Melbourne, 19th June, 1854.

UNCLAIMED DEAD LETTERS.

LIST of Unclaimed Dead Letters which have been received in the Country Offices during the month of April, 1854.

Parties applying for Letters at the Dead Letter Office are particularly requested to give the correct number of the Letter, and also the date and number of the List in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the Country making applications, in addition to the number of the Letter, and date and number of the List, are requested to state where they expect their Letters from, what Office the Letters were originally addressed to, and any information which may tend to prevent an unnecessary transmission of Letters.

A. McCRAE,
Postmaster General.

Now, therefore, we command you that you summon the said THOMAS BESCOBY, that he be and appear before our Judges of the Supreme Court, on the twenty-second day of June instant, at Ten o'clock in the forenoon, to shew cause, if he has any, why his Estate should not by sentence of the said Court be adjudged to be sequestered for the benefit of his Creditors, and return you then and there this Writ with whatever you have done thereupon.

WITNESS—His Honor REDMOND BARRY, Esquire, Acting Chief Justice of our said Supreme Court, at Melbourne, this ninth day of June, in the year of Our Lord One thousand eight hundred and fifty-four, and in the seventeenth year of our Reign.

DECLARATION OF WAR.

HIS Excellency the Lieutenant Governor has directed the following Declarations to be published for general information.

By His Excellency's Command,
JOHN FOSTER.

DECLARATION.

It is with deep regret that Her Majesty announces the failure of Her anxious and protracted endeavours to preserve for Her People and for Europe the blessings of peace.

The unprovoked aggression of the Emperor of Russia against the Sublime Porte has been persisted in with such disregard of consequences, that after the rejection by the Emperor of Russia, of terms which the Emperor of Austria, the Emperor of the French, and the King of Prussia, as well as Her Majesty, considered just and equitable, Her Majesty is compelled by a sense of what is due to the honor of Her Crown, to the interests of Her People, and to the independence of the States of Europe, to come forward in defence of an Ally whose territory is invaded, and whose dignity and independence are assailed.

Her Majesty, in justification of the course she is about to pursue, refers to the transactions in which Her Majesty has been engaged.

The Emperor of Russia had some cause of complaint against the Sultan with reference to the settlement, which His Highness had sanctioned, of the conflicting claims of the Greek and Latin Churches to a portion of the Holy Places of Jerusalem and its neighbourhood. To the complaint of the Emperor of Russia on this head justice was done; and Her Majesty's Ambassador at Constantinople had the satisfaction of promoting an arrangement to which no exception was taken by the Russian Government.

But while the Russian Government repeatedly assured the Government of Her Majesty that the Mission of Prince Menchikoff to Constantinople was exclusively directed to the settlement of the question of the Holy Places at Jerusalem, Prince Menchikoff himself pressed upon the Porte other demands of a far more serious and important character, the nature of which he in the first instance endeavoured, as far as possible, to conceal from Her Majesty's Ambassador. And these demands, thus studiously concealed, affected not the privileges of the Greek Church at Jerusalem, but the position of many millions of Turkish subjects in their relations to their Sovereign the Sultan.

These demands were rejected by the spontaneous decision of the Sublime Porte.

Two assurances had been given to Her Majesty: one, that the Mission of Prince Menchikoff only regarded the Holy Places; the other, that his Mission would be of a conciliatory character.

In both respects Her Majesty's just expectations were disappointed.

Demands were made which, in the opinion of the Sultan, extended to the substitution of the Emperor of Russia's authority for his own, over a large portion of his subjects; and those demands were enforced by a threat; and when Her Majesty learnt that, on announcing the termination of his Mission, Prince Menchikoff declared that the refusal of his demands would impose upon the Imperial Government the necessity of seeking a guarantee by its own power, Her Majesty thought proper that Her Fleet should leave Malta, and, in co-operation with that of His Majesty the Emperor of the French, take up its station in the neighbourhood of the Dardanelles.

So long as the negociation bore an amicable character Her Majesty refrained from any demonstration of force. But when, in addition to the assemblage of large military forces on the frontier of Turkey, the Ambassador of Russia

intimated that serious consequences would ensue from the refusal of the Sultan to comply with unwarrantable demands, Her Majesty deemed it right, in conjunction with the Emperor of the French, to give an unquestionable proof of Her determination to support the Sovereign rights of the Sultan.

The Russian Government has maintained that the determination of the Emperor to occupy the Principalities was taken in consequence of the advance of the Fleets of England and France. But the menace of invasion of the Turkish territory was conveyed in Count Nesselrode's Note to Rechid Pacha, of the $\frac{19}{31}$ May, and re-stated in his Despatch to Baron Brunnow, of the $\frac{20\ \text{May}}{1\ \text{June}}$, which announced the determination of the Emperor of Russia to order his troops to occupy the Principalities, if the Porte did not within a week comply with the demands of Russia.

The Despatch to Her Majesty's Ambassador, at Constantinople, authorizing him in certain specified contigencies to send for the British Fleet, was dated the 31st May, and the order sent direct from England to Her Majesty's Admiral to proceed to the neighborhood of the Dardanelles, was dated the 2nd of June.

The determination to occupy the Principalities was therefore taken before the orders for the advance of the combined squadrons were given.

The Sultan's Minister was informed that unless he signed within a week, and without the change of a word, the Note proposed to the Porte by Prince Menchikoff, on the eve of his departure from Constantinople, the Principalities of Moldavia and Wallachia would be occupied by Russian Troops. The Sultan could not accede to so insulting a demand; but when the actual occupation of the Principalities took place, the Sultan did not, as he might have done in the exercise of his undoubted right, declare war, but addressed a Protest to his Allies.

Her Majesty, in conjunction with the Sovereigns of Austria, France, and Prussia, has made various attempts to meet any just demands of the Emperor of Russia, without affecting the dignity and independence of the Sultan; and had it been the sole object of Russia to obtain security for the enjoyment by the Christian subjects of the Porte of their privileges and immunities, she would have found it in the offers that have been made by the Sultan. But as that security was not offered in the shape of a special and separate stipulation with Russia, it was rejected. Twice has this offer been made by the Sultan, and recommended by the Four Powers, once by a note originally prepared at Vienna, and subsequently modified by the Porte, once by the proposal of bases of negotiation agreed upon at Constantinople on the 31st of December, and approved at Vienna on the 13th of January, as offering to the two parties the means of arriving at an understanding in a becoming and honorable manner.

It is thus manifest that a right for Russia to interfere in the ordinary relations of Turkish subjects to their Sovereign, and not the happiness of Christian communities in Turkey, was the object sought for by the Russian Government; to such a demand the Sultan would not submit, and His Highness, in self-defence, declared war upon Russia, but Her Majesty nevertheless, in conjunction with Her Allies, has not ceased her endeavours to restore peace between the contending parties.

The time has however now arrived when the advice and remonstrances of the Four Powers having proved wholly ineffectual and the military preparations of Russia becoming daily more extended, it is but too obvious that the Emperor of Russia has entered upon a course of policy which, if unchecked, must lead to the destruction of the Ottoman Empire.

In this conjuncture, Her Majesty feels called upon by regard of an Ally, the integrity and independence of whose empire have been recognized as essential to the peace of Europe, by the sympathies of Her people with right against wrong, by a desire to avert from Her dominions most injurious consequences, and to save Europe from the preponderance of a Power which has violated the faith of Treaties, and defies the opinion of the civilized world, to take up arms in conjunction with the Emperor of the French, for the defence of the Sultan.

Her Majesty is persuaded that in so acting she will have the cordial support of Her people; and that the pretext of zeal for the Christian religion will be used in vain to cover an aggression undertaken in disregard of its holy precepts, and of its pure and beneficent spirit.

Her Majesty humbly trusts that Her efforts may be successful, and that, by the blessing of Providence, peace may be re-established on safe and solid foundations.

Westminster, March 28, 1854.

DECLARATION.

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, having been compelled to take up arms in support of an Ally, is desirous of rendering the war as little onerous as possible to the Powers with whom she remains at peace.

To preserve the commerce of neutrals from all unnecessary obstruction, Her Majesty is willing, for the present, to waive a part of the belligerent rights appertaining to Her by the law of nations.

It is impossible for Her Majesty to forego the exercise of her right of seizing articles contraband of war, and of preventing neutrals from bearing the enemy's despatches, and she must maintain the right of a belligerent to prevent neutrals from breaking any effective blockade which may be established with an adequate force against the enemy's forts, harbors, or coasts.

But Her Majesty will waive the right of seizing enemy's property laden on board a neutral vessel, unless it be contraband of war.

It is not Her Majesty's intention to claim the confiscation of neutral property, not being contraband of war, found on board enemy's ships, and Her Majesty further declares, that being anxious to lessen as much as possible the evils of war, and to restrict its operations to the regularly organized forces of the country, it is not her present intention to issue letters of marque for the commissioning of privateers.

20. All letters received into any Post Office are to be carefully assorted, each description of letters, "stamped," "paid," or "unpaid," being tied in separate bundles, or to be arranged and posted in such manner as either special instructions, or the usages of the department may indicate as best for their protection from injury, or calculated to facilitate their distribution at the office for which they are destined.

Time and manner of making up Mails.

21. Mails are to be closed at every Post Office at such hours, and for such places, as the Postmaster General may direct or have directed. Such mails are to be accompanied with the Time Bills, Letter Bills, or other documents forming records of the arrival, departure, contents, postage, and other particulars of the mail, as may be deemed necessary.

Sealing and Security of Mails.

22. All mails must be well secured, and carefully sealed with a clear impression of the Office Seal, and every mail driver will be held accountable for the delivery of the mails with the seal in an uninjured state.

23. No Postmaster except the Postmaster General may open any mail not directed to his own office, or open or otherwise interfere with the mails directed to his own office until their arrival there, except for the purpose of protecting them from, or facilitating the punishment of offenders against the enactments for the security of mails and their contents. Mails in transit not allowed to be opened but by the Postmaster General.

24. When there may be letters for any Post Office situate on some other road, they are to be sent in the mail to the Post Office nearest to the junction of such other road, the postage thereon being included in the Letter Bill with those intended for distribution at that office; and when re-forwarded thence, they are to be inserted in the Letter Bill as Bye, (*vide* Rule 35,) in order that the Postmaster may be allowed credit for the same in his account, and special care must be taken in the assortment of mails immediately on their arrival, that letters so requiring to be forwarded may not be detained beyond the first dispatch after their receipt. Bye, Mis-sent, or Letters for other Post Offices. These Letters have been incorrectly termed.—Bye is the term.

25. All Letter Bills are to be duly dated and signed before dispatch, and numbered in progressive series, commencing with No. 1 on the first day of each year, and they are also to be receipted and dated immediately on arrival. Care must be taken in stating the hour of dispatch and receipt, as on these documents the Postmaster General must depend in imposing penalties on the contractors for delays in the conveyance of the mails. Letter Bills to be duly signed and numbered.

26. All Time Bills which accompany mails are to be receipted and returned by the following post. Time Bills to be returned.

27. All Letter Bills, whether received or dispatched, are to be carefully entered in a book kept for that purpose, and in case of Letter Bills being received unsigned they are to be immediately returned for signature. Letter Bills to be entered, and if received unsigned to be returned for Signature.

28. The receiving Postmaster is to be considered chargeable with the full amount of postage specified in the Letter Bill on such letters as are unpaid, and with the difference of postage due on such as are only partially prepaid, unless upon comparison with the contents of the mail he should find the same incorrect, in which case he is to give notice of the error by the next mail to the Postmaster by whom it may have been dispatched, in order that both the Letter Bill and book may be corrected. Letter Bills incorrect to be returned. Unpaid Letters.

29. Should the Letter Bill be incorrect in respect to Paid Letters, it must be returned in like manner, the dispatching Postmaster being chargeable with the postage on such letters. Letter Bills incorrect to be returned. Paid Letters.

VII.—Process of Stamping Letters.

30. Postmasters are carefully to stamp as follows letters posted at, or passing through their offices, avoiding the obliteration or obscuring of the address in so doing, viz.:— Caution in using Stamps.

1st.—With the daily Date Stamp, which in the General Post Office will be used in the face of every letter, and in all other offices, with black ink on the back. The date is to be altered each night after office hours, when an impression of the stamp is to be made in a book kept for that purpose. Date Stamp.

2nd.—Prepaid Letters with the Paid Stamp on the face in red ink. Paid Stamp.

6th.—Postmasters unprovided with stamps must substitute writing. Writing to be substituted for Stamps.

Such letters, newspapers, or other packets will then be forwarded to their destination by the first post. Mis-sent Letters how dealt with.

32. Unclaimed letters for parties not known or not to be found, are to be entered weekly on a list, which is to be exposed for view on the outside of the Post Office, and if not claimed at the expiration of thirty days thereafter, they must be returned to the General Post Office, Melbourne, to be advertised in the *Government Gazette* or public papers, and if not claimed within times specified below, they will be returned to the writers:— Unclaimed Letters to be returned to the writers.

But should it be known in what other part of the Colony (otherwise than that to which the letter or letters may be directed) the parties reside, such letters are to be immediately re-forwarded.

33. When letters, newspapers, or packets of any kind are *refused*, or the person to whom they are addressed is *deceased*, they are to be returned immediately to the General Post Office for the purpose of being sent back to the writer; and in all cases of letters returned to Melbourne, the reason of non-delivery, "*refused*," "*dead*," is to be assigned on each. Letters refused, or addressed to parties deceased to be returned to the writers.

Mis-sent Letters to be entered in the Letter Bill as Mis-sent.

34. The letters or newspapers so mis-sent must be entered in the Letter Bill under the head of Mis-sent, in order that the Postmasters may be allowed credit for the same in their accounts, and the address of every refused or undelivered registered letter so returned must be entered in full in the Letter Bill.

Bye Letters.

