MASTERS of Ships who may feel disposed to make application for the liberation of any of their Crew who may have been committed to Gaol for refusing to work, &c., before the expiration of the time for which they may be sentenced, are requested to make their application to the Colonial Secretary, at least a week prior to the Sailing of the Vessel.

It will be necessary for Masters of Vessels making such application, to express therein their willingness to bear any expenses which may be incurred by the Police, in affording safe custody to the liberated Seamen, should such be required, on their transit from the Gaol to their respective Vessels.

It would be advisable that on receiving the sanction of the Lieutenant Governor, to the release of incarcerated men, Masters should communicate personally, or by their Agents with the Superintendent of Water Police, in order to enable that Officer to ascertain whether the Superintendent of Police, in Melbourne, will be in a position to make arrangements for affording them the protection and assistance of a guard in conveying them on board their Ships, without interfering with the ordinary distribution of daily duties allotted to the Force.
