CONVEYANCE AND ESCORT OF GOLD, FROM THE MINES AT OPHIR, TO SYDNEY.

HIS Excellency the GOVERNOR-GENERAL directs it to be notified, that, pending some more permanent measure, an arrangement has been made for the conveyance of Gold, under the charge of an armed Escort, from the Mines at Ophir to Sydney, once a week, by the Mail.

2. Persons having Gold to transmit will therefore have the opportunity of forwarding it with the security of the protection which the Government will be able to afford; but it is to be understood, that in the event of a loss, notwithstanding that protection, the Government will not be responsible for it.

3. The Gold intended to be sent to Sydney is to be delivered to the Commissioner of Crown Lands at Ophir, who, after weighing it, will place it in bags, which are to be sealed, numbered, addressed, and marked by him, with the weight, in the presence of the parties bringing it; and receipts will be granted by him, in which these particulars will be specified, as well as the description of the Gold, and the names of the agents or persons to whom it is to be delivered in Sydney.

4. The chest or safe containing the Gold will be consigned to the Colonial Treasurer in Sydney, who will deliver the bags to the persons or agents appointed to receive them, on their producing authorities, corresponding with the receipts given by the Commissioner, and with the return which will be transmitted by him to the Treasury.

5. A charge will be made by the Government for Gold forwarded under this arrangement, at the rate of one per cent. on its value, estimated at £3 4s. 0d. per ounce for washed Gold, and

£2 8s. 0d. for Gold obtained by amalgamation; and payment of the same will be required to be made at the Treasury on the delivery of the packages.

6. The Mails by which Gold may be sent under the protection of an Escort, will leave Ophir every Tuesday morning, arriving in Sydney at 8, a.m., on the Thursday following, commencing on Tuesday, the 22nd instant.

7. The packages of Gold will be delivered at the Colonial Treasury, between the hours of eleven and twelve o'clock, on each Thursday, to the agents or parties authorised to receive them.

E. DEAS THOMSON.

VACCINATION.

HIS Excellency the GOVERNOR-GENERAL has directed the publication of the following extract of the Notice, dated 11th January, 1847, notifying the Establishment of a Vaccine Institution in Sydney.

By His Excellency's Command,

E. DEAS THOMSON.

*Colonial Secretary's Office,
Sydney, 11th January, 1847.*

VACCINATION.

HIS Excellency the GOVERNOR directs it to be notified, that a Vaccine Institution has been established in Sydney, and that Dr. Savage, the Health Officer, has been appointed to carry out the objects of the Institution.

HIS Excellency further directs it to be notified, that Dr. Savage will be in attendance at the Immigration Barracks Bent-street, between the hours of 10 and 12 o'clock on every Tuesday and Saturday to Vaccinate, free of charge, such children as may be taken to him for the purpose. But as the operation itself, without any proof of its having taken effect, would be insufficient security to the public mind, HIS Excellency has been pleased to direct, that the sum of one shilling shall be deposited for every child vaccinated, which sum will be returned on the presentation of the child on the next vaccination day.

HIS Excellency very strongly recommends Parents and Guardians to avail themselves of the means thus afforded to them of taking this necessary and proper precaution with respect to all children not already vaccinated.

In order that a constant supply may be kept up throughout the Colony, the Health Officer will furnish lymph to any Medical Practitioners in the Country Districts who may apply for the same.

2. The papers of all Ships bound to Europe or California must be handed to the Clearing Clerk, at or before 12 o'clock on the day of clearance, except on Saturdays, when the papers will not be received after 11 o'clock.

EXPORT OF GOLD.—CUSTOMS NOTICE.

