TENDERS FOR LEASES OF RUNS BEYOND THE SETTLED DISTRICTS.

HIS Excellency the Lieutenant Governor directs it to be notified, that in consequence of the former Tenderer having neglected to fulfil the conditions of his Tenders for the undermentioned portions of Crown Lands which were formerly included in the Aboriginal Reserve at Mount Rouse, the Lands in question are now again open to public competition.

2. Sealed Tenders, in the prescribed printed form, will be received at this Office until noon of Wednesday, the fifth day of May next, from any persons desirous of purchasing the Lease of either of the Runs, according to the descriptions hereto annexed.

3. Every such Tender must state the term of years (not exceeding eight) for which it is proposed to take the Run, and whether, in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium for the Lease.

4. As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of Sheep or Cattle that the Run will carry, which in no case must be less than 4,000 Sheep, or their equivalent in Cattle.

5. Until the grazing capabilities of these Runs have been determined the Lessees will be required to pay rent according to their own estimates, as given in the Tenders; and in the event of the rent so paid proving to have been less than that determined by valuation, they will be required to make up the difference previously to the execution of the Leases.

6. It is also to be distinctly understood that the Government reserves to itself the right of excluding from the Lease of either of these Runs any Land which it may be deemed proper to reserve for any of the purposes referred to in the 9th Section of Chap. 2 of Her Majesty's Order in Council, dated 9th March, 1847.

7. A separate Tender must be made for each separate Run.

8. Forms of Tenders can be obtained from this Office, and also from the Crown Commissioner of the District in which such Runs are situated.

By His Excellency's Command,
W. LONSDALE.
