REQUISITIONS.

THE GOVERNOR has been pleased to rescind the Regulations relative to Requisitions dated 1st January, 1844, and to direct that the following be strictly attended to by the Civil Departments, the expenses of which are defrayed out of the Colonial Treasury.

2.—His Excellency further directs it to be notified, that in consequence of the reduced state in which the Department of the Colonial Storekeeper

will be continued, after the 31st of December next, Requisitions which may be sent in for articles for the Colonial Service, in an irregular manner, or at irregular seasons, will not be attended to, except in the special cases referred to in paragraph 13 of this notice.

REQUISITIONS.

1.—Requisitions for stationary, printed forms clothing, bedding, tools, arms, and ammunition (except for the Police,) and other descriptions of stores, are to be made on the Colonial Storekeeper, and in every case *in duplicate*, in the prescribed form.

2.—Applications for the repair or whitewashing of Public Colonial Buildings, and where land is attached, for the repair of the gates, fences, and general maintenance of the premises in good order, and Requisitions for furniture for Public Offices, are to be made on the Colonial Architect.

3.—Stores or materials required for Public Buildings, in course either of erection or repair under the superintendence of the Colonial Architect, are, as heretofore, to be obtained by that officer direct, without the intervention of the Storekeeper.

4.—For stationery and printed forms, Requisitions are to be made by—

The Departments in Sydney,
The Protestant Orphan School, Parramatta,
The Lunatic Asylum,

half-yearly, on the 1st of June and 1st of December. By all other departments, these demands are to be prepared *annually*, on the 1st December,

the printed form prescribed in each case being used, and no other. As a general rule, it is to be understood that from the first named departments all applications are to be made half-yearly, and from country stations annually. The particular cases in which exceptions to this regulation will be admitted are specified in the paragraphs 5, 6, 7, and 8.

5.—Stores for Public Works are to be applied for quarterly. The Requisitions must be forwarded in time to reach the Storekeeper one month previous to the commencement of the period for which the supply is required.

6.—The periods fixed for the issue of clothing, or clothing materials, whichever it may be customary to issue, to—

The Inmates of the Lunatic Asylum,
Prisoners serving sentences of imprisonment
in Gaol,

Convicts at the Penal Establishments,
are the 1st of January, 1st of May, 1st of September, and 1st of November. Officers at the head of the respective establishments are therefore expressly enjoined to transmit their applications for the articles they may need one month prior to those dates.

7. Arms, Ammunition, Accountments, &c., for the Police, will be supplied half-yearly, upon the Returns prescribed in the recent Circular on the subject, being transmitted from the several Districts, to this Office.

8.—Clothing for the men attached to the Commissioners of Crown Lands will be supplied as heretofore, on the 1st of July in each year; but for such other stores, in accordance with the established scale, as the respective Commissioners may deem necessary, either to replace unserviceable articles, or to complete their equipment, application must be made annually, on the 1st of December. It is to be further observed, that, in every case, the Requisitions are to be submitted to the Chief Commissioner, in Sydney, by whom they will be transmitted to the Colonial Storekeeper.

9.—Requisitions from the Gaols must be signed by the Sheriff in Sydney, and by the Visiting Justices in the Country Districts.

10.—The including of articles intended for two distinct services in the same Requisition is prohibited. It is an irregularity that has occasionally happened, where the performance of duties, chargeable either on a separate fund; or a separate vote, has been entrusted to the same officer, and as it tends to introduce confusion into the accounts, its occurrence must be vigilantly guarded against.

11.—Such articles only are to be demanded, as it is usual to allow, and are indispensable for the proper conduct of the public service; where necessary, the size, weight, or measurement is to be given, as well as a correct designation of the articles.

12.—Officers in charge of departments will be careful that such indefinite terms as "some," "a few," "a small quantity," are not made use of in their Requisitions. Such expressions are too vague to allow of a correct idea being formed of what is actually wanted, and it is therefore directed that the numbers and descriptions of every article be fully expressed.

13.—From any urgency of service that could not be foreseen, it may become necessary that stores should be applied for during periods intermediate between the dates indicated in this notice; in which case, a supplementary Requisition will not be objected to, provided it be accompanied with a report of the circumstances which cause the application to be made at an irregular time.

14.—Forms of Requisition will be furnished by the Colonial Storekeeper.

By His Excellency's Command,

E. DEAS THOMSON.

*Colonial Secretary's Office,
Sydney, 23rd October, 1849.*

COURT OF CLAIMS.

NOTICE is hereby given, that the following claims for deeds of grant of lands, will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council 5 William 4, No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at the Office. Due notice will be given of the days appointed for the hearings.