35. Bye Letters are those referred to in Rule 24, and have been usually mistermed Mis-sent, under which head they cannot be properly classified, as the first are correctly sent through a junction Post Office, whereas the second are understood to be incorrectly forwarded. The manner in which Bye Letters are to be dealt with, is explained in the abovementioned Rule.

No. 59.] FRIDAY, JULY 7. [1854.

ADDRESSES OF CONGRATULATION.

THE following Addresses were presented to His Excellency the Lieutenant Governor of Victoria at the Levee held on the 1st of July, 1854, to all of which His Excellency returned verbal acknowledgments:—

The Inhabitants of Williamstown.

To His Excellency Sir Charles Hotham, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

May it please your Excellency—

We, the Inhabitants of Williamstown, beg to offer to your Excellency and to Lady Hotham our hearty congratulations on your safe arrival in Victoria.

An event of so much importance to the Colony as your Excellency's appointment as the representative of our Gracious Sovereign has been hailed by us as a maritime community with peculiar satisfaction.

With every sentiment of respect to your Excellency, we beg to tender the assurance of our zealous co-operation in all those measures you may deem necessary for the general welfare of this prosperous and wealthy portion of Her Majesty's dominions.

Government Printing Office.

To His Excellency Sir Charles Hotham, *Knight Commander of the Most Noble Order of the Bath, Lieutenant Governor of the Colony of Victoria.*

May it please your Excellency—

In common with our Fellow Colonists, we, the undersigned Compositors, Pressmen, and others engaged in the Government Printing Office, approach your Excellency with sincere feelings of respect and loyalty, to congratulate you upon your safe arrival in this favored land.

In welcoming your Excellency to the shores of our adopted country, we sincerely hope that under your administration her future career will be materially advanced—that her commerce will extend, her wealth increase, and her people progress in intelligence and happiness.

We have reason to rejoice in Her Most Gracious Majesty's appointment of your Excellency as Lieutenant Governor of this Colony—one of the wealthiest of Her Majesty's possessions. We trust that your energies will ever be directed in developing its resources and capabilities in all that is conducive to its advantage and interest. Hitherto her progress has been rapid to the proud position she now occupies amongst her cotemporaries, but we feel assured that she is yet destined for higher and nobler purposes in the future history of the world's civilization and progress, and it will devolve upon your Excellency, by your wisdom and judgment, under the direction of Divine Providence, to assist in elevating her to that brilliant and powerful position.

We also hope and trust that the high and noble Art to which we as working men belong may always meet with your Excellency's approbation and patronage; and that the Press—that powerful medium for good or evil—may, while this Colony is under your administration, exercise its influence in promoting justice and truth with impartiality; disseminating principles of good order and government; fostering amongst the people sentiments of loyalty, and imbuing them with feelings of reverence and attachment to those in authority, which are so essential for the preservation of good order, and without which a country cannot be great, or a people wise and happy.

It is with feelings of no ordinary gratification that we have the honor and happiness of welcoming to these shores your Excellency's Lady. We are fully assured that the presence of Lady Hotham in this Colony will be hailed with delight by all classes of the community; and sincerely trust her virtuous example will spread that refining and elevating influence through the various ramifications of society which the gentler virtues of woman alone can diffuse.

In conclusion, it is our earnest prayer that Divine Providence will long spare your health to preside over us, that the love of justice, truth, and knowledge may increase, and that peace and concord may always exist between the people and their Ruler.

THE MAYOR, ALDERMEN, COUNCILLORS, AND CITIZENS OF THE CITY OF MELBOURNE.

To His Excellency SIR CHARLES HOTHAM, *Knight Commander of the Order of the Bath, Lieutenant Governor of the Colony of Victoria and its Dependencies.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Mayor, Aldermen, Councillors, and Citizens of the City of Melbourne, beg to approach your Excellency with our cordial congratulations on the safe arrival in the Colony of your Excellency aad Lady Hotham, and with the tender of a hearty welcome to our shores.

We take the opportunity which your Excellency's arrival affords us to renew the assurance of our loyalty and attachment to our Gracious Queen and the institutions of our native land.

Her Majesty has been pleased to invest your Excellency with the guidance and government of a Colony which, though young in years, has sprung into existence and importance with a rapidity hitherto unexampled in the history of the world, and which has already attained the proud position of being the first in value and in all the elements of material prosperity of all the Colonial possessions of the British Empire. We feel assured, from our knowledge of the important services in which your Excellency has previously been engaged, that you will justify Her Majesty's choice by your wise administration of the government of the Colony which she has honored with Her Royal name.

We assure your Excellency that, as far as it may be in our power, we will cordially co-operate with and support your Excellency in your exertions for the welfare of the community.

AMERICAN CITIZENS.

To His Excellency SIR CHARLES HOTHAM, *Lieutenant Governor of Victoria.*

The American citizens resident in the Colony of Victoria present their congratulations to you upon your safe arrival at the theatre of your magisterial duties.

Appointed as you have been by the Ruler of a most powerful nation, and one for whom we entertain every admiration; beholding, as we have, since her first accession to the Throne, her liberal and enlightened line of policy, we feel it thus incumbent upon us to renew through you the sentiments of our admiration of her virtues.

To you, Sir, Her Representative, we bear every warm and generous desire that your administration may redound to your own advancement and the prosperity of your people; that the march of Victoria under your guidance may be onward, and the fertile valleys of a favored country may teem with gladness; that she may arrive at a position that will rival her competitors; that Peace may rule triumphantly, and Plenty may be poured in the laps of her free and contented citizens.

Our hearts are with the progress of your institutions and our hands ready to unite with your people in the developing of your resources.

Desiring that you may appreciate our motives in thus waiting upon you, and with a fervent endeavour to cement the bond of fellowship that should exist between nations speaking the same language and bent upon one common end, we again offer to you the consideration due to your position and the great nation you represent.

In behalf, therefore, of the American citizens resident in Victoria, we submit this testimonial of our regard, ever praying that you may long live to enjoy the fruits of a well-directed Government.

CAVERLY VOLUNTEER FIRE COMPANY.—No. 2.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *the Second Lieutenant Governor of the Colony of Victoria, Australia.*

MAY IT PLEASE YOUR EXCELLENCY—

The Officers and Members of the Caverly Volunteer Fire Engine Company, No. 2, of the City of Melbourne, beg leave most respectfully to address you.

In doing so, it may not be deemed improper by your Excellency that we should inform you briefly of our origin as a body, and the purposes for which we exist.

In the month of March last there was no organised body of men in Melbourne, whose duty it was to attend at and extinguish fires. The City Council had at that time just become possessed of a fire engine: we, on certain conditions, offered our voluntary and gratuitous services to form and do the duty of a Fire Brigade. Our offer was accepted, and this brief statement furnishes the past and present history of our Company; the members of which are about one-half Englishmen and the residue Americans.

We would now beg to express to your Excellency our warm and hearty congratulations at your safe transit across the oceans and landing of yourself and Lady in Melbourne.

We also congratulate your Excellency at having arrived to take command and control, as Her Majesty's Representative, of this Colony—the last but brightest gem in Her Colonial diadem. At the same time we heartily congratulate ourselves that Her Majesty has sent to us as Her Representative and our Ruler so able, skilful, and gallant a representative as Sir Charles Hotham.

To you, Sir, on behalf of Her Majesty, we tender our fealty; to you personally, all the generous feelings of our hearts; and while we assure you that we stand ready to cheerfully obey and submit to all lawful rule and authority, we also sincerely hope that your rule in Victoria may be long and lasting; that it may be marked by all the success, tranquillity, and happiness that yourself, the inhabitants, or the parent country could desire; and that yourself and Lady may long remain amongst us in health and happiness.

We remain, with profound esteem,

Your Excellency's most obedient servants.

THE LETTER-PRESS PRINTERS.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria, &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Letter-Press Printers of Melbourne, respectfully offer our congratulations on your Excellency's arrival in Victoria.

It is fortunate for communities when legal power is bestowed where natural influence and ascendency already exist; we, therefore, under the auspices of your Excellency's government, confidently anticipate a rapid and healthy development of the resources of the Colony, and an energetic encouragement of all measures tending to promote the moral and social welfare of its population.

We gladly accept the happy omen contained in your Excellency's motto, "Lead on;" and venture to assert that in the new era your Excellency will find no sincerer supporters of the principles of Civil and Religious liberty—no warmer friends of the cause of Universal Education—no stauncher adherents to the interests of the Colony—than those who will ever feel proud to follow your Excellency in the paths of Justice and Freedom—

The Letter-Press Printers of Melbourne.

BISHOP AND CLERGY OF THE UNITED CHURCH OF ENGLAND AND IRELAND.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

We, the Bishop and Clergy of the United Church of England and Ireland, in the Diocese of Melbourne, beg to offer our congratulations to your Excellency on your safe arrival, and that of Lady Hotham, in this Colony, and in doing so to express our deep and unalterable attachment to Her Majesty the Queen, and the pleasure with which we receive the Governor whom she has sent to us.

Possessed of no peculiar external advantages, we have nothing to offer to the Representative of our Sovereign but our cordial welcome and sincere homage; desiring no exclusive privileges, we have nothing to ask but that reasonable consideration which we have no doubt the Church will receive from Your Excellency, and we feel strong confidence that pure religion and sound morals will always be supported by your example and influence. Without the last, a commonwealth is confessedly hurrying to destruction: without the first, morality is but the creature of man's perverted will, an empty name, neither possessing the power to assert her own rights, or to yield support in trial, or consolation in adversity.

Your Excellency will find the Church here in her infancy, vainly endeavouring to meet the demands of the multitudes who have suddenly grown up around her; but you will find her, we trust, witnessing for those same truths which have raised England to her present position among the nations, and which are infinitely more precious, as bringing pardon to the lost sinner and making man acquainted with his God.

In the prayer that God may long spare your Excellency and Lady Hotham to preside over us, and may give you His word as your guide in life, and your rejoicing throughout eternity, we have the honor to subscribe ourselves,

Your Excellency's faithful and obedient servants.

THE CATHOLIC BISHOP, CLERGY, AND LAITY OF VICTORIA.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *&c., &c., &c., Lieutenant Governor of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

With feelings of loyalty towards our Gracious Sovereign, we welcome your Excellency's advent as the Representative of Her Majesty in the Government of Victoria.

We congratulate your Excellency on the almost unprecedented advantages with which you are enabled to commence the arduous duties of your high and responsible office. The resources of the country are unexampled; religious equality is the principle of its constitution, and education under the guidance of religion—that indispensible power of directing so much prosperity to the social and national good—is in progressive and successful operation.

With such a basis for Government, your Excellency cannot fail to unite the industrial energies of the community in developing the natural resources, nor to ensure to yourself the co-operation of all classes of it in consolidating good order with the prosperity of Victoria.

Accept the faithful assurances of our earnest desire to aid your Excellency in securing these great blessings for our adopted country.

THE JUDGES AND OFFICERS OF THE SUPREME COURT OF THE COLONY OF VICTORIA.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria and its Dependencies.*

We, the Judges and Officers of the Supreme Court of the Colony of Victoria, beg to be allowed to present to you our respectful congratulations on your arrival in this country, and to assure you of the reverence we entertain for the person and authority of our Most Gracious Sovereign, and of the deference we owe to you as her representative.

In the discharge of the duties committed to us, on which depend the peace and good order of society, and the free enjoyment of civil rights, we rely with an assured confidence on the support of Your Excellency.

It is our hope and belief that, under your Government, the people of the Colony of Victoria may enjoy the advantages of having the law administered with firmness and vigor; the ancient landmarks of civil and religious liberty preserved; the rights of property maintained, and the severity of the criminal code tempered by a judicious exercise of the high prerogative of mercy.

THE WELSH COLONISTS.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

We, the decendants of the Ancient Britons, desire to approach your Excellency on your auspicious arrival in this Colony, with sentiments of profound respect and expressions of fervent attachment to the illustrious person of Her Gracious Majesty the Queen, and of the unabated loyalty of the Welch residents of Melbourne and its vicinity to the British Crown.

We humbly desire gratefully to acknowledge that benign and special Providence which hath preserved and directed your Excellency, with your distinguished Lady, amid the perils of the trackless seas, and do most heartily hail your Excellency's presence in this distant land of our adoption.

We may humbly venture to remind your Excellency that our national history, though comparatively forming but a small section of the British Empire, is signalized for undeviating loyalty to the British Sovereign; and we tender our continued services, on this joyous occasion, for the maintenance of Colonial law, social order, civil and religious liberty. We sincerely pray that your Excellency's Government of this new and rising Colony may be marked by a supreme desire to promote its commercial, social, political, and religious prosperity. May your Excellency's legislative wisdom and efficiency in this important Colony be equal to your naval skill and success, and that your administration may prove a lasting benefit to the advancing Colony of Victoria.

Our fervent prayer to Almighty God, who ruleth among the princes of the earth, is, that your Excellency's valuable life may long be spared, coupled with the life of your distinguished Lady, that your Excellency may possess the affections and willing co-operation of the People, that you may find an invulnerable asylum in the strength of that attachment which we ever desire to cherish towards our beloved and Gracious Queen, whom your Excellency has the distinguished honor to represent in the Colony of Victoria.

We say to your Excellency with Welsh and loyal hearts, GOD SAVE THE QUEEN!

ROWE'S AMERICAN EQUESTRIAN TROUPE.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

In the absence of my husband, Mr. Joseph A. Rowe, the proprietor of Rowe's American Equestrian Troupe and Establishment, and on behalf of his Company, I beg most respectfully to address your Excellency.

Having had the honor of appearing in the procession which greeted you on your debarkation, permit me for myself and company to congratulate you on the safe arrival of yourself and lady in Melbourne—on the enthusiastic manner in which you were received—on your appointment by Her Majesty to the dignified and honorable station of her representative in this Colony—on the high anticipations which exist of happiness and prosperity under your rule—and to express the heartfelt wish that the brightest hopes of your Sovereign, yourself, and the people may all be fully realized.

