# LICENSES TO DIG AND SEARCH FOR GOLD.

WITH reference to the Proclamation issued on the 16th instant declaring the rights of the Crown in respect to Gold found in its natural place of deposit within the Colony of Victoria, His Excellency the Lieutenant Governor, with the advice of the Executive Council, has been pleased to establish the following Provisional Regulations, under which Licenses may be obtained to dig, search for, and remove the same:—

1. From and after the first day of September next, no person will be permitted to dig, search for, or remove Gold on or from any land, whether public or private, without first taking out and paying for a License in the form annexed.

2. For the present, and pending further proof of the extent of the Gold Deposits, the License Fee has been fixed at one pound ten shillings per month, to be paid in advance; but it is to be understood that the rate is subject to future adjustment, as circumstances may render expedient.

3. The Licenses can be obtained on the spot, from the Commissioner who has been appointed by His Excellency the Lieutenant Governor to carry these Regulations into effect, and who is authorized to receive the fee payable thereon.

4. No person will be eligible to obtain a License or the renewal of a License, unless he shall produce a certificate of discharge from his last service, or prove to the satisfaction of the Commissioner that he is not a person improperly absent from hired service.

# TENDERS FOR LEASES OF RUNS BEYOND THE SETTLED DISTRICTS.

**H**IS Excellency the Lieutenant-Governor directs it to be notified, that the under-mentioned portions of Crown Lands, formerly included in the Aboriginal Reserve, at Mount Rouse, are now open to public Tender.

2.—Sealed Tenders in the prescribed printed form will be received at this Office until noon of Wednesday, the 5th day of November next, from any persons desirous of purchasing the lease of either of the Runs according to the descriptions hereto annexed.

3.—Every such Tender must state the term of years (not exceeding eight) for which it is proposed to take the Run, and whether, in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium for the lease.

4.—As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry, which in no case must be less than 4,000 sheep or their equivalent in cattle.

5.—Until the grazing capabilities of these Runs have been determined, the lessees will be required to pay rent according to their own estimates, as given in the Tenders; and in the event of the rent so paid proving to have been less than that determined by valuation, they will be required to make up the difference previously to the execution of the leases.

6.—It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of either of these Runs, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of Chap. 2 of Her Majesty's Order in Council dated 9th March, 1847.

7.—A separate Tender must be made for each separate Run.

8.—Forms of Tender can be obtained from this office, and also from the Crown Commissioner of the District in which such Runs are situated.

By His Excellency's Command,  
W. LONSDALE.

Form, &c., of Rule.

No. 10.—Every such Rule, and all orders thereon shall be drawn or settled by the Master; or in case of dispute by a Judge: Provided that no Rule Nisi shall hereafter contain any interrogatories, or shall require the respondent to answer any interrogatories.

General practice on Rules.

No. 11.—All other proceedings consequent on any such Rule shall also be commenced and shall severally be carried on in the Master's Office, and the same fees shall be payable in respect of any such rule, order, or other proceedings, as are or shall be payable in respect of analagous proceedings in the Equitable Jurisdiction of the Court.

Taking evidence

No. 13.—Where the Court shall, on the motion to make the Rule Nisi absolute, or afterwards direct evidence to be taken as to any matter or point in issue between the parties, the complainant may examine vivâ voce as a witness any respondent, and the respondent may examine the complainant or any co-respondent: Provided that whenever evidence shall be taken the parties shall (as to every such matter or point) use such evidence exclusively.

Mode of proceeding thereon.

No. 14.—In every such case an appointment shall be obtained from the Master, within eight days after the date of the Rule or order in that behalf, fixing some day certain at his discretion, for the examination of witnesses on both sides; and if the complainant shall not obtain and serve due notice of such appointment, the respondents or any of them may within the next four days obtain a like appointment, and within four days after obtaining any such appointment, and four clear days at the least before the day appointed for the examination, notice thereof shall be served on every party entitled to attend thereon.

Powers of Master.

No. 15.—Every such examination shall be conducted in the same manner, and the Master shall in respect thereof have the same powers, as on the examination of Witnesses before him in a suit in Equity.
