CONTRACT FOR COALS, 1851.

**T**ENDERS will be received at this Office, until 12 o'clock of Monday, the 16th December next, from persons willing to supply Coals for the Public Departments in Sydney, during the year 1851.

The Tenders to be endorsed, "Tender for Coals," are to state the rate required per ton, inclusive of the cost of delivery at the several Establishments, a list of which can be seen at the Colonial Store-keeper's Office, in the Dock Yard, where further information relative to the Contract, and also forms of Tender may be obtained.

No Tender will be taken into consideration, unless there be at the foot of it a memorandum signed by the party tendering, and by two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver at the Office of the Civil Crown Solicitor, in Sydney, within fourteen days from the usual notification of acceptance, a bond to Her Majesty in the penal sum of £200, for securing such performance.

Parties tendering, or their Agents, are requested to attend at this Office, at the time appointed for opening the Tenders, to afford any information or explanation that may be required.

By His Excellency's Command,  
E. DEAS THOMSON.

AD VALOREM DUTIES.

**T**HE waterside Officers of this Department, having latterly experienced considerable difficulty in levying the *Ad Valorem Duties* on goods imported into this Colony, and being of opinion that the difficulty results in a great measure from a misapprehension as to the true meaning of the word "value" required to be used in the declaration made at the time of entering goods liable to such kind of Duty; I do hereby call the attention of the public to the Government Notice of the 24th January, 1843, (vide *Government Gazette* of that date,) wherein His Excellency the Governor for the time being, the late Sir George Gipps, in consequence of the opinion expressed by the Law Officers of the Crown, directed that the word *value* in the declaration referred to, should be held to mean the value of the several articles, at the time, when and at the place where the declaration may be made, and not the value at the place from which the articles may have been imported.

J. GIBBES,  
Collector.

Custom House,
