3. Persons desirous of forwarding gold under the security afforded by this Conveyance are to take care that it is forwarded to Buninyong not later than 4 o'clock P.M. of the Monday preceding the departure of the escort, by which it is wished it should be sent. A responsible officer will be appointed to take charge of it at Buninyong into whose charge it is to be delivered, and he will be instructed previously to receiving it, to have it accurately weighed in the presence of the person bringing it, he will then tie it up in a leather bag, seal it, and attach a label to it, on which the weight of the gold is to be stated, the name of the person sending it, and also the name of the person to whom it is consigned, and whether residing in Melbourne or Geelong. The Officer acting for the Government in this matter will grant a receipt to the depositor of the Gold, containing the above particulars. A notification will shortly appear in the Government Gazette appointing an Officer to conduct this business.

4. There will be two boxes in which the gold to be escorted will be secured, the one for Geelong

the other for Melbourne. On the arrival of the escort at Geelong both boxes will be placed in charge of the Police Magistrate, and he will the following morning deliver the box containing the gold for Melbourne to the Officer in charge of the escort, who upon reaching Melbourne will forthwith deliver it to the Colonial Treasurer.

5. Persons to whom the gold is consigned will receive it from the Colonial Treasurer or the Police Magistrate of Geelong, upon producing their authority, signing receipts for it, and paying the escort charge of one per cent on washed gold, to be estimated at the rate of £3 the ounce, and on gold mixed with a larger portion of stone at the rate of £2 10s. the ounce.

6. Every precaution will be taken for the safety of the gold sent under escort, but in the event of loss the Government will not be responsible for it.

By His Excellency's Command,
W. LONSDALE.

CONDITIONS.

1. All the articles required by this notice are to be of the best quality of their several kinds.

2. The flour and bread must be the produce of clean sound colonial wheat, from which on the rations of emigrants, surveying parties, border police, 20 per cent, and on the ration to prisoners of the crown 10 per cent. has been extracted in bran and waste.

3. Beef and mutton to be issued in such proportions as may be required, and when the quantity admits of it, to be delivered in fore and hind quarters alternately.

4. The maize meal to be similar in quality to the wheat meal, and to be twice ground.

5. When it may be necessary to substitute one article for another, the following proportions are to be observed, viz., 1lb wheat flour, or 1lb biscuit equal to 1½lb bread; 1lb salt beef or 1lb mutton, or 10 oz salt pork, equal to 1lb of fresh beef.

6. The tobacco to be the best colonial.

7. The above substitutions are not to be made except on the requisitions of the officer authorised to draw the several rations.

8. Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

9. The supplies for road parties and surveying parties are to be delivered at the nearest fixed stations to the places where the party may be employed, on the requisition of the officer in charge; and in case the whole ration of forage be not required or delivered, each of the species to be reckoned as the portion of the ration under-mentioned:—The maize or barley 4-12—the hay 5-12—the bran 2-12—the straw 1-12.

10. The supplies (not specified in the preceding paragraphs) are to be delivered direct to the parties or establishment entitled thereto, on the written order of the person duly authorised for the purpose.

11. Provisions, and forage, when required by rations, according to the scales under their res-

pective heads, the tenders are to express the price per ration only.

12. The tenders for forage are not required to state the price per ration for oxen, as when the latter is required, one half the allowance fixed for horses will be drawn, and one half the price allowed to the contractor, whose engagement is to provide for both horses and oxen.

13. In the event of a difference of opinion between the contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey according to the practice of the service. But in country districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third, as umpire, who in the event of the arbitrators not agreeing in opinion, will be called upon for his decision which shall be final.

14. If the board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing of which it will be procured by the department requiring it, and the expense charged to the contractor.

15. In the event of any unnecessary delay or failure of the contractor to supply the articles when required, they will be otherwise procured and charged in like manner.

