water mark.

The supporting column is 46 feet in height.

The upper part of the column (like all the Light-houses within the Government of Van Diemen's Land) is coloured red, and the lower part white.

The lower part of the column is built of granite, each block worked to a mould.

The cornice and blocking are 6 feet high of freestone.

The lantern is 7 feet high, having a revolving catoptric light with 21 lamps and patent pipes, smoke consumers, working in three groups, each group containing 7 lamps with reflectors, and revolves round once in 5 minutes, showing 50 seconds of light, and 50 seconds of darkness.

The light may be seen 13 leagues, has been set by cross bearings at a distance of 12 leagues, and is visible all round the compass, unless the light be intercepted by being close in with any of the surrounding Islands.

(Signed)

WM. MORIARTY,  
Port Officer.

-----

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also notes that records should be kept for a sufficient period of time to allow for a thorough review if necessary.

2. The second part of the document outlines the specific requirements for record-keeping. It states that all transactions must be recorded in a clear and concise manner, and that the records must be accessible to all authorized personnel. The document also requires that records be kept in a secure location and that they be protected from unauthorized access.

3. The third part of the document discusses the role of the auditor in the record-keeping process. It states that the auditor is responsible for verifying the accuracy of the records and for ensuring that they are maintained in accordance with the requirements of the financial system. The document also notes that the auditor should be given access to all records and that they should be able to conduct a thorough review of the records.

4. The fourth part of the document discusses the importance of training and education for all personnel involved in the record-keeping process. It states that all personnel should be trained in the proper methods of record-keeping and that they should be kept up-to-date on any changes to the requirements. The document also notes that training should be provided on a regular basis and that it should be tailored to the specific needs of each individual.

5. The fifth part of the document discusses the importance of monitoring and evaluating the record-keeping process. It states that the record-keeping process should be monitored on a regular basis to ensure that it is being followed correctly and that any problems are identified and corrected. The document also notes that the record-keeping process should be evaluated periodically to determine if any changes are needed.

6. The sixth part of the document discusses the importance of maintaining the confidentiality of the records. It states that all records should be kept confidential and that they should not be disclosed to anyone who is not authorized to see them.
