PETTY SESSIONS — CORRESPONDENCE.

HIS Excellency the Governor desires to call the attention of the Magistracy and Clerks of Petty Sessions, in Country Districts, to the necessity for a strict observance of the Regulation which directs that all communications to the Government from Benches of Magistrates should be signed by the Magistrates, or one of them, on behalf of the Bench, instead of being signed, as is frequently the case, by the Clerk of Petty Sessions.

By his Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 21st January, 1848.
CORONERS—PORT PHILLIP.

VACCINATION.

HIS Excellency the Governor has directed the re-publication of the Notice of 11th January, 1847, with the view of again drawing the attention of parents and guardians to the importance of Vaccination.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 11th January, 1847.

VACCINATION.

HIS Excellency the Governor directs it to be notified, that a Vaccine Institution has been established in Sydney, and that Dr. Savage, the Health Officer, has been appointed to carry out the objects of the Institution.

His Excellency further directs it to be notified, that Dr. Savage will be in attendance at the Immigration Barracks, Bent-street, between the hours of 10 and 12 o'clock on every Tuesday and Saturday to Vaccinate, free of charge, such children as may be taken to him for the purpose. But as the operation itself, without any proof of its having taken effect, would be insufficient security to the public mind, His Excellency has been pleased to direct, that the sum of one shilling shall be deposited for every child vaccinated, which sum will be returned on the presentation of the child on the next vaccination day.

His Excellency very strongly recommends parents and guardians to avail themselves of the means thus afforded to them of taking this necessary and proper precaution with respect to all children not already vaccinated.

In order that a constant supply may be kept up throughout the Colony, the Health Officer will furnish lymph to any Medical Practitioners in the Country Districts who may apply for the same.

All communications with that Officer on the subject of Vaccination, sent through the Post Office, must be enclosed under cover to the Colonial Secretary, with the word "Vaccination" on the lower left hand corner of the envelope.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