'Tis true, Sir, that we are not subjects of the Crown of Great Britain, yet a sojourn of from two to three years in this City has, I hope, shewn that we respect (as I trust your Excellency will always find we shall do), venerate, and cheerfully obey the laws and institutions of the land we live in, and are practical lovers of law and order and of those who rule over us.

Wishing that yourself and Lady may long enjoy uninterrupted health and happiness,

I have the honor to be

Your Excellency's most obedient servant,

ELIZA ROWE.

MAY IT PLEASE YOUR EXCELLENCY—

It is with feelings of the greatest respect, we, the undersigned Representatives of Foreign Countries present to your Excellency our sincere congratulations on your Excellency's arrival on our shores to take the reins of Government, believing that all classes of the community will heartily unite in celebrating this most auspicious event.

We cannot but lament that circumstances of a very serious character should have occurred to disturb the peace of Europe, but at the same time we trust that the able and enlightened Statesmen forming the various European Cabinets interested in the Eastern Question will be successful in the manifest efforts they have been, and now are making, to restore that feeling of unity, peace, and concord, which has existed between the nations of Europe for so many years; it is therefore with greater hope and confidence that we hail your Excellency's arrival here, where the inhabitants desire to reap the reward of their enterprise and industry in peace and happiness, guarded by institutions which it is hoped will promote the welfare of the community at large.

Your Excellency may rely upon our co-operation, and such humble assistance as we can render, in any emergency that may arise (having due regard to the interests we are bound to protect); and we shall at all times gladly avail ourselves, in our official capacity, of your Excellency's advice in any matter requiring the concurrence, sanction, or aid of your Excellency's Executive.

May it please your Excellency to accept our best wishes for the health and happiness of Lady Hotham and yourself during your residence among us, which we trust may be of prolonged duration; and we earnestly desire that your Excellency may have the satisfaction of witnessing, under the blessings of a beneficent Providence, that universal prosperity which the successful administration of your Government will diffuse, by the advancement of Religion, and the temporal happiness and well-being of this wonderful country.

We have the honor to subscribe ourselves,

Your Excellency's most humble and obedient servants.

THE INHABITANTS OF THE TOWN AND DISTRICT OF BELFAST, PORT FAIRY.

To Admiral SIR CHARLES HOTHAM, *Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

Upon your arrival at the seat of your future Government, we, the Inhabitants of the Town and District of Belfast, Port Fairy, desire to offer you our congratulations upon the safe arrival of yourself and Lady Hotham, and to assure you of our respect for the office you hold, as Her Majesty's representative, with a conviction that this respect will be increased by your personal skill, in administering the Government of the Colony. Although removed by distance from your immediate notice, we beg to convey to you an assurance of our loyalty, and a firm resolve to do all in our power to render your task an easy and a gracious one.

We have the honor to subscribe ourselves,

Your Excellency's obedient servants.

THE MAYOR AND TOWN COUNCIL OF THE TOWN OF GEELONG.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria and its Dependencies.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Mayor, Aldermen, and Councillors of the Town of Geelong, beg respectfully to hail with welcome your Excellency's arrival, and to avail ourselves of this opportunity to present our heartfelt congratulations on your appointment as Lieutenant Governor of Victoria, and to express through you our loyalty and affection to our most gracious and beloved Sovereign the Queen.

The high honor which Her Majesty has been graciously pleased to confer upon your Excellency, in selecting you as Her Representative, augurs well for the advancement and stability of this young and flourishing Colony. And we beg to assure your Excellency that we shall at all times cheerfully co-operate and promote, as far as lies in our power, all measures which may tend to advance the social, moral, and religious interests of the community at large, as well as of the Town which we have the honor to represent.

Trusting that this expression of our sentiments may not be unacceptable to your Excellency, we respectfully offer to you our warmest wishes that you may long enjoy the approbation and confidence which has been reposed in you by our most gracious Sovereign Queen Victoria, and that your name may be associated, in the records of future historians, with the lustre and greatness of this, the most wealthy and flourishing of British Colonies.

THE INHABITANTS OF EMERALD HILL.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Local Committee deputed by the Inhabitants of Emerald Hill, South Melbourne, have the honor of waiting upon your Excellency with an Address congratulatory on the safe arrival of yourself and your Honorable Lady in this distant dependency of the British Crown.

We beg leave respectfully and heartily to express the pleasure which this much wished for event has given to ourselves and those whom we represent.

We pray that the blessing of God, "in whose hands are the hearts of all men," may rest upon your Excellency, especially in the discharge of the arduous duties to which you are called as the representative of Her Majesty our beloved Queen.

We would also be allowed to express our belief that although this rising Colony is peopled by every nation under Heaven, there is infused throughout it so much loyalty and so great love for law and order, that a Briton possessing the high character for independence and decision of mind which we are prepared to honor in your Excellency, will find the cares of good government greatly alleviated by witnessing the general happiness and prosperity in which it will result.

We have the honor to subscribe ourselves

Your Excellency's most obedient humble servants.

MELBOURNE CHAMBER OF COMMERCE.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the undersigned members of the Chamber of Commerce, Melbourne, desire to welcome your Excellency and Lady Hotham on your arrival in the Colony of Victoria.

We congratulate your Excellency that from your acknowledged talents and reputation you have been selected by Her Majesty to govern this, the most prosperous and wealthy Colony belonging to the British Crown.

We have always held sacred the ties which connect us with our parent land, and with the Ruler of her destinies, and we congratulate ourselves that it has pleased Her Majesty to bestow on one of the distinguished Officers of Her Navy this high command, more especially in these stirring times, when this distant continent may stand in need of greater naval protection than has hitherto been afforded it.

We venture to hope that your Excellency will not be disappointed in the affection of the Colonists to their Rulers, when mutual confidence exists; and we can assure your Excellency that nothing shall be wanting on our part to produce this strength of union between us.

We are resident in a land favored under Providence beyond any country of which history bears record, and your Excellency may rest assured that we are not undmindful of this blessing, and that we shall not be forgetful of the duties and responsibilities thereby imposed upon us.

Our Address to your Excellency would, under ordinary circumstances, have terminated here; but we cannot conclude without urging your Excellency's early attention to the present and growing

wants of this Colony. Hitherto it has been almost impracticable to meet even the requirements of our metropolis, in proof of which we need only at present instance the inadequacy of our harbor accommodation, and our means of communication with the great population of the interior.

We defer, however, enlarging on these two questions of national importance, and trust that your Excellency will attribute our having mentioned them to the extreme necessity for their improvement, and to the interest which we feel in the advancement of the Colony.

That your Excellency's rule may be honorable to yourself and conducive to the best interests of this Colony, is the prayer of

Your Excellency's most obedient and humble servants.

GRAND UNITED ORDER OF ODD FELLOWS.

Address of the Members of the Grand United Order of Odd Fellows to His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

It was with great pleasure we hailed your arrival on these shores as one to whom is deputed the power of ruling over us; may your name adorn the pages of Victoria's future history as a wise Ruler over a happy and prosperous people.

We hail you as the herald of that Constitution which we trust may prove the Magna Charta of Victoria.

We, as a body, are joined together for the purpose of assisting those of our Members who may be afflicted with sickness or distress, and affording the only consolation to the surviving relatives of those who may be removed by death that it is possible for man to bestow; and as it is necessary for the government of all bodies that good order be strictly maintained, we trust ever to be found in the ranks of those willing to assist them who are destined to rule over us in maintaining order for the good of all.

We are deputed by the Members of our body to tender for your Excellency's acceptance the Mottos of our Order, as a tribute of respect to the important office you are called upon to fulfil, with confidence that we as a body shall be found true to its Mottos, and may you long continue to rule over the land of our adoption, like our Queen, in the hearts of her people.

ELANDER HEATH,
District Master, on behalf of the Body.

UNIVERSITY OF MELBOURNE.

To His Excellency SIR CHARLES HOTHAM, *Knight Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Chancellor, Vice-Chancellor, and Council of the University of Melbourne, offer to you our congratulations on your arrival at the seat of your government.

We beg leave to assure you of our loyal feelings of reverence for Her Most Gracious Majesty, of attachment to the free institutions of the Parent State, of respect for the authority with which you have been invested, and of our anxious desire that, under your favoring influence, the cause of learning, art, and science may receive a generous impulse in this country, and the Institution which we represent may succeed in diffusing throughout this community the inestimable benefits of an enlightened mental culture.

On behalf of the Council,
REDMOND BARRY,
Chancellor of the University.

MANCHESTER UNITY OF ODD FELLOWS.

To His Excellency SIR CHARLES HOTHAM, *Knight Commander of the Most Honorable Order of the Bath, Lieutenant Governor of the Colony of Victoria and its Dependencies, &c., &c.*

We, the administrative body within this portion of Her Most Gracious Majesty's dominions, of the Manchester Unity of Odd Fellows, representing a large and influential number of Her Majesty's subjects, united together for the purposes of benevolence and charity, beg leave, upon the occasion of your Excellency coming amongst us as Her Majesty's Representative, to approach your Excellency with the assurance of devoted loyalty (which, indeed, is our first rule of conduct), and of our unswerving fidelity to the institutions of the Empire.

Joined together to relieve the sufferings amongst our fraternity, to assist the feeble, to succour the distressed, and to support the widow and the orphan, we do not usually take part in matters of public polity, but at the present time, when your Excellency arrives amongst us at the beginning of a contest, whereof no man can see the end, we consider it behoves us, as leal subjects, to take this opportunity, through your Excellency, of tendering to our Most Gracious Sovereign this assurance of our hearty attachment to Her person and family, of our sincere love of our Fatherland, and our determined resolution to support it against all foes.

We congratulate your Excellency upon your arrival at a time when the first difficulties of colonization having been overcome, our adopted country proffers rapidly to become one of the most important and prosperous.

We trust that your Excellency may be spared to witness, for many years, our continued progress, and that, by the energy and decision of character which has hitherto marked your Excellency's career, your Excellency may be enabled, under the blessing of Providence, to promote the improvement of our social condition, the advancement of our material prosperity, and the development of the boundless resources of Victoria.

THE PRESIDENT AND MEMBERS OF THE VICTORIA MEDICAL ASSOCIATION.

To His Excellency SIR CHARLES HOTHAM, *Knight Commander of the Bath, Lieutenant Governor of the Colony of Victoria, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the President and Members of the Victoria Medical Association beg to offer our sincere congratulations upon the safe arrival of your Excellency in this Colony.

The high reputation which your Excellency enjoys animates us with the liveliest hopes that the general interests of the Colony will flourish under your administration, while the presence of your accomplished Lady will, we doubt not, elevate and preserve the tone of society.

We beg, for ourselves and on behalf of the profession to which we belong, to tender our most respectful homage to your Excellency, and wish you every happiness during the period in which, as Viceroy, you may direct and govern the affairs of this important portion of Her Majesty's dominions.

THE MAGISTRATES OF THE COLONY OF VICTORIA.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria and its Dependences, &c., &c., &c.*

We, Magistrates of the Territory and of the City of Melbourne, in the Colony of Victoria, desire to congratulate your Excellency on your safe arrival to discharge amongst us the important functions of Her Majesty's Representative.

We do not doubt that the advisers of Her Majesty have weighed well the heavy responsibility which will devolve upon the Governor of a Province which has so suddenly developed its resources, and calls for such ability in the administration of its affairs, and we tender to your Excellency our hearty and loyal support in executing Justice and maintaining the Law.

We believe that the same spirit will be manifested towards your Excellency in every part of the Colony, and we cannot but augur a prosperous era under an administration so auspiciously commenced.

THE MEMBERS OF THE BRITISH AMERICAN ASSOCIATION, ESTABLISHED FOR THE PROMOTION OF OBJECTS OF BENEVOLENCE.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Residents in the Colony of Victoria from the British North American Provinces, members of the above-named association, desire to approach your Excellency, the vice-regal representative of this important British dependency, to offer our warmest assurance of devotion and loyalty to the person and crown of Her Most Gracious Majesty Queen Victoria.

We desire likewise to present to your Excellency our cordial congratulations on your safe arrival at the seat of the government over which you have been appointed to preside, and to express our fervent hope that you may be enabled to carry out the beneficent wishes of Our Gracious Queen for the furtherance of and welfare of both Colony and people.

We look forward with confidence that your Excellency will facilitate and encourage the many natural, mineral, agricultural, and commercial resources of this valuable Colony, whose destiny so much depends on the legislative and administrative powers brought into action.

The position which the Mother Country has ever occupied in the van of civilization, and that which she is at the present period called upon to fill, in defending and maintaining civil and religious liberty against the absolute despotism of Russia, demands our warmest sympathy, and, at the same time, avowal of our determination to aid your Excellency in carrying out such measures as may be necessary for the protection of this Colony.

That the Almighty Giver of all good gifts may bless you and the honored Lady nearest and dearest to you with health and happiness, and crown with success you efforts for good government, is the fervent hope, in behalf of the Members of the British American Association, of

Your Excellency's humble and obedient servant,

ANDREW T. KIRBY,

Melbourne, June, 1854. President, British American Association.

VICTORIA LIQUOR LAW LEAGUE.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Executive Council of the Victoria Liquor Law League, congratulate your Excellency on your safe arrival amongst us at a time when wisdom, energy and ability are required on the part of those into whose care Her Most Gracious Majesty has entrusted the administration of this great Colony.

Whilst we believe it to be our duty as Christians to return thanks to Almighty God for your Excellency's arrival amongst us in good health, we also feel that it becomes us as Colonists of Victoria, to approach your Excellency with sentiments of unswerving loyalty to Her Most Gracious Majesty the Queen, and of dutiful respect to your Excellency, as Her Majesty's Representative.

