LICENSES TO DIG AND SEARCH FOR GOLD.

WITH reference to the notice of the 18th August last, His Excellency the Lieutenant-Governor has been further pleased to direct that every exertion will be made by the Commissioners for the Gold Districts, to prevent seamen or other persons leaving their hired service, without permission of their employers, from obtaining licenses to search for gold, and further that any persons known or recognized to have been at a late date in the public service will not be allowed to hold a license to dig or search for gold, unless satisfactory proof be given that their leaving the service at this juncture, has not only been authorized, but is unattended with embarrassment to the Government.

By His Excellency's Command,
W. LONSDALE.

Custom House, Melbourne,

EXPORT OF GOLD.

GOLD having been ascertained to be a natural product of this Colony, notice is hereby given, that the Local Customs Laws require, on Exportation, that it should be entered at the Custom House the same as other Exports; to avoid apprehension of risk from publicity, the information may, if desired, be held for a time to be confidential.

JAMES H. N. CASSELL,
Collector.

Colonial Secretary's Office,
Melbourne, 30th September 1851.

CONVEYANCE OF GOLD UNDER ESCORT FROM BUNINYONG.

HIS Excellency the Lieutenant Governor directs it to be notified that arrangements have been made for the conveyance of Gold from Buninyong to Melbourne and Geelong once a week under the charge of an armed escort.

2. The Escort will leave Buninyong every Tuesday morning at 6 o'clock, will arrive at Geelong that evening at 4 o'clock, and the following morning will leave for Melbourne, where it will arrive the same day at half past three o'clock.

3. Persons desirous of forwarding gold under the security afforded by this Conveyance are to take care that it is forwarded to Buninyong not later than 4 o'clock P.M. of the Monday preceding the departure of the escort, by which it is wished it should be sent. A responsible officer will be appointed to take charge of it at Buninyong into whose charge it is to be delivered, and he will be instructed previously to receiving it, to have it accurately weighed in the presence of the person bringing it, he will then tie it up in a leather bag, seal it, and attach a label to it, on which the weight of the gold is to be stated, the name of the person sending it, and also the name of the person to whom it is consigned, and whether residing in Melbourne or Geelong. The Officer acting for the Government in this matter will grant a receipt to the depositor of the Gold, containing the above particulars. A notification will shortly appear in the Government Gazette appointing an Officer to conduct this business.

4. There will be two boxes in which the gold to be escorted will be secured, the one for Geelong the other for Melbourne. On the arrival of the escort at Geelong both boxes will be placed in charge of the Police Magistrate, and he will the following morning deliver the box containing the gold for Melbourne to the Officer in charge of the escort, who upon reaching Melbourne will forthwith deliver it to the Colonial Treasurer.

5. Persons to whom the gold is consigned will receive it from the Colonial Treasurer or the Police Magistrate of Geelong, upon producing their authority, signing receipts for it, and paying the escort charge of one per cent on washed gold, to be estimated at the rate of £3 the ounce, and on gold mixed with a larger portion of stone at the rate of £2 10s. the ounce.

6. Every precaution will be taken for the safety of the gold sent under escort, but in the event of loss the Government will not be responsible for it.

By His Excellency's Command,
W. LONSDALE.

Colonial Secretary's Office,
Melbourne, 30th October, 1851.

GOLD FOR ESCORT.

IT having been ascertained that it would be more convenient to the persons wishing to send gold by the Weekly Escort, if it were deposited with the Commissioner at the workings, instead of with the Police Magistrate at Buninyong; intimation is given that His Excellency the Lieutenant Governor has caused arrangements to be made for this purpose. Persons therefore wishing to take advantage of the Escort can place their gold in charge of Mr. Commissioner Doveton, by application to him on the ground.

It is also notified, that those persons who have no agents, and who may wish to deposit their gold in a place of safety, until they can make arrangements for the disposal of it, will be allowed to place it in the custody of the Colonial Treasurer, in which case a document must be prepared, in duplicate, stating the contents of the bag in which the gold is secured, the name and sufficient description of the owner for identification, one of which is to be sent to the Colonial Treasurer and the other to be kept by the owner, and to be presented by him to the Colonial Treasurer when the gold is claimed.

VACATED RUN.

IT is hereby notified that application having been made for the purchase of the Lease of the Run of Crown Lands hereunder described, which after having been occupied has become vacant, tenders in the prescribed printed form will be received at this office until noon of Wednesday the 5th day of November next, from the applicant, and from any other person desirous to enter into competition with him for the purchase of the lease of the said run.

2. Every such tender must state the term of years (not exceeding fourteen) for which it is proposed to take the run, and whether in addition to the minimum rent required by Her Majesty's order in Council it is intended to offer any and if any what amount of yearly premium per thousand sheep or equivalent number of cattle for the lease.

4. Until the run has been regularly surveyed and its grazing capabilities determined, the future lessee will be required to pay rent according to his own estimate as given in his tender; and in the event of the rent so paid proving to have been less than that determined by valuation, he will be required to make up the difference previously to the execution of the lease.

5. It is also to be distinctly understood that the Government reserves to itself the right of excluding from the lease of run, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter 2 of Her Majesty's order in Council dated 9th March 1847.
