It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise to the prejudice of the Post Office Revenue, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

All vehicles and horses employed in the conveyance of Mails are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering or an agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signature of two respectable and solvent persons,

engaging to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract, and every stipulation therein.

## CHURCH AND SCHOOL ESTATES.

## LEASES FOR SEVEN, FOURTEEN, AND TWENTY-ONE YEARS.

ON Friday, the 28th September next, the following Lands belonging to the Church and School Estates, will be put up to public auction, at the Land Sales Room, old Military Barracks, at 11, a. m., precisely.

The following is the plan upon which these lands will be offered for public competition.

A lease will be granted for 21 years, the tenant having the option to determine it at the expiration of the first or second term of 7 years. The rental of the second and third terms will be successively increased by half the amount of the annual rent of the first term, viz., in the following ratio, 4, 6, 8.

The Lease will not contain any clause to prevent underletting, but the under-tenants will in no way be recognised by the Government; and the original lessee, unless a transfer be formally executed by the Agent, will be held responsible for the due payment of the rent.

The usual reservation as to making roads, constructing bridges, &c., will be introduced; but the reservation will not extend to timber which the tenant will be allowed to cut.

The rent for the first year must be paid on the day of sale; after which period the rent will be payable in advance, yearly, when the annual rent is below thirty pounds, and half-yearly, when the rent is not less than that sum.

Any Lands not bid for at the day of sale, will be open to selection by private contract at the upset price. Lithographed plans and further particulars may be obtained on application to the Agent.

*Leases to date from 1st October, 1849.*