We would apprise your Excellency that we represent a considerable number of the Colonists of Victoria, who, being profoundly impressed with a sense of the manifold evils arising from intemperance in this Colony, have formed themselves into a League for the purpose of obtaining by Constitutional means a Legislative enactment for the entire suppression of the traffic in intoxicating drinks, except for medicinal and manufacturing purposes.

We beg to offer to your Excellency our united testimony, based upon close and extensive observation, to the following facts:—

Firstly,—That the consumption of intoxicating liquors in this Colony is enormous, and, in proportion to the population far exceeds the quantity consumed in any other portion of the British dominions.

Secondly,—That as a necessary consequence the vice of intemperance prevails to a fearful extent, one out of every ten of the Colonists being convicted annually of the crime of drunkenness.

Thirdly,—That intemperance has been rapidly increasing within the last few years, and is still extending, despite all the efforts made to check it.

Fourthly,—That the highest legal authority in Victoria, Chief Justice SIR WILLIAM A'BECKETT, in a letter which he addressed to the editor of the *Atlas* some months ago, has pronounced it as his decided opinion, after several years experience on the Judicial Bench, that nine-tenths of the crimes which came under his observation in this Colony arose directly or indirectly from intemperance.

Fifthly,—That in consequence of the fearful prevalence of crime in the Colony, induced mainly by intemperance, the sums voted by the Legislative Council for our criminal and judicial establishments for the present year considerably exceed One Million Sterling, which amounts to an individual taxation of Four Pounds, an expenditure which we believe to be much larger than that required to meet the entire Governmental expenses of the United States of America, and more than one-third of that levied by the Home Government for a similar purpose.

Sixthly,—That Intemperance is almost the sole cause of all the distress, destitution, and child desertion; and the direct cause of the major part of the cases of lunacy and suicide that occur in the Colony, as evidenced by the Benevolent and Lunatic Asylum Reports, and by the Statistics of the City and District Coroners.

Seventhly,—That the expenditure of the resources of the community upon intoxicating beverages, amounting last year to a sum of five millions and a half sterling, is in the highest degree wasteful and injurious, shewing as it undoubtedly does an outlay of twenty-two pounds by every man, woman, and child in Victoria, in procuring six and a half gallons of spirits, two and a half of wine, and five of ale,—an individual average consumption of ardent spirits eight times larger than that of England, and three times greater than the quantity consumed in any other part of the world.

Eighthly,—That whilst so large a sum of money was expended in intoxicating drinks during the last year, the entire amount invested in the purchase of Crown Lands did not reach one million and a half sterling—about six pounds to each individual—less than one-third of the amount spent in intoxicating liquors; a fact which should not be overlooked by those to whom Her Majesty has entrusted the welfare and advancement of the Colony.

Ninthly,—That the prevalent intemperance presents an almost insuperable barrier to the moral and religious progress of the community.

Tenthly,—That the testimony of many competent witnesses who were examined some months ago by the Select Committee appointed to take the subject of intemperance into consideration, and from statistics gleaned from Parliamentary documents published at home, it is evident the multiplication of public houses tends directly to the extension of crime.

Eleventhly,—That intemperance is fostered by the present Licensing Law, and especially by the present constitution of the Licensing Bench, certain members of which are well known to have a large capital invested in licensed houses, and thus have a direct pecuniary interest in the extension of the traffic in intoxicating drinks.

Twelfthly,—That all experience proves that the only effectual means of banishing intemperance from a country is the legal prohibition of the traffic in intoxicating drinks; a course which has been successfully adopted in several of the United States of America and in the British Province of New Brunswick.

Thirteenthly,—That while we, as Members of the Victoria Liquor Law League, cannot rest satisfied with anything short of a prohibitory law against the importation and sale of intoxicating drinks, yet in the meantime we should gladly receive at the hands of your Excellency and the Legislative Council such an instalment as that recommended by the Select Committee on Intemperance, viz., the prohibition of ardent spirits, believing that the passing of such a law would be fraught with incalculable benefit to every member of the community.

We respectfully submit the foregoing facts to your Excellency's earnest attention, involving as they do a question of vital interest to the entire community, and humbly express the hope that the great object contemplated by the Association which your Memorialists have the honor to represent, will at all times command from your Excellency the most favorable consideration.

May it please your Excellency,

We have the honor to be,

Your Excellency's obedient servants.

THE JEWISH CITIZENS OF MELBOURNE.

To SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the undersigned members of the Jewish Faith, for ourselves as well as on behalf of the Israelites of the City of Melbourne, in public meeting assembled, have the honor to assure your Excellency of our loyalty and attachment to Her Most Gracious Majesty's Person and Crown, and respectfully to offer to your Excellency our congratulations on your safe arrival amongst us and assumption of the Government of this Colony.

The high character for wisdom, promptitude, and vigour of administration, and the eminent position held by your Excellency as a statesman, affords us the pleasing assurance that the vast resources of this magnificent country will be at length fully developed.

Blessed by a bountiful Providence with a genial climate, a fertile soil, and mineral wealth unbounded, we need but a master mind to unite these elements of material prosperity and we shall soon expand into a great nation, prosperous, virtuous and happy.

Permit us to assure your Excellency of our appreciation of Her Most Gracious Majesty's choice of a Representative, and we cordially bid you welcome to this Colony honored by Her Royal Name.

Before your Excellency lies a vast field for the exercise of your wisdom and benevolence as a statesman and philanthropist.

The evils existing in our social system will soon manifest themselves to your Excellency, as well as the capabilities that a bountiful Providence has so liberally bestowed upon us, and we feel that we may felicitate ourselves upon the dawn of a new era for this country.

The prosecution of our internal improvements and the consolidation of our social system form objects every way worthy of your Excellency's talents and character.

On this auspicious occasion we will not mar the harmony of the day's proceedings by adverting to any grievance of which we, as Israelites, may have to complain,—but we will, if necessary, at some future period, submit them for your Excellency's consideration.

In conclusion we beg most respectfully to subscribe ourselves on behalf of the Jewish citizens of Melbourne,

Your Excellency's most obedient humble servants.

ANCIENT INDEPENDENT ORDER OF ODD FELLOWS.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of the Colony of Victoria, &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Grand Master, Grand Directors, Officers, and Members of the Ancient Independent Order of Odd Fellows, beg to approach your Excellency with our hearty congratulations upon your high and important appointment as Lieutenant Governor of one of the richest and most rising Colonies of Her Majesty's dominions.

We beg at the same time, as a body of loyal subjects, to express our sentiments and fond attachment to Her Majesty the Queen, and heartily welcome your Excellency to the shores of Victoria; and as the Representative of our much beloved Sovereign, we shall ever feel devoutly attached to your Excellency, and hail your arrival as the commencement of a new and momentous epoch in the history of this, though infantine, yet of late most important Colony.

We fervently pray that Almighty God may prosper your Excellency's endeavours, in order that mutual confidence may be still more firmly established, and entire satisfaction be the result of your Excellency's administration.

Trusting that the same all-wise Providence who has so long smiled upon this happy Colony will continue to favor its operations under the direction and government of your Excellency, and which we earnestly hope and trust will prove a happy and lengthened one.

In behalf of the Ancient Order of Odd Fellows, we subscribe ourselves,

Your Excellency's devoted and attached servants.

THE ANCIENT SOCIETY OF FREE AND ACCEPTED MASONS.

To His Excellency Lieutenant Governor SIR CHARLES HOTHAM, R.N., K.C.B.

MAY IT PLEASE YOUR EXCELLENCY—

We, the undersigned Members of the Ancient and Honorable Society of Free and Accepted Masons, on behalf of ourselves and the very large and influential body of brethren in the Colony of Victoria, desire to express to you, as the Representative of Her Most Gracious Majesty Queen Victoria, our feelings of loyalty, respect and attachment, to Her Majesty's person and Government, and our confidence that in making choice of your Excellency as the officer to whom we are to look for the administration of the Government of this Colony, Her selection will be found to have been based on the solid foundation of sound judgment, ability and worth.

We had not the honor to number your predecessor in our ranks, and we do not know whether we have the good fortune to count your Excellency among those who range under our banners. His Excellency Lieutenant Governor La Trobe, however, was pleased on several occasions to express himself very favorably disposed towards our body, and has more than once honored us by his presence at such festivities as may be partaken by those who are strangers to our Order.

We venture to express our hope, that as we yield to none in our loyalty, we may look forward with confident expectation to being honored in like manner by your Excellency's support and countenance.

In the name of ourselves and our brethren, we bid your Excellency welcome to the shores of Victoria, and pray the Great Creator and Architect of the universe to grant you a full measure of the blessing of bodily health, and to endow you with such a competency of His Divine wisdom as shall best conduce to enable you to carry on the Government of the Colony, as well to His honor as to the welfare of its inhabitants.

We have the honor to be, Sir, with the utmost respect and fidelity,

Your Excellency's most obedient humble servants.

MINISTERS OF THE WESLEYAN CHURCH.

To His Excellency SIR CHARLES HOTHAM, *Knight Commander of the Most Honorable Order of the Bath, Lieutenant Governor of the Colony of Victoria and its Dependencies, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Ministers of the Wesleyan Church in the Colony of Victoria, gladly embrace the opportunity now afforded of renewing our earnest professions of affectionate and loyal attachment to Her Most Gracious Majesty, our beloved Queen, and to the Constitution and Government under which we live.

We beg to assure your Excellency that we unite with all classes of Her Majesty's subjects in this Colony in giving to your Excellency the most cordial and hearty welcome.

Our thanksgivings are devoutly offered to Almighty God for His preservation of your Excellency and Lady Hotham during your voyage, and we fervently pray that He, who is the Supreme Governor among the nations, may vouchsafe to your Excellency a peaceful, prosperous, and honorable administration of the affairs of this great and increasingly important country.

As Ministers of the Gospel, in the connexion established by the late Reverend John Wesley, we are solemnly bound to keep aloof from all party politics and merely secular disputes. Firmly persuaded, however, that the closest connexion subsists between the spread of Scriptural truth and the permanent prosperity of a people, we regard it as an important part of our duty diligently to inculcate among the people of our charge those principles which, when deeply rooted in the minds and consciences of men, constitute the best possible security for subjection to lawful authority, the preservation of peace and good order, and the promotion of the public weal.

We beg to assure your Excellency that, with one heart and voice, we unite to make mention of you in our prayers. May the Giver of all good bless your Excellency and Lady Hotham with many and happy days, direct all your Excellency's councils and proceedings, sustain and defend your Excellency in every emergency, and finally, after this life, grant unto your Excellency and Lady Hotham "everlasting joy and felicity through Jesus Christ our Lord."

For the Ministers of the Wesleyan Church throughout Victoria, and in their name,

WILLIAM BUTTERS,
Chairman of the Victoria District.

IMMIGRANTS' AID SOCIETY.

To His Excellency ADMIRAL SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of Victoria.*

SIR,

We, the Members of the General Committee of the Immigrants' Aid Society, respectfully desire, on behalf of the important institution with which we have the honor to be officially connected, to present to your Excellency our most hearty congratulations on your safe arrival in Melbourne as the Representative of our Most Gracious and beloved Sovereign Queen Victoria, and on the commencement of your government in one of Her Majesty's most distant and recently formed, but already, most wealthy and important Colonies.

The discovery of the Gold Fields of this Colony, occasioned, as your Excellency is already aware, a great influx of people from the United Kingdom and from many other portions of the globe. The destitute, sick, inexperienced, and helpless condition in which very many of these were found to be on their arrival, presented to the community in general a very urgent demand for the institution of a Society which would be the means of supplying them with useful information and faithful counsel, with shelter, medical advice, and pecuniary relief. The Immigrants' Aid Society was accordingly formed about twelve months since. Immediately after its formation, upwards of eight thousand pounds were raised by voluntary contribution, by means of which, and liberal aid more recently supplied by the Government, several thousand cases of distress, some of them of the most pitiful and deserving, yet most helpless character, have been relieved. We are sensible that our sphere of operation is humble, yet we feel confident it is one which your Excellency will be pleased to countenance. The tide of immigration under your Excellency's administration will, we are persuaded, flow with increasing force. The demand, therefore, for the labors of this Society, and of kindred institutions, must continue; and it will ever be deemed a duty by the Committee of the Immigrants' Aid Society to furnish your Excellency with accounts of our proceedings; and at the same time, it will always be to us a source of special gratification to merit your Excellency's approbation and support.

With most sincere and earnest desires for your Excellency's good health, and entire success in the government of the Colony,

We have the honor to be,
Your Excellency's very humble and obedient servants.

THE PRESIDENT, VICE-PRESIDENT, AND COMMITTEE OF MANAGEMENT OF THE MELBOURNE MECHANICS' INSTITUTION AND SCHOOL OF ARTS.

To His Excellency SIR CHARLES HOTHAM, K.C.B., *Lieutenant Governor of Victoria.*

SIR,

We desire to unite with our Fellow Colonists in hailing your Excellency's arrival as the Governor of this portion of Her Majesty's dominions.

We feel assured, from the choice of Her Majesty, as well as from the distinguished name which your Excellency has acquired, that the rapid progress of this rising community will be steadily maintained and wisely directed under your Excellency's administration.

And whilst gratified at the prospects of our general interests under your Excellency's guidance, we also confidently hope that the cause of Literature and Science in the Colony will receive the patronage and support of your Excellency.

Emboldened by the cordial good-will and assistance of your Excellency's predecessor, the late Lieutenant Governor of Victoria, we beg to solicit that your Excellency will allow yourself to be nominated, in place of Mr. La Trobe, Patron of this Institution, which has for so many years stood alone in the Colony as the Representative of Literature and Science; and we trust that under your Excellency's patronage we may see the Institution not only maintain its position, but advance commensurately with the growing importance of the Colony.

ADDRESSES OF CONGRATULATION.

THE following additional Addresses of Congratulation have been presented to His Excellency the Lieutenant Governor of Victoria.

Synod of Victoria.

