THE Commissioners of National Education hereby give Notice, that the following will be the scale of Salaries to be paid to the Teachers of National Schools, from the 1st of January, 1854:—

	Schools in Mel- bourne and at the Gold Fields.	Country Schools.
	Rate of Salary per Annum.	Rate of Salary per Annum.
	£ s. d.	£ s. d.
Head } Male Teachers	120 0 0	100 0 0
Teachers } Female Teachers	90 0 0	80 0 0
Male Assistant Teachers	100 0 0	90 0 0

These salaries are to be considered, in the case of the Head Teachers, as exclusive of school fees which will be handed over to them under such Regulations as may be laid down by the local patrons of the school.

In cases where a married couple who may be, in the opinion of the Commissioners, both competent for the office of teacher, have charge of a Mixed School, the Commissioners will ordinarily grant a full salary to each as Master and Mistress, provided the average daily attendance is sufficient and the school is conducted to the satisfaction of the Commissioners, but in schools where the attendance is small and the appointment of a Female Teacher is deemed unnecessary, the Female will receive a salary as Workmistress only, if competent for that office.

2. *House Rent Allowance.*—In cases where no residence of any kind is provided for the Teachers, the Commissioners will grant an allowance at the rate of 50 per cent. upon the fixed salary.

3. *Paid Monitors.*—The Commissioners will grant salaries averaging from £15 to £30 per annum to paid Monitors in the Schools in which they may deem their appointment advisable. The candidates should not be under 13 nor over 16 years of age; and the selection is to be made, as far as possible, from those who have shown aptitude for teaching. No house rent allowance will be made to paid Monitors.

4. Where the number of scholars in any particular School considerably exceeds fifty, and the nature and extent of the instruction afforded by the School are shown to be of a superior description, the Commissioners will take the same into special consideration; whilst in cases where the Teachers have conducted themselves improperly, or where the attendance has considerably decreased, their salaries may be depressed.

5. It is to be understood that the above rates of salary will be only awarded until the Commissioners are unable to carry into effect their arrangements with reference to the classification of Teachers, when salaries will be awarded according to the Class certificates which Teachers may hold.
