**CROWN LANDS BEYOND THE
BOUNDARIES.**

(Renewal of Licenses for current year.)

HIS Excellency the Governor, with the advice of the Executive Council, has directed it to be notified, that several applications having been made to the Government by parties who have, from various causes failed or omitted within the time prescribed, to take out their Licenses for the current year, for the occupation of runs beyond the Settled District, but are now desirous to do so; His Excellency has been pleased to lay down the following rules, under which they will still be permitted to obtain Licenses, on payment of a fine for their default, namely :—

1. All persons who held Licenses for their Runs for the year ended on the 30th of June last, but who have failed to renew them for the present year, may now be allowed to do so, on payment of a fine, in addition to the price of the License, at the rate of one pound for every month, or part of a month, which will have elapsed between the 30th of September last, and the taking out of the License.

2. It is to be clearly understood, that if on or before the 6th of April next, being

the day on which the period of six months will expire within which certain licensed occupants of Runs are entitled to demand leases, any person occupying Crown Lands beyond the Settled Districts shall not have taken out a License for the current year, such person must be held not to have been in licensed occupation within the meaning of the 11th section of chapter II of the Order in Council, and his demand for a lease cannot, therefore, be entertained. His Run will, accordingly, be declared to be forfeited, and the lease of it open for sale in the manner prescribed by the 12th section of chapter II of the Order in Council.

3. It is further to be understood, that this notice does not apply to parties, if any, who notwithstanding they have failed to take out their Licenses for the past, as well as the current year, have continued in occupation of Crown Lands; and who, according to the declaration contained in the notice of 30th June, 1846, have thus been holding against the will of the Crown. Their Runs are therefore now considered to have become forfeited, and liable to be dealt with accordingly.

By His Excellency's Command,
E. DEAS THOMSON.