To His Excellency Sir Charles Hotham, K.C.B., *Lieutenant Governor of the Colony of Victoria.*

May it please your Excellency,—

We, the Ministers and Elders of the Synod of Victoria in Synod assembled, embrace the opportunity afforded us by our meeting on the present occasion to offer to your Excellency our respectful congratulations on your safe arrival in the Colony, and your accession to the office of its Lieutenant Governor; and at the same time to convey to your Excellency the expression of that sincere respect which we feel to be due to you as the Representative of our Most Gracious Sovereign.

We sincerely pray for your happiness and that of your family circle; and that, as God in His providence has entrusted you with the Government of this important part of the British Empire, He may direct and prosper your measures.

We shall always account it not only our duty but our privilege to use our utmost influence for the promotion of loyalty and good order, and thus to aid your efforts for the best interests of the Colony.

We have the honor to be,

May it please your Excellency,

Your Excellency's obedient servants.

Signed in the presence, in the name and by command of the Synod of Victoria, at Melbourne, this sixth day of July, MDCCCLIV.

PETER GUNN,
Moderator.

Synod of the Free Presbyterian Church of Victoria.

To His Excellency Sir Charles Hotham, *Knight Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Colony of Victoria.*

The Address of the Members, Ministers, and Elders of the Synod of the Free Presbyterian Church of Victoria.

May it please your Excellency—

We embrace the earliest opportunity most respectfully with others, the loyal subjects of Her Majesty in this Colony, to crave the honor of being permitted to congratulate your Excellency on your arrival in this City, to assume the high office of administering the important affairs of the Colony's Government.

We rejoice to recognize and to revere in your Excellency's person and office in this distant land the Representative of our honored Sovereign Queen Victoria, and we count it privilege to make profession, as we do in hearty sincerity, of loyalty to Her Majesty's throne, and of submission to Her government, giving thanks to God for the many benefits enjoyed by us, as Her Majesty's subjects, under her Reign.

We beg leave most respectfully to offer to your Excellency our humble assurance that in discharge of our spiritual duties as Ministers of the Gospel of Christ in the Free Presbyterian Church in this Colony, it is our earnest desire to cultivate among the congregations under our pastoral care the same spirit of loyalty and submission to the British Throne and Government which we ourselves personally cherish as we find it enjoined upon us in His word who is King of Kings and Lord of Lords.

Our prayer is that it may please Almighty God greatly to bless and prosper your Excellency's administration of this Colony's Government: that your Excellency may enjoy much comfort and happiness under its many cares: that you may enjoy the privilege of seeing its increasing population guided onward to increased prosperity: and that as "righteousness exalteth a nation," and "sin is a reproach to any people," your Excellency's Government may be greatly distinguished by its being "a terror to evil-doers" and "for the praise of them that do well;" and that by the blessing of him by whom "kings reign and princes decree justice," the stability, prosperity and advancement of all the interests of this Colony, under your Excellency's administration of its Government, in all its affairs may be greatly confirmed.

Agreed upon by the Synod of the Free Presbyterian Church of Victoria, at Melbourne, this fifth day of July, eighteen hundred and fifty-four years, and appointed to be signed in their name by

ADAM CAIRNS,
Moderator.

THE INHABITANTS OF THE TOWN AND DISTRICT OF WARRNAMBOOL.

To His Excellency Admiral SIR CHARLES HOTHAM, *Lieutenant Governer of the Colony of Victoria and Vice-Admiral of the same.*

MAY IT PLEASE YOUR EXCELLENCY—

We, the Inhabitants of the Town of Warrnambool, and of the District thereof, in public meeting assembled, beg most respectfully to approach your Excellency on the auspicious occasion of your arrival to assume the Government of this important Colony, to testify our loyalty to Her Most Gracious Majesty the Queen, and our unfeigned satisfaction at the choice of Her Majesty's Ministers, in appointing a gentleman of your rank, character, and abilities to the Government of this portion of Her Majesty's dominions.

We heartily congratulate your Excellency and Lady Hotham on having escaped the dangers and difficulties incident on a long sea voyage, and on having eventually landed in safety and health on the shores of Australia, to which we heartily welcome your Excellency and her Ladyship.

Appointed to administer the Government of Victoria at a period fraught with more than usual interest, when many most important and vital subjects affecting its future welfare and ultimate destiny must materially depend on the integrity, ability, and energy of its execution, we beg to assure your Excellency of our willing and cordial support in the prosecution and attainment of all measures and objects calculated to promote the general prosperity of the Colony, and advance its progress.

We beg also on this occasion to express to your Excellency, as the Representative of Her Majesty the Queen, our deep sympathy with the Mother Country with respect to the war in which she is now engaged, through the unjust and arrogant procedure of the Emperor of Russia to disturb the peace of Europe; and to express our approval of the steps taken by Her Majesty to repel the agressor, support Her faithful allies, and maintain the dignity of Her Crown and Empire.

We are, may it please your Excellency,

Your Excellency's most obedient servants.

SALUT—

COMME le Gouvernement de Sa Majesté Impériale l'Empereur des Français nous a communiqué qu'une Exposition des Produits de l'Agriculture et de l'Industrie aurait lieu à Paris au mois de Mai de l'an Mil huit cent cinquante cinq, et comme le Secrétaire en Chef des Colonies de Sa Majesté, dans ses deux Dépêches du 9 Mai et du 18 Juillet de l'an Mil huit cent cinquante trois, a annoncé que toutes les facilités seraient accordées par les Douanes Françaises à l'introduction des objets appartenant aux personnes demeurant dans les Colonies Britanniques qui désireraient contribuer à l'Exposition, et que le Gouvernement de Sa Majesté Impériale a décidé que tous les objets de contrebande venant de l'étranger seraient admis à l'Exposition, et pourraient être ré-exportés sans payer de droits après la clôture de l'Exposition, ou pourraient être vendus en France en payant un droit *ad valorem* de trente pour cent; et comme il a été proposé de nommer des Commissaires pour choisir et transmettre en France les objets représentant les produits et les manufactures de la Colonie de Victoria qui seront jugés dignes d'être exposés: Sachez que, reposant toute confiance en votre savoir et en votre expérience, par ces présentes nous vous constituons et nous vous nommons, vous, John Vesey Fitzgerald Foster, Hugh Culling Eardley Childers, James Frederick Palmer, Redmond Barry, Andrew Clarke, Augustus Frederick Adolphus Greeves, William Henry Wright, Frederick Armand Powlett, Charles Pasley, George William Rusden, Godfrey Howitt, John Hutchinson, Charles James Griffith, William McCrea, Ferdinand Müller, Mark Nicholson, Joseph Anderson Panton, et Alfred R. C. Selwyn, nos Commissaires pour régler et mettre à exécution les détails nécessaires pour faciliter la transmission en France des produits et des manufactures de notre Colonie de Victoria, destinés à paraître à l'Exposition Universelle des Produits de l'Agriculture et de l'Industrie, à Paris, le mois de Mai, mil huit cent cinquante cinq; et pour vous aider dans l'exécution de ces présentes, nous nommons nos fidèles et bien-aimés MM. Andrew Clarke et John Hutchinson Secrétaires Honoraires de la dite Commission; et par ces présentes, nous vous donnons et accordons, ainsi qu'à trois ou plusieurs d'entre vous, le pouvoir et l'autorité nécessaires pour effectuer les projets de notre dite Commission par tous les moyens légaux. Témoin notre fidèle et bien-aimé John Vesey Fitzgerald Foster, faisant les fonctions de Gouverneur de la Colonie de Victoria et de ses Dépendences, à Melbourne, dans la dite Colonie, ce quinze Mai, de la dix-septième année de notre Règne, et de l'an Mil huit cent cinquante quatre.

(Signé) JOHN FOSTER.

Par Ordre de Son Excellence,

J. MOORE,

Faisant les fonctions de Secrétaire de la Colonie.

Enrégistré par moi dans le Régistre des Patentes, No. 1, page 412, le septième jour de Juin, mil huit cent cinquante quatre.

J. MOORE,

Faisant les fonctions de Secrétaire de la Colonie.

AVIS AU PUBLIC.

Son Excellence le Lieutenant Gouverneur ayant nommé des Commissaires pour choisir, préparer, ordonner, et transmettre les objets destinés à représenter les ressources industrielles de la Colonie de Victoria, à l'Exposition Universelle des Produits de l'Agriculture et de l'Industrie de Paris, dans le mois de Mai, 1855, et le Conseil Législatif ayant voté la somme de 3,000 livres sterlings pour défrayer les dépenses nécessaires, les Commissaires prient instamment les habitants de la Colonie de les aider cordialement dans le but qu'ils se proposent, car sans leur co-opération empressée et bienveillante tous les efforts et toute l'énergie des Commissaires seront insuffisants pour faire représenter dignement les produits de l'industrie de la Colonie de Victoria à l'Exposition prochaine.

L'importance d'exposer à Paris des échantillons de l'industrie, ainsi que des produits naturels de ce pays, est apparente, non seulement comme science et comme curiosité, mais encore comme utilité pratique, qui, en développant dans ce pays ses propres ressources, ne peut manquer d'exercer une influence étendue et salutaire dans ses arts, son commerce, et ses progrès matériels et sociaux.

L'exposition d'objets rares et curieux en Histoire Naturelle non seulement intéresse et instruit, mais en excitant l'esprit de recherche conduit à de nouvelles découvertes, dont les résultats ajouteront quelque chose de plus à l'avancement des applications utiles et aux agrémens de la vie.

L'état actuel des affaires en Europe ne doit pas arrêter nos efforts. L'Angleterre sait protéger son commerce, et malgré ce qui peut se passer dans les Etats de l'Orient de l'Europe, Paris ne cessera pas d'être le centre de la Paix, et le soutien des Beaux Arts et de l'Industrie.

Par la manière dont on répondra à cet appel—par la position qu'elle prendra dans la lutte prochaine, lutte non d'intérêts contraires, mais d'une émulation franche et généreuse—la Colonie de Victoria sera jugée. Ce n'est pas en prodiguant de tous côtés ses richesses étonnantes, pur accident d'un jour, mais par la manière dont elle profite de ses ressources naturelles, que le monde décidera si son peuple a fait un digne usage des riches dons de la nature.

Les Commissaires sentent que du zèle que les colonistes déployeront dans leurs efforts, et dans leur co-opération avec eux, dépendra s'il sera en leur pouvoir de démontrer aux yeux du monde que, sans négliger nos propres intérêts, nous contribuons tout en notre pouvoir à l'avancement de la race humaine. C'est à Paris en 1855 que la Colonie de Victoria sera jugée digne ou indigne de la position qu'elle occupe parmi les pays de l'Hémisphère Méridionale.

III.—HER MAJESTY'S DECLARATION OF THE CAUSES OF WAR.—28TH MARCH, 1854.

IT is with deep regret that Her Majesty announces the failure of her anxious and protracted endeavours to preserve for her people and for Europe the blessings of peace.

The unprovoked aggression of the Emperor of Russia against the Sublime Porte has been persisted in with such disregard of consequences, that after the rejection by the Emperor of Russia of terms which the Emperor of Austria, the Emperor of the French, and the King of Prussia, as well as Her Majesty, considered just and equitable, Her Majesty is compelled, by a sense of what is due to the honor of her Crown, to the interests of her people, and to the independence of the states of Europe, to come forward in defence of an ally whose territory is invaded and whose dignity and independence are assailed.

Her Majesty, in justification of the course she is about to pursue, refers to the transactions in which Her Majesty has been engaged.

The Emperor of Russia had some cause of complaint against the Sultan with reference to the settlement, which His Highness had sanctioned, of the conflicting claims of the Greek and Latin Churches to a portion of the Holy Places of Jerusalem and its neighbourhood. To the complaint of the Emperor of Russia on this head justice was done; and Her Majesty's Ambassador at Constantinople had the satisfaction of promoting an arrangement to which no exception was taken by the Russian Government.

But while the Russian Government repeatedly assured the Government of Her Majesty that the mission of Prince Menchikoff to Constantinople was exclusively directed to the settlement of the question of the Holy Places at Jerusalem, Prince Menchikoff himself pressed upon the Porte other demands of a far more serious and important character, the nature of which he in the first instance endeavoured, as far as possible, to conceal from Her Majesty's Ambassador. And these demands, thus studiously concealed, affected not the privileges of the Greek Church at Jerusalem, but the position of many millions of Turkish subjects in their relations to their Sovereign the Sultan.

These demands were rejected by the spontaneous decision of the Sublime Porte.

Two Assurances had been given to Her Majesty; one, that the mission of Prince Menchikoff only regarded the Holy Places; the other, that his mission would be of a conciliatory character.

In both respects Her Majesty's just expectations were disappointed.

Demands were made which, in the opinion of the Sultan, extended to the substitution of the Emperor of Russia's authority for his own over a large portion of his subjects; and those demands were enforced by a threat; and when Her Majesty learnt that, on announcing the termination of his mission, Prince Menchikoff declared that the refusal of his demands would impose upon the Imperial Government the necessity of seeking a guarantee by its own power, Her Majesty thought proper that her fleet should leave Malta, and, in co-operation with that of His Majesty the Emperor of the French, take up its station in the neighbourhood of the Dardanelles.

So long as the negotiation bore an amicable character, Her Majesty refrained from any demonstration of force. But when, in addition to the assemblage of large military forces on the frontier of Turkey, the Ambassador of Russia intimated that serious consequences would ensue from the refusal of the Sultan to comply with unwarrantable demands, Her Majesty deemed it right, in conjunction with the Emperor af the French, to give an unqestionable proof of her determination to support the Sovereign Rights of the Sultan.

The Russian Government has maintained that the determination of the Emperor to occupy the Principalities was taken in consequence of the advance of the fleets of England and France. But the menace of invasion of the Turkish territory was conveyed in Count Nesselrode's note to Rechid Pacha, of the $\frac{19}{31}$ May, and re-stated in his despatch to Baron Brunnow, of the $\frac{20 \text{ May,}}{1 \text{ June,}}$ which announced the determination of the Emperor of Russia to order his troops to occupy the Principalities, if the Porte did not within a week comply with the demands of Russia.