Case No. 1289.—John Bede Polding, Archbishop, by his solicitors Messrs. Dunsmore and Longmore,

Fifty acres, County of Cook, parish unnamed, on the Comleroy Road, Kurrijong; commencing on the Comleroy Road, at the south-west corner of Thomas Frost's 50 acres; and bounded on the north by a line east 29 chains; on the east by a line south 14 chains; on the south by a line west 39 chains 50 links to the Comleroy Road; and on the west by that road to the south-west corner of Frost's 50 acres aforesaid.

This land was located on an order of Sir Thomas Brisbane, dated 21st February, 1825, in favor of John Ryan. The order was confirmed by Governor Darling, on the 30th April, 1827, and possession was authorised on the 9th June, 1827. On the 10th November, 1834, Ryan conveyed to the Reverend C. V. Dowling, who it is alleged has conveyed to claimant.

Case No. 1290.—John Tindale, of Penrith, as executor of the estate of Thomas Appledore, opposed by Richard Appledore, of Emu Plains, as heir at law.

Eighty-nine acres, County of Cumberland, parish of Castlereagh, on the Nepean River; commencing at the south-east corner of Jacob Russell's 28 acres; and bounded on the west by that land northerly 40 chains 60 links to a Government road; on the north by that road bearing east 24 chains 32 links to W. N. Chapman's 1300 acres; on the east by W. N. Chapman's 1300 acres, southerly 31 chains 17 links to the Nepean River; and on the south by that river to the point of commencement.

By deed dated 1st July, 1803, 50 acres of land were granted to Thomas Appledore, but the quantity appropriated is 100 acres. The deed is void for uncertainty in the description of the parcels, and for error in the area, provided it were originally intended to convey the whole 100 acres to Thomas Appledore, but Richard Appledore alleges that another deed of 50 acres for Appledore's children, ought also to have issued in 1803. Thomas Appledore by deed dated 10th July, 1809, sold a portion of the land to Jacob Russell. See case No. 1291. If it can be proved that 50 acres out of the 100 acres were intended for Appledore's children, these claimants will be entitled to 39 acres only, out of the remaining 89 acres above described.

Case No. 1291.—Jacob Russell, of the Nepean River.

Twenty-eight acres, County of Cumberland, parish of Castlereagh, on the Nepean River; commencing at the south-east corner of R. Westmore's 80 acres; and bounded on the west by that land northerly 42 chains 14 links to a Government road; on the north by that road bearing easterly 6 chains and 93 links to T. Appledore's 89 acres; on the east by the said T. Appledore's 89 acres, southerly 40 chains and 60 links to the Nepean River; and on the south by that river to the point of commencement.

By deed dated 1st July, 1803, 50 acres of land were granted to Thomas Appledore, but the quantity appropriated is 100 acres. The deed is void for uncertainty in the description of the parcels and for error in the area, provided it were originally intended to convey the whole 100 acres to Thomas Appledore. On the 10th July, 1809, Thomas Appledore sold a portion of the land as above described, to Jacob Russell; a fresh deed being required by Appledore's representatives. See case No. 1290, A deed of this Russell's portion is likewise necessary.

Case No. 1292.—Richard Archibald, of Lane Cove, opposed by M. Cahill, of Surry Hills.

Six hundred acres, County of Cumberland, parish of Willoughby; bounded on the west and partly on the south by Mrs. G. Brown's one hundred and sixty acres, commencing at the south-east corner thereof, and bearing north fifty-three chains and south sixty degrees, west fifty chains; thence on the south-west by part of Isaac Nicholl's two hundred acres, bearing west sixty degrees, north thirty chains fifty links; and south sixty degrees, west four chains to the Lane Cove Road, and by that road northerly to a point one chain distant from the south-west corner of D. D. Matthew's four hundred acres; on the north-west by a reserved road 1 chain wide separating it from the said four hundred acres and bearing north sixty degrees, east seventy-five chains fifty links; on the north-east by a line bearing east sixty degrees, south one hundred and twenty-four chains eighty-five links; and on the south by a reserved road bearing west twenty-seven chains eighty-three links to John Williams twenty acres purchase; then by the east, north, and by eighteen chains thirty-five links of the west boundary line of that purchase; and thence by a line bearing west eighteen chains ten links to the commencing point. This land was located on an order of Sir Thomas Brisbane, dated 14th September, 1825, in favor of Richard Archibald, deceased; claimant is his heir at law; the opponent Cahill alleges that the land is his property.

By the direction of the Commissioners,
JOHN THOMPSON,
Secretary.