16. In cases where the article is of a perishable nature, or from some other cause, injury would be sustained either by the parties to whom the rations are due or the contractor, by waiting for a Board of Survey, the head of the department or officer in charge of the party or parties for whom the rations are to be received, shall have the power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the government for so doing; and that the contractor will have a right of appeal to the Governor, although in the meantime he must take back the rejected article and supply good in its stead, failing of which it will be obtained by the officer or party requiring it, and the expense charge to the contractor.

17. A repetition of irregularity in the quantity or quality of the supplies, or of any delay in delivering or replacing them when required, will subject the contractor, upon the report of the officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract forthwith.

18. It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made or agreed to be made.

19. The contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, to the Auditor General for examination, and upon their approval, a warrant will be prepared, and payment made from the Colonial Treasury.

20. The value of all packages to be included in the prices demanded.

21. Printed forms of tender may be obtained from the Auditor General; and a security of £2000 will be required for the due fulfilment of the contract. No tender can be attended to unless accompanied by a certificate from two responsible parties proposed as security, stating they are willing to become bound as securities for the contractor accordingly, and the bonds must be executed within twenty days, from the day of acceptance of the tender being notified, failing of which the contracts will be again advertised or another tender accepted.

22. The tenders to contain the names of the tenderers and their sureties, and places of residence at length.

23. All tenders to be enclosed in a separate envelope, and marked "Tender for provisions, &c." and to be deposited in a box marked, "Tender" at the western entrance of the Government Offices.

24. The tenders must include the whole of the rations and separate articles above mentioned.

25. The tenders are to be given in for the undermentioned districts, which may be tendered for separately or collectively. When the latter is the case each locality, as given below, must be stated in the tender.

1. Melbourne, including the county of Bourke the Mounted and Police Stations on the Goulburn and Broken Rivers, and any other Stations on or near the Sydney Road within the Province of Victoria, also the Aboriginal Stations at the Golbourn and Loddon.

2. Geelong, including the county of Grant.

3. The county of Normanby, and the towns of Portland, Port Fairy, and Warnambool.

4. Gipps Land, including Alberton.

By His Excellency's command,
W. LONSDALE.

Colonial Secretary's Office,
Melbourne, 16th September, 1851.

POLICE REWARD FUND.

1. His Excellency the Lieutenant Governor, with the advice of the Executive Council, is pleased to direct that the following "Regulations" for the management and disposal of the Police Reward Fund, as constituted by the provisions of the Act of Council 14th Victoria, No. 38, be henceforth observed by all Courts of Petty Sessions within the Colony of Victoria.

2. This fund shall consist of fines imposed upon Constables for misconduct, of penalties, or portions thereof, inflicted under the various Acts of Council, which direct a moiety to be paid to the informer, in all cases where a conviction followed an information laid by any member of the Constabulary, and also of fines imposed under the 15th and 18th sections of the above recited Act.

3. All sums accruing to this Fund are to be paid to the Colonial Treasurer, and the various Clerks of Petty Sessions in accounting for such payments will do so in a column distinct from that in which their other collections may be entered.

4. In the distribution of the Police Reward Fund, which will take place as soon as possible after the 30th June and 31st December in each year, awards will be made in the following manner:—

1. To such members of the Police Force as may have during the preceding six months per-

formed some extraordinary act of courage zeal or intelligence.

2. To those who may have displayed the greatest activity in the detection and apprehension of persons charged with the commission of felonies.

3. To those constables who may have been the most active in bringing to justice parties who have committed minor offences, such as 'breaches of the Towns Police Act', and others affecting the general well being of the community.

4. It must also be borne in mind by the Constabulary, that those members who invariably display a desire to do their duty to the public and to act in accordance with their oath of office, without regard to mere pecuniary considerations, will have such honorable conduct taken into account and considered in conjunction with any special services which they may have performed when the Reward Fund is distributed.

5. Should a Constable who would have been entitled to participate in this fund die before its distribution, his wife or family will be entitled to receive the amount which would otherwise have been awarded to him.