The despatch to Her Majesty's Ambassador, at Constantinople, authorizing him in certain specified contingencies to send for the British Fleet, was dated the 31st May, and the order sent direct from England to Her Majesty's Admiral to proceed to the neighbourhood of the Dardanelles, was dated the 2nd of June.

The determination to occupy the Principalities was therefore taken before the orders for the advance of the combined squadrons were given.

The Sultan's minister was informed, that unless he signed within a week, and without the change of a word, the note proposed to the Porte by Prince Menchikoff, on the eve of his departure from Constantinople, the Principalities of Moldavia and Wallachia would be occupied by Russian troops. The Sultan could not accede to so insulting a demand; but when the actual occupation of the Principalities took place, the Sultan did not, as he might have done in the exercise of his undoubted right, declare war, but addressed a protest to his allies.

Her Majesty, in conjunction with the Sovereigns of Austria, France, and Prussia, has made various attempts to meet any just demands of the Emperor of Russia, without affecting the dignity and independence of the Sultan; and had it been the sole object of Russia to obtain security for the enjoyment by the Christian subjects of the Porte of their privileges and immunities, she would have found it

in the offers that have been made by the Sultan. But as that security was not offered in the shape of a special and separate stipulation with Russia, it was rejected. Twice has this offer been made by the Sultan, and recommended by the Four Powers, once by a note originally prepared at Vienna, and subsequently modified by the Porte, once by the proposal of bases of negotiation agreed upon at Constantinople on the 31st of December, and approved at Vienna on the 13th of January, as offering to the two parties the means of arriving at an understanding in a becoming and honorable manner.

It is thus manifest that a right for Russia to interfere in the ordinary relations of Turkish subjects to their Sovereign, and not the happiness of Christian Communities in Turkey, was the object sought for by the Russian Government; to such demand the Sultan would not submit, and His Highness, in self-defence, declared War upon Russia; but Her Majesty nevertheless, in conjunction with her allies, has not ceased Her endeavours to restore peace between the contending parties.

The time has, however, now arrived when the advice and remonstrances of the Four Powers having proved wholly ineffectual, and the military preparations of Russia becoming daily more extended, it is but too obvious that the Emperor of Russia has entered upon a course of policy which, if unchecked, must lead to the destruction of the Ottoman Empire.

In this conjuncture, Her Majesty feels called upon by regard for an ally, the integrity and independence of whose Empire have been recognized as essential to the peace of Europe, by the sympathies of her people with right against wrong, by a desire to avert from her dominions most injurious consequences, and to save Europe from the preponderance of a Power which has violated the Faith of Treaties, and defies the opinion of the civilized World, to take up arms, in conjunction with the Emperor of the French, for the defence of the Sultan.

Her Majesty is persuaded that in so acting she will have the cordial support of her people; and that the pretext of zeal for the Christian religion will be used in vain to cover an aggression undertaken in disregard of its holy precepts and of its pure and beneficent spirit.

Her Majesty humbly trusts that her efforts may be successful, and that, by the blessing of Providence, peace may be re-established on safe and solid foundations.

Westminster, March 28, 1854.

IV.—DECLARATION OF HER MAJESTY WITH REFERENCE TO NEUTRALS AND LETTERS OF MARQUE.—28TH MARCH, 1854.

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, having been compelled to take up arms in support of an ally, is desirous of rendering the war as little onerous as possible to the powers with whom she remains at peace.

To preserve the commerce of neutrals from all unnecessary obstruction, Her Majesty is willing, for the present, to waive a part of the belligerent rights appertaining to her by the Law of Nations.

It is impossible for Her Majesty to forego the exercise of her right of seizing articles contraband of war, and of preventing neutrals from bearing the enemy's despatches, and she must maintain the right of a belligerent to prevent neutrals from breaking any effective blockade which may be established with an adequate force against the enemy's forts, harbors, or coasts.

But Her Majesty will waive the right of seizing enemy's property laden on board a neutral vessel, unless it be contraband of war.

It is not Her Majesty's intention to claim the confiscation of neutral property, not being contraband of war, found on board enemy's ships; and Her Majesty further declares, that being anxious to lessen as much as possible the evils of war, and to restrict its operations to the regularly organized forces of the country, it is not her present intention to issue Letters of Marque for the commissioning of Privateers.

Westminster, March 28, 1854.

V.—ORDER IN COUNCIL GRANTING GENERAL REPRISALS AGAINST RUSSIA.

At the Court at Buckingham Palace, the 29th day of March, 1854. Present—The Queen's Most Excellent Majesty in Council.

HER Majesty having determined to afford active assistance to her ally, His Highness the Sultan of the Ottoman Empire, for the protection of his dominions against the encroachments and unprovoked aggression of His Imperial Majesty the Emperor of All the Russias, Her Majesty therefore is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, that general Reprisals be granted against the ships, vessels, and goods of the Emperor of All the Russias, and of his subjects or others inhabiting within any of his countries, territories, or dominions, so that Her Majesty's fleets and ships shall and may lawfully seize all ships, vessels, and goods belonging to the Emperor of All the Russias, or his subjects, or others inhabiting within any of his countries, territories, or dominions, and bring the same to judgment in such Courts of Admiralty within Her Majesty's Dominions, Possessions, or Colonies as shall be duly commissionated to take cognizance thereof. And to that end Her Majesty's Advocate General, with the Advocate of Her Majesty in Her Office of Admiralty, are forthwith to prepare the Draft of a Commission, and present the same to Her Majesty at this Board, authorizing the Commissioners for executing the Office of Lord High Admiral to will and require the High Court of Admiralty of England, and the Lieutenant and Judge of the said Court, his Surrogate or Surrogates, as also the several Courts of Admiralty within Her Majesty's dominions which shall be duly commissionated, to take cognizance of, and judicially proceed upon, all and all manner of captures, seizures, prizes, and reprisals of ships, vessels, and goods that are or shall be taken, and to hear and determine the same; and, according to the course of Admiralty and the Law of Nations to adjudge and condemn all such ships, vessels, and goods as shall belong to the Emperor of

All the Russias, or his subjects, or to any others inhabiting within any of his countries, territories, or dominions; and they are likewise to prepare and lay before Her Majesty, at this Board, a Draft of such Instructions as may be proper to be sent to the said several Courts of Admiralty in Her Majesty's Dominions, Possessions, and Colonies, for their guidance herein.

VIII.—PROCLAMATION REGULATING THE DISTRIBUTION OF CAPTURES MADE BY HER MAJESTY'S FLEETS, ETC., ACTING WITH ANY ALLIED FLEET.—29TH MARCH, 1854.

BY THE QUEEN.—A PROCLAMATION.

VICTORIA R.

WHEREAS, by Our Order in Council bearing date the twenty-ninth day of March, One thousand eight hundred and fifty-four, we have ordered that general Reprisals be granted against the ships, goods, and subjects of the Emperor of All the Russias, his subjects or others inhabiting within any of his countries, territories, or dominions (save and except any vessels to which our license has been or may be granted, or which have been directed to be released from the embargo, and have not since arrived at any foreign port), so that our fleets and ships shall and may lawfully seize all ships, vessels, and goods belonging to the Emperor of All the Russias, or his subjects, or others inhabiting within any of his countries, territories, or dominions, and bring the same to judgment in any of the Courts of the Admiralty within our dominions duly authorized and required to take cognizance thereof, We do hereby order and direct that the net produce of all such prizes taken by any of our ships or vessels of war (save and except when they shall be acting on any conjunct expedition with our army, in which case we reserve to ourselves the division and distribution of all prize and booty taken, and also save and except as hereinafter mentioned), shall be for the entire benefit and encouragement of our flag officers, captains, commanders, and other commissioned officers in our pay, and of all subordinate, warrant, petty, and non-commissioned officers, and of the seamen, marines, and soldiers on board our said ships and vessels at the time of the capture, after the same shall have been to us finally adjudged lawful prize.

Whenever any prize shall be taken by any of our fleets, squadrons, ships, or vessels of war whilst acting in conjunction with any fleets, squadrons, ships, or vessels of war belonging to any other power or powers in alliance with us, our High Court of Admiralty, or the Vice Admiralty Court within our dominions adjudicating thereon, shall apportion to such ally or allies a share or shares of the proceeds of such prize or prizes proportionate to the number of officers and men, &c, present and employed on the part of such ally or allies as compared with the number of officers and men, &c., present and employed on our behalf in such capture or captures, without reference to their respective ranks, and the share or shares so set apart for such ally or allies shall be transmitted to such persons as may be duly authorized on behalf of such ally or allies to receive the same.

Ships or vessels, being in sight of the prize, as also of the captor, under circumstances to cause intimidation to the enemy and encouragement to the captor, shall be alone entitled to share as joint captors.

After having deducted the portion set apart as aforesaid for our allies, a distribution, so far as regards Her Majesty's forces, shall be as follows:—The flag officer or officers shall have one-twentieth part of the whole net proceeds arising from prizes captured from the enemy by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say—

When there is but one flag officer he shall have the entire one-twentieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-twentieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, that no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy by any ship or vessel which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, each flag officer shall receive a proportion of the one-twentieth part, according to the number of officers and men present under the command of each such flag officer; and when any ship or vessel under orders from the Lord High Admiral, or from our Commissioners for executing the office of Lord High Admiral, are joint captors with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers, it is to be noted,

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station so soon as the service has been performed) shall have no share in the prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the twentieth part of prizes taken, whether he be commanding in chief or serving under command.

The first captain to the admiral and commander-in-chief of our fleet and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of our ships of war at the time of capturing any prize or prizes who shall have more commissions than one, shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to other officers it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have received some order from, or be acting in the execution of some order issued by, a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by, some other flag officer, duly authorized, or by the Lord High Admiral, or our commissioners for executing the office of Lord High Admiral.

And we hereby direct, That the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war singly taking any prize from the enemy, that is to say, the officer actually in command at the time, shall have one-eighth of the remainder, or if there is no flag one-eighth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-eighth part as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, the one-eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander of a sloop, or commander under a captain in a rated ship, three parts; and each lieutenant commanding, or master commanding, or other officer actually commanding a small vessel of war, two parts; which we hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains, and field officers of marines or of land forces serving as marines and doing duty in the rank of major, to share as commanders of sloops.

And we further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of our ships, sloops, and vessels of war, and actually on board at the time of any such capture, and every person present and assisting, shall receive shares or a share according to his class, as set forth in the following scale:—

And when the list of those actually on board, and the separate list of persons absent though belonging to the ship or vessel, shall have been verified on examination with the Muster Books lodged as official records, the Accountant General of our navy shall, upon request, grant to the agent or agents nominated or appointed by the captors, a certificate that such lists are correct or have been corrected as occasion may require, in order that distribution of the prize or other proceeds may be duly made.

And in the event of difficulty arising with respect to any of the regulations hereby ordered, or if any case should occur not herein provided for, or not sufficiently provided for, we are pleased hereby to authorize the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral for the time being, to issue such directions thereupon as may appear just and expedient; which directions shall have the same force and effect as if specially provided for in this our Royal Proclamation.

XII.—ORDER IN COUNCIL IN FURTHERANCE OF HER MAJESTY'S DECLARATION OF THE 28TH MARCH, 1854, RESPECTING THE TRADE OF NEUTRALS AND BRITISH SUBJECTS.

At the Court at Windsor, the 15th day of April, 1854. Present,—The Queen's Most Excellent Majesty in Council.

WHEREAS Her Majesty was graciously pleased, on the 28th day of March last, to issue Her Royal Declaration in the following terms:—

"Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, having been "compelled to take up arms in support of an ally, is desirous of rendering the war as little onerous "as possible to the powers with whom she remains at peace.

"To preserve the commerce of neutrals from all unnecessary obstruction, Her Majesty is "willing, for the present, to waive a part of the belligerent rights appertaining to her by the Law of "Nations.

"It is impossible for Her Majesty to forego the exercise of Her right of seizing articles con- "traband of war, and of preventing neutrals from bearing the enemy's despatches, and she must "maintain the right of a belligerent to prevent neutrals from breaking any effective blockade which "may be established with an adequate force against the enemy's forts, harbors, or coasts.

"But Her Majesty will waive the right of seizing enemy's property laden on board a neutral "vessel unless it be contraband of war.

"It is not Her Majesty's intention to claim the confiscation of neutral property, not being "contraband of war, found on board enemy's ships; and Her Majesty further declares, that being "anxious to lessen as much as possible the evils of war, and to restrict its operations to the regularly "organized forces of the country, it is not her present intention to issue Letters of Marque for the "commissioning of Privateers."

Now it is this day ordered, by and with the advice of her Privy Council, that all vessels under a neutral or friendly flag, being neutral or friendly property, shall be permitted to import into any port or place in Her Majesty's dominions all goods and merchandise whatsoever, to whomsoever the same may belong; and to export from any port or place in Her Majesty's dominions to any port not blockaded any cargo or goods, not being contraband of war, or not requiring a special permission, to whomsoever the same may belong.

And Her Majesty is further pleased, by and with the advice of her Privy Council, to order, and it is hereby further ordered, that save and except only as aforesaid, all the subjects of Her Majesty and the subjects or citizens of any neutral or friendly state, shall and may, during and notwithstanding the present hostilities with Russia, freely trade with all ports and places wheresoever situate which shall not be in a state of blockade, save and except that no British vessel shall under any circumstances whatsoever, either under or by virtue of this order or otherwise, be permitted or empowered to enter or communicate with any port or place which shall belong to or be in possession or occupation of Her Majesty's enemies.

