 EDWARD EYRE WILLIAMS.  
 No. 11.—FEBRUARY 7TH, 1854.—3.

General Post Office,  
 Melbourne, 3rd January, 1854.

THE immensity of the number of applications made at this Office to have letters forwarded otherwise than directed, or arrested and re-directed in course of proper transmission according to the address, makes invariable attention to such requests impossible. Persons changing residence are therefore requested to give the necessary directions to their correspondents, as, while every possible attention will be rendered to their requests, unvarying and prompt compliance cannot always be ensured without unjustly delaying the circulation of the correspondence of the bulk of the population.

Persons addressing letters to the country districts are particularly requested to use the authorised name of the proper Post Office, without which this Department cannot be responsible for the due forwarding of the same.

A. McCRAE,  
 Postmaster General.

Custom House,  
 Melbourne, 26th January, 1854.

IN consequence of the abuse which has attended the temporary relaxation of the law as regards the landing of free goods prior to entry: Notice is hereby given that on and after the 5th of February next, no goods whatever will be allowed to be discharged from any vessel until the provisions of the Customs Regulation Act have been complied with.

HUGH C. E. CHILDERS,  
 Collector of Customs.

Custom House,  
 Melbourne, 21st January, 1854.

NOTICE is hereby given to all owners or persons in charge of any iron, timber, or other bulky articles left on any pier, jetty, quay, wharf, or landing place in the Colony of Victoria, that in consequence of the great inconvenience to the public caused by the present state of the wharves, instructions have been issued to the proper officers *strictly* to carry out the provisions of the sixth clause of the Act 16th Victoria, No. 12, extracts from which are hereunto subjoined.

HUGH C. E. CHILDERS,  
 Collector.

CLAUSE VI.—“If any iron, timber, or other bulky article be left on any public quay, after twenty-four hours notice to remove the same shall have been given by the Port Officer, Harbor Master, or proper Officer of Customs, to the owner or person in charge thereof, it shall be lawful for any two Justices of the Peace, on proof of such notice having been given, to issue their warrant for removing such iron, timber, or articles, and for selling the same after the expiration of five days from the removal thereof, and out of the proceeds of such sale to defray the expenses of such removal, and sale, paying the surplus (if any) to such owner or person entitled thereto. And if no owner of such iron, timber, or article can be found, and there be no person in charge thereof, and such iron, timber, or article shall remain on any quay for the space of four days, the Port Officer, Harbor Master, or proper Officer of Customs may remove the same to some convenient warehouse or place at the risk and expense of the owner or person in charge, such expense to be recovered as herein after mentioned.”
