**CROWN LANDS BEYOND THE
SETTLED DISTRICTS.**

(RENEWAL OF PASTURAGE LICENSES.)
HIS Excellency the Governor, with the advice of the Executive Council, directs it to be notified for general information, that the state of the Survey not yet admitting of the issue of Leases for Runs beyond the Settled Districts, all existing licenses for the occupation of Crown Lands so situated, will be renewed for the ensuing year, commencing on the 1st July next, on the same terms as Licenses have been granted for the now current year, subject of course, to the adjustment of the License Fee according to the quantity of Stock returned by the Commissioner as depastured on every such Run.

2. Advertising to the 5th section of chapter II. of Her Majesty's Order in Council, dated 9th March, 1847, which declares that Leases of Runs issued thereunder will be absolutely and indefeasibly forfeited if the stipulated Rent be not paid within the time therein prescribed, his Excellency the Governor desires it to be distinctly understood, that claims to Leases will, in like manner, be held to have become forfeited and void, if the licenses for the continued occupation, for the ensuing year, of the Lands for which Leases are sought, shall not have been taken out within the time fixed by the present Notice, namely, between the 1st day of July, and the 30th day of September next.

3. If, within the year commencing the 1st July next, the Government shall be in a position to grant Leases of Runs under Her Majesty's Order in Council, any Licensee under this Notice who may obtain a Lease, will receive credit in the payment of his first year's rent, for so much of the amount paid for his License as may be proportionate to the unexpired part of the term for which the license was granted.

4. The present Regulation does not,

however, extend to lands which have been brought by the Order in Council within the settled class, but which have hitherto been held under Squatting Licenses for pastoral purposes. The occupants of such lands will be enabled to obtain leases for the same, on the terms prescribed in sections 22, 23, and 24 of the Notice of 29th March last.

By His Excellency's Command,
E. DEAS THOMSON.

22. Lands which have been brought by the Order in Council within the settled class, but which have been hitherto held under Squatting Licenses for pastoral purposes, will be let to the present licensed occupants thereof, on yearly lease, at the fixed rent of One Pound per Section, so long as they shall not be required for sale or for any public purpose, or be applied for on lease by any holder of purchased land in the immediate neighbourhood. But whenever any holder of purchased land in the immediate neighbourhood shall either put forward his claim to the number of sections which he may be entitled to rent under the pre-emptive right conferred by clause 16 of these Regulations, or shall make application for a Lease of any additional sections to be offered for sale by auction, such sections will not be relet to the previous occupant, but will be withdrawn from his holding, in order that they may be demised to the person claiming the exercise of his pre-emptive right respecting them, or be let by auction, as the case may be. In respect, however, to any sections thus taken out of the previous occupant's holding, in order that the leases of them may be offered for sale, such previous occupant will be allowed to continue to use them for pastoral purposes until the day of sale, and in the event of their not being then purchased, to renew his lease for the current year at the rate above mentioned.

23. Any lot of land within the meaning of the preceding clause, which may not have been chartered in sections in the Surveyor General's Office, will be let, until so chartered, to the present licensed occupant thereof in one block, the amount of rent being determined by the computed number of sections therein contained, according to an estimate to be submitted by the occupant, and approved by the Surveyor General, or the Surveyor in charge at Melbourne, accordingly as the lands may be situated in the Sydney or the Port Phillip District.

24. Of the class of Lands referred to in clause 22, no sections containing valuable improvements, nor any of the sections contiguous thereto, will, for the present, be open to Lease under these Regulations, to any other person than the present licensed occupants thereof.
