VACCINATION.

HIS Excellency the Governor has directed the re-publication of the notice of the 11th January, 1847, with the view of again drawing the attention of parents and guardians to the importance of vaccination.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 11th January, 1847.
VACCINATION.

HIS Excellency the Governor directs it to be notified, that a Vaccine Institution has been established in Sydney, and that Dr. Savage, the Health Officer, has been appointed to carry out the objects of the Institution.

His Excellency further directs it to be notified, that Dr. Savage will be in attendance at the Immigration Barracks, Bent-street, between the hours of 10 and 12 o'clock on every Tuesday and Saturday to Vaccinate, free of charge, such children as may be taken to him for the purpose. But as the operation itself, without any proof of its having taken effect, would be insufficient security to the public mind, His Excellency has been pleased to direct, that the sum of one shilling shall be deposited for every child vaccinated, which sum will be returned on the presentation of the child on the next vaccination day.

His Excellency very strongly recommends Parents and Guardians to avail themselves of the means thus afforded to them of taking this necessary and proper precaution with respect to all children not already vaccinated.

In order that a constant supply may be kept up throughout the Colony, the Health Officer will furnish lymph to any Medical Practitioners in the Country Districts who may apply for the same.

All communications with that Officer on the subject of Vaccination, sent through the Post Office, must be enclosed under cover to the Colonial Secretary, with the word "Vaccination" on the lower left hand corner of the envelope.

By His Excellency's Command,
E. DEAS THOMSON.

LIGHT HOUSE ON CAPE OTWAY.

HIS Excellency the Governor directs the publication, for general information, of the subjoined memorandum respecting the Light House which has recently been erected on Cape Otway, in Bass's Straits.

His Excellency further directs it to be notified, that at the expiration of one calendar month from the 20th day of October, 1848, the Dues towards the maintenance of the said Light House will become payable at the several Ports in New South Wales, as provided for by the Act of the Governor and Legislative Council, passed in the eleventh year of Her Majesty's reign, intituled, "An Act to provide for the payment of Dues towards the maintenance of Light Houses at Gabo Island and Cape Otway, respectively."

By his Excellency's command,
E. DEAS THOMSON.

The Light House on Cape Otway, Bass' Straits, latitude 38 degrees, 51 minutes south, longitude 143 degrees 29 minutes east, having been completed and lighted on the 29th August, 1848, a light is burning, and will continue from sunset until sunrise.

The reef off Cape Otway is one-half to three-quarters of a mile distant, bearing south-east to south south-west, and extends $1\frac{1}{2}$ miles westward.

The Light House is erected on a cliff 251 feet 6 inches above high water mark; the supporting column is 45 feet high, and the lantern 7 feet high.

From highwater mark to the centre of the light is 300 feet.

The light is a revolving catoptric of three groups of lamps, each group containing 7 lamps; the entire revolves round once in 2 minutes and 39 seconds, shewing a flash of light of 3 seconds duration, and 50 seconds of darkness.

It is estimated that the light will be seen 8 leagues.