6. Immediately after the 30th June and 31st December in each year, the Police Magistrate, where there is one, and two at least of the Magistrates in the other Police Districts, shall forward a return to the Colonial Secretary shewing the amount which has been paid to the credit of the Police Reward Fund within the previous six months from their respective Districts, accompanied by a statement shewing the conduct and services of each Constable who is considered deserving of participating in this fund, either on account of general good conduct, or for the meritorious performance of the duties of his office, as pointed out in the preceding paragraphs; and upon the receipt of these reports, the Colonial Secretary will prepare a plan for the distribution of the Fund available for this purpose, which will be submitted to His Excellency the Lieutenant Governor and the Executive Council for approval.

By His Excellency's Command,
W. LONSDALE.

2. Every such tender must state the term of years (not exceeding fourteen) for which it is proposed to take the run, and whether in addition to the minimum rent required by Her Majesty's order in Council it is intended to offer any and if any what amount of yearly premium per thousand sheep or equivalent number of cattle for the lease.

5. It is also to be distinctly understood that the Government reserves to itself the right of excluding from the lease of run, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter 2 of Her Majesty's order in Council dated 9th March 1847.

 Hervey of Bourke-street in the City of Melbourne
 in the Colony of Victoria Commission Agent and
 John Mickle and John Bakewell of the same
 place carrying on business as Commission Agents
 under the style of Mickle and Bakewell against
 Joseph Davison of Little Collins street in the
 City of Melbourne aforesaid Butcher it appears
 to us that the said Joseph Davison is justly and
 truly indebted to the said Matthew Hervey in
 the principal sum of One hundred and fifty-six
 pounds upon and by virtue of a Bill of Exchange
 bearing date the fourteenth day of April One
 Thousand eight hundred and fifty-one drawn by
 the said Matthew Hervey upon and accepted by
 the said Joseph Davison and made payable to the
 order of the said Matthew Hervey four months
 after the date thereof for Cattle before then sold
 and delivered by the said Matthew Hervey to the
 said Joseph Davison for the full amount of the
 said Bill and to the said John Mickle and John
 Bakewell trading as aforesaid in Two hundred
 and seven pounds nineteen shillings for Cattle sold
 and delivered by the said John Mickle and John
 Bakewell trading as aforesaid to the said Joseph
 Davison at his request and that on or about the
 Sixteenth day of July in the year of our Lord
 One thousand eight hundred and fifty-one the
 said Joseph Davison (having personal property
 within the said Colony) departed therefrom to
 Van Diemen's Land with intent to defeat or delay
 the said Matthew Hervey and John Mickle and
 John Bakewell trading as aforesaid and others his
 Creditors in obtaining payment of their Debts and
 that being out of the said Colony he hath re-
 mained and still remains absent therefrom with
 the intent aforesaid and that the said Joseph
 Davison did by so departing from the said Colony
 as aforesaid and by remaining absent as aforesaid
 commit acts of Insolvency whereupon the said
 Matthew Hervey and the said John Mickle and
 John Bakewell trading as aforesaid prayed that
 the estate of the said Joseph Davison might be
 sequestrated for the benefit of his creditors. And
 whereas it further appears to us in our said Court
 that the Honourable William A'Beckett Resident
 Judge of our said Supreme Court of New South
 Wales for the District of Port Phillip now called
 as and being the Colony of Victoria did by Order
 under his hand bearing date the Second day of
 October instant place the estate of the said Joseph
 Davison under sequestration in the hands of the
 Chief Commissioner of Insolvent Estates for the
 Colony of Victoria at Melbourne until the same

should by our said Court be adjudged to be sequestrated or the said Petition should be discharged according to law: Now therefore we command you that you summon the said Joseph Davison that he be before our Resident Judge of our Supreme Court of New South Wales for the District of Port Phillip now called as and being the Colony of Victoria on Thursday the Thirtieth day of October instant at Eleven of the clock in the forenoon to show cause if he have any why his estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors and return you then and there this Writ with whatever you have done thereupon.

Witness the Honorable William A'Beckett our Resident Judge of our said Court at Melbourne the Second day of October in the year of our Lord One Thousand eight hundred and fifty-one and in the fifteenth year of our Reign.

ROBERT WILLIAMS POHLMAN,