And the Right Honorable the Lords Commissioners of Her Majesty's Treasury, the Lords Commissioners of the Admiralty, the Lord Warden of the Cinque Ports, and Her Majesty's Principal Secretary of State for War and the Colonies, are to give the necessary directions herein as to them may respectively appertain.

C. C. GREVILLE.

And whereas Her Majesty, by and with the advice of Her said Council, is now pleased to alter and extend such part of the said Order: It is hereby ordered by and with such advice as aforesaid as follows; that is to say,—That any Russian merchant vessel which, prior to the fifteenth day of May, One thousand eight hundred and fifty-four, shall have sailed from any Port of Russia, situated either in or upon the shores or coasts of the Baltic Sea or of the White Sea, bound for any port or place in Her Majesty's Dominions, shall be permitted to enter such last mentioned port or place, and to discharge her cargo, and afterwards forthwith to depart without molestation; and that any such vessel if met at sea by any of Her Majesty's ships, shall be permitted to continue her voyage to any port not blockaded.

And Her Majesty is pleased, by and with the advice aforesaid, further to order, and it is hereby further ordered, that in all other respects, Her Majesty's aforesaid Order in Council, of the twenty-ninth day of March last, shall be and remain in full force, effect, and operation.

SALUT—

COMME le Gouvernement de Sa Majesté Impériale l'Empereur des Français nous a communiqué qu'une Exposition des Produits de l'Agriculture et de l'Industrie aurait lieu à Paris au mois de Mai de l'an Mil huit cent cinquante cinq, et comme le Secrétaire en Chef des Colonies de Sa Majesté, dans ses deux Dépêches du 9 Mai et du 18 Juillet de l'an Mil huit cent cinquante trois, a annoncé que toutes les facilités seraient accordées par les Douanes Françaises à l'introduction des objets appartenant aux personnes demeurant dans les Colonies Britanniques qui désireraient contribuer à l'Exposition, et que le Gouvernement de Sa Majesté Impériale a décidé que tous les objets de contrebande venant de l'étranger seraient admis à l'Exposition, et pourraient être ré-exportés sans payer de droits après la clôture de l'Exposition, ou pourraient être vendus en France en payant un droit *ad valorem* de trente pour cent; et comme il a été proposé de nommer des Commissaires pour choisir et transmettre en France les objets représentant les produits et les manufactures de la Colonie de Victoria qui seront jugés dignes d'être exposés: Sachez que, reposant toute confiance en votre savoir et en votre expérience, par ces présentes nous vous constituons et nous vous nommons, vous, John Vesey Fitzgerald Foster, Hugh Culling Eardley Childers, James Frederick Palmer, Redmond Barry, Andrew Clarke, Augustus Frederick Adolphus Greeves, William Henry Wright, Frederick Armand Powlett, Charles Pasley, George William Rusden, Godfrey Howitt, John Hutchinson, Charles James Griffith, William McCrea, Ferdinand Müller, Mark Nicholson, Joseph Anderson Panton, et Alfred R. C. Selwyn, nos Commissaires pour régler et mettre à exécution les détails nécessaires pour faciliter la transmission en France des produits et des manufactures de notre Colonie de Victoria, destinés à paraître à l'Exposition Universelle des Produits de l'Agriculture et de l'Industrie, à Paris, le mois de Mai, mil huit cent cinquante cinq; et pour vous aider dans l'exécution de ces présentes, nous nommons nos fidèles et bien-aimés MM. Andrew Clarke et John Hutchinson Secrétaires Honoraires de la dite Commission; et par ces présentes, nous vous donnons et accordons, ainsi qu'à trois ou plusieurs d'entre vous, le pouvoir et l'autorité nécessaires pour effectuer les projets de notre dite Commission par tous les moyens légaux. En outre, nous ordonnons et commandons que de temps à autre vous communiquiez le procès-verbal de vos séances à Son Excellence le Lieutenant Gouverneur, ou le fonctionnaire faisant les fonctions de Gouverneur de notre dite Colonie, et que vous lui soumettiez toutes les mesures que vous jugerez nécessaires pour son approbation avant de les exécuter. Et enfin, par ces présentes nous ordonnons que nos dits Commissaires, ou que trois ou plusieurs d'entr'eux, pourront de temps à autre, et en tout lieu, agir en toutes choses indiquées dans la présente Commission, nonobstant leur ajournement de temps à autre.

Témoin notre fidèle et bien-aimé John Vesey Fitzgerald Foster, faisant les fonctions de Gouverneur de la Colonie de Victoria et de ses Dépendences, à Melbourne, dans la dite Colonie, ce quinze Mai, de la dix-septième année de notre Règne, et de l'an Mil huit cent cinquante quatre.

(Signé) JOHN FOSTER.

Par Ordre de Son Excellence,

J. MOORE,

Faisant les fonctions de Secrétaire de la Colonie.

Enrégistré par moi dans le Régistre des Patentes, No. 1, page 412, le septième jour de Juin, mil huit cent cinquante quatre.

J. MOORE,

Faisant les fonctions de Secrétaire de la Colonie.

AVIS AU PUBLIC.

Son Excellence le Lieutenant Gouverneur ayant nommé des Commissaires pour choisir, préparer, ordonner, et transmettre les objets destinés à représenter les ressources industrielles de la Colonie de Victoria, à l'Exposition Universelle des Produits de l'Agriculture et de l'Industrie de Paris, dans le mois de Mai, 1855, et le Conseil Législatif ayant voté la somme de 3,000 livres sterlings pour défrayer les dépenses nécessaires, les Commissaires prient instamment les habitants de la Colonie de les aider cordialement dans le but qu'ils se proposent, car sans leur co-opération empressée et bienveillante tous les efforts et toute l'énergie des Commissaires seront insuffisants pour faire représenter dignement les produits de l'industrie de la Colonie de Victoria à l'Exposition prochaine.

L'importance d'exposer à Paris des échantillons de l'industrie, ainsi que des produits naturels de ce pays, est apparente, non seulement comme science et comme curiosité, mais encore comme utilité pratique, qui, en développant dans ce pays ses propres ressources, ne peut manquer d'exercer une influence étendue et salutaire dans ses arts, son commerce, et ses progrès matériels et sociaux.

L'exposition d'objets rares et curieux en Histoire Naturelle non seulement intéresse et instruit, mais en excitant l'esprit de recherche conduit à de nouvelles découvertes, dont les résultats ajouteront quelque chose de plus à l'avancement des applications utiles et aux agrémens de la vie.

L'état actuel des affaires en Europe ne doit pas arrêter nos efforts. L'Angleterre sait protéger son commerce, et malgré ce qui peut se passer dans les Etats de l'Orient de l'Europe, Paris ne cessera pas d'être le centre de la Paix, et le soutien des Beaux Arts et de l'Industrie.

Par la manière dont on répondra à cet appel—par la position qu'elle prendra dans la lutte prochaine, lutte non d'intérêts contraires, mais d'une émulation franche et généreuse—la Colonie de Victoria sera jugée. Ce n'est pas en prodiguant de tous côtés ses richesses étonnantes, pur accident d'un jour, mais par la manière dont elle profite de ses ressources naturelles, que le monde décidera si son peuple a fait un digne usage des riches dons de la nature.

Les Commissaires sentent que du zèle que les colonistes déployeront dans leurs efforts, et dans leur co-opération avec eux, dépendra s'il sera en leur pouvoir de démontrer aux yeux du monde que, sans négliger nos propres intérêts, nous contribuons tout en notre pouvoir à l'avancement de la race humaine. C'est à Paris en 1855 que la Colonie de Victoria sera jugée digne ou indigne de la position qu'elle occupe parmi les pays de l'Hémisphère Méridionale.

WHEREAS by an Act of the Governor and Legislative Council of New South Wales, 14 Victoria, No. 20, intituled, "*An Act "for regulating the formation, drainage, and "repair of streets, courts, and alleys on "private property within the City of Mel-"bourne,*" it is amongst other things enacted, that where any street, court, or alley, on private property, in the City of Melbourne, shall not be, or shall not have been sufficiently paved, flagged, macadamized, levelled, drained, and sewered, or otherwise completed or repaired to the satisfaction of the Council of the said City, it shall be lawful for the said Council at any time, and from time to time, by any order under the hand of the Mayor or Town Clerk of the said City, for the time being respectively, to order that any such street, court, or alley, or any part thereof, shall be freed from obstruction, paved, flagged, macadamized, levelled, drained, and sewered, or otherwise completed or repaired, in such manner and within such time as to the said Council may appear expedient, and thereupon the owners of the tenements adjoining, or abutting upon such street, court, or alley on each side thereof, shall in such manner, and within such time as shall be expressed in such order, at their respective costs, charges, and expenses, remove all obstructions, and well and sufficiently pave, flag, and macadamize, level, drain, and sewer, or otherwise complete or repair so much of the said street, court, or alley to the centre thereof as may be opposite to and co-extensive with their respective tenements, adjoining or abutting on such streets, courts, or alleys respectively: And whereas the streets, courts, and alleys enumerated in the schedule to this order annexed, marked A, have not being sufficiently paved, flagged, macadamized, levelled, drained, and sewered, or otherwise completed or repaired to the satisfaction of the Council of the City of Melbourne:

2. A private lane, commonly known as Little George-street, extending from Webb-street to Little Victoria-street.
3. A private lane, commonly known as Little Victoria-street, extending from Young-street to George-street.

SCHEDULE B, REFERRED TO IN THIS ORDER.

Manner in which the Streets, Courts, and Alleys, enumerated in Schedule A, referred to in this Order, are ordered to be freed from obstruction, paved, flagged, macadamized, levelled, drained, and sewered.

The natural soil is to be reduced or made up as the case may require, so that the longitudinal section of the whole right-of-way shall in no part have an inclination of less than 1 in 120; and wherever practicable the entire length is to form one incline. In laying on any stuff it is to be spread in layers of not more than one foot thick. The transverse section of the right-of-way is to show a roadway whose crown shall be one inch above the kerbs of the footways, and the fall from the crown of the water channels is to be at the rate of 1 in 25.

On either side of the roadway there is to be a water channel eighteen inches wide, consisting of two rows of bluestone pitchers, nine inches deep, and not less than nine inches by fourteen inches on the surface, with upright sides, set in loam, and rammed with a rammer weighing forty pounds, so as to subside four inches.

The bottom of the channel is to be seven inches below the top of the kerbs.

On either side of the roadway there is also to be a footway not more than three feet wide, and these are to be separated from the roadway by a red gum plank or kerb, ten inches by three, set on edge, and fastened with five inch spikes to piles four inches by four of red gum, three feet long, driven into the soil.

The footways are to be covered with a coat of gravel three inches thick, and the surface is to fall towards the channel at the rate of 1 in 10. The roadway is to be covered with a coat of broken metal, broken to a two and a half inch gauge, and laid on seven inches thick at the channels and eight inches at the crown; and this, when necessary, is to be covered with a coat of loam one and a half inches thick.

Wherever private entrances lead from the rights-of-way they are to be paved to the full width with bluestone pitchers, in the same manner as the channels; paving is to be extended from the channels towards the line of houses or fences, so as to cross the entire footway.

The whole of the work must be done under the inspection and subject to the approval of the City Surveyor, who is authorized to order any deviation from these general principles which the particularities of any case may require.

SCHEDULE B, REFERRED TO IN THIS ORDER.

Manner in which the Streets, Courts, and Alleys, enumerated in Schedule A, referred to in this Order, are ordered to be freed from obstruction, paved, flagged, macadamized, levelled, drained, and sewered.

The natural soil is to be reduced or made up as the case may require, so that the longitudinal section of the whole right-of-way shall in no part have an inclination of less than 1 in 120; and wherever practicable the entire length is to form one incline. In laying on any stuff it is to be spread in layers of not more than one foot thick. The transverse section of the right-of-way is to show a roadway whose crown shall be one inch above the kerbs of the footways, and the fall from the crown of the water channels is to be at the rate of 1 in 25.

On either side of the roadway there is to be a water channel eighteen inches wide, consisting of two rows of bluestone pitchers, nine inches deep, and not less than nine inches by fourteen inches on the surface, with upright sides, set in loam, and rammed with a rammer weighing forty pounds, so as to subside four inches.

The bottom of the channel is to be seven inches below the top of the kerbs.

On either side of the roadway there is also to be a footway not more than three feet wide, and these are to be separated from the roadway by a red gum plank or kerb, ten inches by three, set on edge, and fastened with five inch spikes to piles four inches by four of red gum, three feet long, driven into the soil.

The footways are to be covered with a coat of gravel three inches thick, and the surface is to fall towards the channel at the rate of 1 in 10. The roadway is to be covered with a coat of broken metal, broken to a two and a half inch gauge, and laid on seven inches thick at the channels and eight inches at the crown; and this, when necessary, is to be covered with a coat of loam one and a half inches thick.

Wherever private entrances lead from the rights-of-way they are to be paved to the full width with bluestone pitchers, in the same manner as the channels; paving is to be extended from the channels towards the line of houses or fences, so as to cross the entire footway.

The whole of the work must be done under the inspection and subject to the approval of the City Surveyor, who is authorized to order any deviation from these general principles which the particularities of any case may require.

PROCLAMATION

By His Excellency Sir Charles Hotham, Knight Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Colony of Victoria, &c., &c., &c.

WHEREAS a Public Day of Solemn Fast, Humiliation, and Prayer, hath been observed throughout the United Kingdom of Great Britain and Ireland, for the purpose of imploring Almighty God to bless and assist Her Majesty's arms in the just and necessary war in which Her Majesty is engaged: His Excellency the Lieutenant Governor, by and with the advice of the Executive Council, hereby invites the Clergy and Ministers of Religion, and all others Her Majesty's subjects in the Colony of Victoria, to observe, in like manner, a Public Day of Solemn Fast, Humiliation, and Prayer, on Friday, the Fourth Day of August next, that so we, Her Majesty's subjects in this remote part of the Empire, may also humble ourselves as one man, before Almighty God (who decides the issues of war as He dispenses peace and mercy), in order to obtain pardon for our sins, and that we, in the most devout and solemn manner, may offer up our prayers and supplications to the Divine Majesty, imploring His blessing and assistance on the British arms for the restoration of peace.

