**REGULATIONS RESPECTING THE  
SALE OF LAND.**

**I**N consequence of many urgent applications being made for the purchase of land in particular localities, and of an erroneous impression which appears to be entertained by the public that they can always be immediately attended to, His Excellency the GOVERNOR has been pleased to direct the re-publication, for general information, from the Regulations of 1st March, 1843, of the clause therein which relates to such applications, namely:—

*Applications may be made for land in particular localities.*

7th.—Persons desirous of obtaining lands in particular localities may make application to have such lands surveyed and brought forward for sale, and their wishes will be complied with as far as circumstances may permit; but much inconvenience to the Government, expense to the Surveyor General's department, and disappointment to individuals, having been found to result from the Regulations under which parties were led to expect that lands in any part of the Colony within the established Counties, could be surveyed and brought to sale immediately on their applying for them, or within an interval of only a few months, it is to be understood, in future, that the Government does not bind itself to bring forward such lands for sale within any specified period. The applications in such cases must be made in the form (A) annexed, and are to be addressed in respect of lands situated in the Middle or Sydney District, to the Surveyor General at Sydney; and in respect of such as are situated in the southern or Port Phillip District, to the Senior Surveyor resident at Melbourne.
