HIS Excellency the Governor directs it to be notified, that all petitions or applications from or on behalf of any Prisoner of the Crown, upon which His Excellency's decision may be required, and which may not be specially directed under any regulation to be sent through the Bench of Magistrates, or otherwise, are in future to be addressed direct to the Principal Superintendent of Convicts, who will obtain and communicate the Governor's pleasure thereon.

All communications of officers in charge of convicts, magistrates, and assignees in matters relating to convicts, are in like manner to be transmitted through the same officer.

FAMILIES OF CONVICTS.

HIS Excellency the Governor directs it to be notified, that Her Majesty's Government have determined to revive the practice of forwarding to this Colony, at the public expense, the wives and families of married convicts who have become free by pardon or otherwise, or who have obtained tickets-of-leave, and who may be recommended by the Governor as worthy of that indulgence.

2. Those persons who have already obtained tickets-of-leave, or any higher degree of liberty, or whose terms of transportation have expired, and who may be desirous of being joined by their families, will make application in the annexed form, to the Principal Superintendent of Convicts.

3. Every such application must be supported by the recommendation of two or more respectable persons known to the Government, and satisfactory assurance must be afforded that the applicant has the means of supporting his family.

4. In like manner, convicts at present under sentence will be allowed to apply for the above indulgence, as soon as they have received tickets-of-leave, but not before.

5. Those persons whose applications were forwarded to the Secretary of State under the regulations of 6th May, 1833, but were not then complied with will be required to make fresh applications in the accompanying form.

By His Excellency's Command,

FAMILIES OF EXILES.

HER Majesty's Government having determined to defray a moiety of the expense of conveying to this colony, the families of those married persons who arrived at Port Phillip as "Exiles" from Great Britain, His Excellency the Governor directs it to be notified, that in any case in which the exile shall place in the hands of the Local Government a sum sufficient to cover one-half the expense of conveying his wife and children to the colony, the other half will be defrayed by the Home Government.

Persons of this class, therefore, who are desirous of availing themselves of this indulgence, will make application accordingly to His Honor the Superintendent of Port Phillip, if still resident in that district, or otherwise to the Principal Superintendent of Convicts in Sydney.

As, however, it will not be possible to predetermine the actual expense of providing passages for each such family, the applicants will be required to deposit in the colony such a sum of money as will cover one moiety of the probable expense, calculated according to the following scale, and the balance (if any) after paying a moiety of the actual expense incurred, will be returned to the parties, namely:—

RETIRED OFFICERS.

HIS Excellency the Governor has been pleased to direct that the following notice, containing an amended scale of remission to be allowed to Officers in the purchase of Land, issued from the Office of the Secretary of State in August, 1848, for the use of Officers purposing to settle in the British Colonies, and having reference to the Regulations for the disposal of Land in the Australian Colonies, shall be re-published here for the information of all persons interested.

By his Excellency's Command,
 E. DEAS THOMSON.

(COPY.) INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS' PURPOSING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public Lands are the following;—First,—the Australian settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and the Northern Province of New Zealand; Secondly,—Ceylon; Thirdly,—the Cape of Good Hope; and Fourthly,—Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, in Ceylon, and at the Cape of Good Hope, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole	£600
Field Officers, of 20 years' service and upwards, in the whole	500
Field Officers, of 15 or less years' service, in the whole	400
Captains, of 20 years' service and upwards, in the whole	400
Captains, of 15 years' service or less, in the whole	300
Subalterns, of 20 years' service and upwards, in the whole	300
Subalterns, of 7 years' service and upwards, in the whole	200
Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land	

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this rule.

In Nova Scotia and Cape Breton, allotments of land are granted to Officers on the following scale and conditions:—

To a Lieutenant-Colonel	1200 acres.
To a Major	1000 acres.
To a Captain	800 acres.
To a Subaltern	500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the Commander-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing

that their emigration had been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the colony where they propose to settle, are admitted to the privileges of Military and Naval settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of lands.

6. Gentlemen who have ceased to belong to her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule, however, is not to affect officers who desire to quit the service, for the express purpose of settling in the colonies; it is only required, that when they resign their Commissions, they should apply for a certificate from the Commander-in-Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the colonies before-mentioned within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as officers who are still in her Majesty's service.

7. An actual residence of two years in the colony must be proved before the titles can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of officers, the following heads are subjoined of the rules for the sale of land in the Australian settlements:—

All lands are disposed of by sale alone, and must have been once at least exposed to public auction;

The lowest upset price is not less than £1 per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The lands are distinguished into three different classes; viz. Town Lots, Suburban Lots; and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of

naming a higher than the general or lowest upset price; these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an upset price, which is to be fixed by the Governor, but which is not to be less than £1 per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

10. The several prices above-mentioned are of course subject to a revision at any time by the proper authorities, and the pecuniary amount of the remission made to officers cannot be increased on account of an increased value set upon the lands.