IT being considered important that correct accounts should be kept of the Export of Colonial Gold, with a view to the preparation of general Returns for the information of the Legislature and Public; and as some difficulty is at present experienced, in preparing such accounts, in consequence of the prevailing impression, that the precious metals are exempt from the usual regulations under which other goods are shipped, the attention of the Public is directed to the provisions of the 39th section of the Act of Council 9th Victoria, No. 15, from which it will appear that all goods intended for exportation, must be entered at the Custom House

by Bill of Entry; and as no proviso is contained in any subsequent clause of the Act in favour of precious metals, it is requested that this regulation may be adhered to; but in order to avoid all apprehension that might be entertained of any risk consequent upon immediately making public the quantities exported in any particular ship, the information so obtained will be held to be confidential, and subject to be used only for the purpose of preparing the general Returns above referred to.

Due notice will be given of the days appointed for the hearings.

Case No. 1305.—William Lawson, Esquire, of Prospect, by his Solicitors, Messrs. Holden and McCarthy.

One thousand and thirty acres, county of Cumberland, parish of St. Luke, near Liverpool (being part of twelve thousand nine hundred acres granted to the Male Orphan School); commencing at the south-west corner, at the old Cowpasture Road, and bounded on the south by part of Cartwright's, now Bosley's, nine hundred and ten acres, being a line bearing east 102 chains 50 links (E. 102-50); on the east by Chisholm's six hundred acres, being a line bearing north 102 chains 50 links (N. 102-50); on the north by part of Hyland's fifty acres, Brabyn's twelve hundred acres, and Hall's fifty acres, being a line bearing west 102 chains 50 links (W. 102-50); and on the west by George Johnston's, now Captain Weston's, land, and part of Abbott's land, being a line bearing south 102 chains 50 links (S. 102-50) to the south-west corner as aforesaid. Twelve thousand nine hundred acres of land were granted, under the Seal of the Colony, to the Male Orphan Institution, and became vested in the Church and School Corporation, who, by an Indenture dated 4th December, 1827, sold the

above described portion to the late Reverend Samuel Marsden, who sold to Edward New, who sold to claimant. The Conveyance to Marsden is defective, and a further Conveyance is to be issued, as provided for by the Act of Council, 5th Wil. 4, No. 11.

Case No. 1306.—James Houston, of Parramatta, by his Solicitors, Messrs. Minithorpe and Co.

Two roods, county of Cumberland, parish of St. John, town of Parramatta, allotment No. 20, on the east side of Church-street, in section No. 25; bounded on the north by the river; on the east by a line 1 chain 63 links; on the south by a line to Church-street, 2 chains 87 links; and on the west by that street, 2 chains 60 links.

This allotment was leased by Sir Thomas Brisbane to Thomas Woolley, for 21 years, by a Lease dated 30th of June, 1823, the term of which has expired. Woolley, it is alleged, sold to Claimant.

Case No. 1307.—James Houston, of Parramatta, by his Solicitors, Messrs. Minithorpe and Co., in opposition to Edgar Larken, of Sydney.

Sixty-six perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No. 7, on the river, in section No. 25; bounded on the west by the east line of Woolley's allotment, No. 20, Church-street, 163 links; on the north by the river; on the east by a line 1 chain; and on the south by Harris's allotment (No. 9) 3 chains 19 links. Reserving a convenient passage of sufficient width to admit a horse and cart to such of the adjoining allotments as may be deemed necessary by the proper officer.

This allotment was leased by Sir Thomas Brisbane to Samuel Larkin, for 21 years, by a Lease dated 30th June, 1823, and formed the subject of the Case No. 1034; and, in the absence of any other claimant, the Commissioners, on the 8th March, 1842, reported in favor of Edgar Larken, as heir at law of the said Lessor, Samuel Larken, deceased. Edgar Larken having failed to pay the arrears of rent due on the land, no deed issued in pursuance of the Commissioner's Report; and now Claimant alleges that he bought of the deceased, Samuel Larken. The term of the Lease has expired.

Case No. 1308.—James Houston, of Parramatta, by his Solicitors, Messrs. Minithorpe and Co.

Forty-one perches, county of Cumberland, parish of Saint John, town of Parramatta, allotment No. 8, on the River, in section No. 25; bounded on the west by Larkin's allotment No. 7, 1 chain; on the south by a line 1 chain 85 links; on the east by a line to the river 134 links; and on the north by the river.
