THE Tenders for Conveyance of Mails, in the Year 1850, received this day, as in reference to Advertisement from this Office, dated 13th September last, having necessarily been all returned to the Tenderers, owing to the irregular manner in which some of the offers have been made, Tenders will be again received at this Office, on Saturday the 24th November next, by or before Twelve o'clock, endorsed "Tender for Conveyance of Mails."

Each Tender is to be distinct, for the Line of Road, as called for; and it is to be described by the No. under which it is herein numbered; and as whether for once or twice a-week, is to be particularly described, at its respective cost, viz.:-

18. From and to Dandenong and Al-ber-ton, by way of Mount Arrarat, Tyer's Cut, and the Flooding Creek in Gipps Land, for the whole distance, once a week.
19. From the Post Office, in Melbourne, to vessels in Hobson's Bay, once or twice a day, as may be required, and from vessels in Hobson's Bay, to the Post Office, in Melbourne, as often as mails may arrive, always by the eastern beach; and from and to the Post Office in Melbourne, and the Geelong steamers at the Wharf, as the Chief Post master shall require.

It is to be understood that the mails are to be despatched on the days and hours to be fixed by the Chief Postmaster, either according to the present arrangement, or as he may afterwards determine, for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters, which may be delivered to them, under authority of the Chief Postmaster, or any of the Postmasters, and to provide secure lockers for the mails in carriages, and dry coverings for the bags on horse-back.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise, to the prejudice of the Post Office revenue, but all loose letters collected on the road are to be delivered up to the Postmaster, at first Post Office arrived at, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be strictly bound not to assign any portion of their contract, without consent of the Chief Postmaster.

A mail-cart or carriage, drawn only by one horse, must not carry more than one passenger; by two horses not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under the penalty of three pounds for each offence.

All vehicles and horses employed in the conveyance of mails, are to be at all times subject to the inspection and approval, or rejection of the Chief Postmaster, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement, are to be deducted by the Chief Postmaster from the next quarterly instalment falling due to the Contractor, and are to be considered as over and above any penalties established by any Act of Council.

Each party tendering, or an agent for him, must attend at this office, on the day appointed for opening the Tenders, and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the contractor, for the safety of the mails, and the due performance of the contract, and every stipulation therein.

The hours of starting from each Post Office, or stage, and all other particulars may be ascertained at the Post Office, Melbourne, where parties proposing to tender are invited to seek information.

Printed forms of tender may be had on application at the Melbourne Post Office, or at any other Post Office throughout the colony.

(PORT PHILLIP.)

IT is hereby notified, that application having been made for the purchase of the Lease of the Run of Crown Lands, hereunder described, which, after having been occupied, has become vacant by forfeiture, Tenders in the prescribed printed form will be received at the Office of His Honor the Superintendent, Port Phillip, until noon of Monday, the 3rd day of December next, from the applicant, and from any other persons desirous to enter into competition with him for the purchase of the Lease of the said Run.

2. Every such Tender must state the term of years (not exceeding fourteen,) for which it is proposed to take the Run, and whether, in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium per thousand sheep, or equivalent number of cattle, for the Lease.

3. As the grazing capabilities of the Run have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

4. Until the Run has been regularly surveyed, and its grazing capabilities determined, the future Lessee will be required to pay rent according to his own estimate, as given in his Tenders and in the event of the rent so paid proving to have been less than that determined by valuation, he will be required to make up the difference, previously to the execution of the Lease.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the Lease of the Run any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter 2, of Her Majesty's Order in Council, dated 9th of March, 1847.

6. Forms of Tender can be obtained from the Office of His Honor the Superintendent of Port Phillip, and also from the Crown Commissioner of the District.