NEUTRAL VESSELS.

HIS Excellency the Lieutenant Governor, at the instance of the Vice-Consul for Denmark and for Sweden and Norway, has authorized the publication of the following documents, conveying instructions to the subjects of those countries respectively for the due observance of neutrality during the present hostilities with Russia.

By His Excellency's Command,
7499. JOHN FOSTER
7843.

Extract from Despatches received from the Danish Government, at the Danish Consulate, Melbourne, dated 9th March, 1854.

THE system which His Majesty intends invariably to follow and to apply, is that of a strict neutrality, founded upon loyalty, impartiality, and equal regard to the rights of all powers. The Government of His Majesty the King of Denmark following up the above referred to system of neutrality, therefore lays down the following principles :—

1. To abstain directly or indirectly from all participation in the war that may ensue, in favor of one of the contending parties to the detriment of the other.

2. To admit into the ports of the monarchy men-of-war, and trading vessels belonging to the belligerent parties, the government, however, reserving the right of interdicting to the first mentioned of these, as also to vessels of transport belonging to the respective fleets of the contending powers, the entrance into the port of Christianso.

Any regulations concerning public health and police, which might be called forth by the circumstances, must of course be observed and respected. Corsairs (privateers) shall not be admitted into the ports, nor tolerated in the roads of His Danish Majesty's dominions.

3. To allow to vessels of the belligerent parties the right of providing themselves in the ports of the Monarchy with all provisions and merchandize they may be in want of, with the exception of such articles as are known to be contraband of war.

4. To exclude every prize vessel from entrance (case of distress always excepted), condemnation, and sale in any port of the monarchy, and finally,

5. That by the commercial relations of the Danish State with the countries at war, Danish ships and cargoes shall enjoy every security and facility, under obligation, however, to abide by the regulations generally established and acknowledged in the special cases of blockades declared and effected.

Royal Orders, shewing what must be observed for the safety of the Trade and Navigation of Sweden, during war between foreign Powers. Given at the Castle of Stockholm, 8th of April, 1854.

WE, Oscar, by the grace of God, King of Sweden, Norway, Gotha, and Vandalen, do hereby make known :—

That, having seen the necessity, in the now approaching hostilities between foreign maritime powers, that those of our subjects who carry on trade and navigation, may to the utmost observe those obligations and precautions which are necessary to ensure to the Swedish Flag the rights and privileges due to it as a neutral flag, and to avoid all that in any way may render it suspicious to the belligerant powers, and expose it to insults, we have deemed proper that, setting aside all that has been formerly prescribed in these matters, the following rules should henceforward be observed :—

1. To be enabled to enjoy the rights and privileges due to the Swedish flag as neutral, a Swedish vessel should be provided with such documents as, according to existing Statutes, are necessary to establish its nation, which documents ought always to be had ready during the voyage of the vessel.

2. It is strictly prohibited to commanders of vessels to possess false or double ship documents and bills of lading, as also to hoist a foreign flag, be it on any occasion, or on any pretext whatever.

3. If, while a Swedish vessel is in a foreign port, the crew should be so diminished by death, sickness, desertion, or any other cause, that the same is found insufficient to work the vessel, and foreign seamen must be employed in lieu thereof, subjects belonging to neutral states ought to be given the preference; and under no circumstances whatever must the number of subjects belonging to the belligerent powers, on board the vessel, amount to more than a third part of the crew. Each such change in the manning of the vessel, as also the cause thereof, must be put down on the roll by the commander, and the veracity of this annotation be certified by a competent Swedish Consul or Vice-Consul; or if such do not exist in the place, by a Magistrate, Public Notary, or any other authority as the customs of the respective countries may be.

4. Swedish vessels may, as neutrals freely visit the ports and coasts of the belligerent powers; but a commander must not try to enter a blockaded port after having been formally informed of the blockade.

With a blockaded port is meant such a one as is closed by one or several men-of-war, in a way that entrance cannot be effected without apparent danger.

5. All sorts of merchandize, even such as belongs to subjects of any of the belligerent powers, may be carried freely in Swedish vessels, as neutral, except what is called contraband of war, by which is meant, cannons, howitzers, all kinds of arms, bombs, shells, balls, flints, matches, gunpowder, saltpetre, sulphur, mailcoats, lances, belts, cartouches, saddles and bridles, and other *fabricates* (articles) that may be employed for war—always excepting that quantity of the abovementioned articles that are needful for the defence of the vessel and crew.

If, as regards the definition of contraband of war, any change or addition should be made in consequence of convention between Us and foreign powers, such will be particularly made known.

6. It is prohibited to every Swedish commander to suffer himself and the vessel he commands to be made use of in transporting despatches, troops, or articles classing under contraband of war, by any of the belligerent powers, without being compelled to do so, in which case he must make a formal protest against such violations.

7. Vessels belonging to the belligerent powers may import and export into and from Swedish Ports all merchandize and effects whatsoever, provided such imports and exports are allowed in the Custom House Tariff, always excepting such articles as go under the head of contraband of war.

8. It is strictly prohibited to every Swedish subject to arm or equip any vessel intended for privateering against any of the belligerent powers, or their subjects and property, or to participate in the equipment of any such vessel. It is also prohibited to serve in any foreign privateer.

9. It is not permitted to foreign privateers to enter a Swedish port, or lie to in our inlets, nor can prizes be taken into Swedish ports, except in case of distress, and even in such a case must not be condemned and sold within the kingdom. Our subjects are particularly forbidden to buy from privateers any prizes, whatever be their denomination.

10. Swedish commanders sailing without an armed escort, and being spoken by any armed vessel belonging to a belligerent power, who has a right to examine the ship's documents, must not refuse to produce them, nor try to escape, but he must loyally, (faithfully), and honestly, produce his documents, and furthermore see, that neither before the examination nor while it is going on, any document that concerns the vessel or cargo is destroyed, abstracted, or thrown overboard.

11. When a Swedish commander sails under escort or armed vessels, he must observe the rules laid down in the Royal Regulations of the 10th June, 1812.

12. If a Swedish commander properly observes all that is laid down in the above paragraphs for his information, he ought, according to conventions and common national rights, to enjoy a free and unmolested passage: and if, nevertheless, he should be insulted, he may be assured he will be most energetically supported by our Ministers and Consuls in foreign places, in all just demands on his part of satisfaction and damages; whereas the commander who omits or neglects what is prescribed for his observation during the voyage, will have himself to blame for the consequences that may attend such neglect, and cannot have a right to our protection.

13. Should a Swedish vessel be seized, the commander of the vessel must immediately remit to the Consul or Vice-Consul of the port to which the vessel has been brought, or if no Consul should exist in that place, then to the nearest Consul or Vice-Consul, a full and duly certified report stating all the particulars of the said seizure.

All that it may concern are requested to observe the above regulations, to the further confirmation of which we have signed this with our own hand, and caused our Royal Seal to be impressed thereon.

NOTICE TO MARINERS.

1. *North Ronaldshay Lighthouse.*

The Commissioners of the Northern Lighthouses hereby give notice that a Lighthouse is being built upon the Island of North Ronaldshay, in Orkney, the Light of which will be exhibited on the night of Friday, the 1st September, 1854, and every night thereafter, from the going away of daylight in the evening, to the return of daylight in the morning.

The following is a description of the Lighthouse, and the appearance of the Light, by MR. DAVID STEVENSON, *Engineer to the Commissioners :—*

The Lighthouse is in N. Lat. 59° 23′ 15″, and W. Long. 2° 23′ 38″; it stands on the Northern Point of the Island of North Ronaldshay, and by compass it bears from Moul-head of Papa-Westra W.N.W. ¼ North, distance 15 nautic miles; and from Start-Point of Sanday Lighthouse, S.S.W. ¼ West, distance 6½ miles.

The North Ronaldshay Light will be known to Mariners as a Revolving Light, producing a bright flash of the natural colour once in every 10 seconds. It will be visible all round the Compass. The Lantern is elevated 140 feet above the level of the sea; and the Light will be seen at the distance of about 18 nautic miles, and at lesser distances, according to the state of the atmosphere.

2. *Start-Point Lighthouse.*

The Start-Point Light, which is 6½ miles from North Ronaldshay Light, being at present a Revolving Light, producing a bright flash once in every minute, the Commissioners further give notice, that on and after the night of Friday, the 1st September, 1854, when the new Revolving Light at North Ronaldshay is to be exhibited, the present Revolving Light at Start-Point will be changed to a Fixed Light of the natural colour.

Streets, Courts, and Alleys ordered to be freed from obstruction, paved, flagged, macadamized, levelled, drained, and sewered.

No.	Locality.—Fitz Roy Ward.
1.	A private lane, commonly known as Little Napier-street, extending from Webb-street to Little Victoria-street.
2.	A private lane, commonly known as Little George-street, extending from Webb-street to Little Victoria-street.
3.	A private lane, commonly known as Little Victoria-street, extending from Young-street to George-street.
4.	A private lane, commonly known as Marion-street, extending from Brunswick-street to Fitz Roy-street.

Schedule B, referred to in this Order.

Manner in which the Streets, Courts, and Alleys, enumerated in Schedule A, referred to in this Order, are ordered to be freed from obstruction, paved, flagged, macadamized, levelled, drained, and sewered.

The natural soil is to be reduced or made up as the case may require, so that the longitudinal section of the whole right-of-way shall in no part have an inclination of less than 1 in 120; and wherever practicable the entire length is to form one incline. In laying on any stuff it is to be spread in layers of not more than one foot thick. The transverse section of the right-of-way is to show a roadway whose crown shall be one inch above the kerbs of the footways, and the fall from the crown of the water channels is to be at the rate of 1 in 25.

On either side of the roadway there is to be a water channel eighteen inches wide, consisting of two rows of bluestone pitchers, nine inches deep, and not less than nine inches by fourteen inches on the surface, with upright sides, set in loam, and rammed with a rammer weighing forty pounds, so as to subside four inches.

The bottom of the channel is to be seven inches below the top of the kerbs.

On either side of the roadway there is also to be a footway not more than three feet wide, and these are to be separated from the roadway by a red gum plank or kerb, ten inches by three, set on edge, and fastened with five inch spikes to piles four inches by four of red gum, three feet long, driven into the soil.

The footways are to be covered with a coat of gravel three inches thick, and the surface is to fall towards the channel at the rate of 1 in 10. The roadway is to be covered with a coat of broken metal, broken to a two and a half inch gauge, and laid on seven inches thick at the channels and eight inches at the crown; and this, when necessary, is to be covered with a coat of loam one and a half inches thick.

Wherever private entrances lead from the rights-of-way they are to be paved to the full width with bluestone pitchers, in the same manner as the channels; paving is to be extended from the channels towards the line of houses or fences, so as to cross the entire footway.

The whole of the work must be done under the inspection and subject to the approval of the City Surveyor, who is authorized to order any deviation from these general principles which the particularities of any case may require.

UNCLAIMED DEAD LETTERS.

LIST of Unclaimed Dead Letters which have been received in the Country Offices during the month of May, 1854.

Parties applying for Letters at the Dead Letter Office are particularly requested to give the correct number of the Letter, and also the date and number of the List in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the Letter, and date and number of the List, are requested to state where they expect their Letters from, what Office the Letters were originally addressed to, and any information which may tend to prevent an unnecessary transmission of Letters.

NOTICE is hereby given that it is intended to apply to the Legislative Council of the Colony of Victoria during the ensuing session, to be held in the City of Melbourne, in the said Colony, for an Act to amend and alter an Act passed in the sixteenth year of the Reign of Her Majesty, Queen Victoria, intituled, "*An Act to incorporate a Company to be called the Geelong and Melbourne Railway Company*," such amendments and alterations intended to be made consisting in the repeal of the 40th Clause

of the said Act, and the substitution of a Clause empowering the Geelong and Melbourne Railway Company to make their line of Railway across certain roads upon a level, upon giving satisfactory reasons to the Executive Council and receiving the consent of the Lieutenant Governor: Also in the correction of sundry clerical errors and minute omissions which, to an extent, render ineffective the intentions of the said Act, especially a reference made in the 74th Clause to the 19th Clause, which should have been the 21st Clause, and an omission in the 78th Clause of the words " or after such request shall repeat such trespass," such words being intended to follow the word Company in the sixth line of the same Clause of the said Act.

EXHIBITION.
MELBOURNE, 1854—PARIS, 1845.

Special Instructions for the guidance of Intending Exhibitors.

PUBLIC notice has been given that an Exhibition will be held in Melbourne, in October next, of articles, the natural and artificial productions of this Colony, intended for transmission to the Paris Exhibition, to be held in May, 1855; and also of other articles, the produce of any country, not for transmission to Paris, but to exhibit at Melbourne, and to be subsequently delivered to their respective owners.

The Commissioners have deemed it important that information should be imparted to persons desirous of exhibiting articles on either or both occasions, and it is with this object that the following regulations are published.

GENERAL REGULATIONS.

1. Applications for reserves of space must state the amount in square feet of wall or ground superfices required, and should be sent in before the 5th of September; but, in order that adequate provision may be made to meet the wants of intending exhibitors, it is desirable that such applications be made to the Commissioners as early as possible.

2. The name and address, in full, of the exhibitor, must be ticketed on the specimens in legible characters, and it must be stated whether or not the exhibitor wishes the specimen to be forwarded to Paris, and what is to be done with it ultimately.

3. The zoological and local name of animals, birds, fishes, reptiles, and insects, their habits and the place where found, must, if known, be ticketed on the specimens or the cases or bottles containing them. Similar instructions will apply to specimens from the vegetable kingdom. Minerals should have the scientific and popular name upon each specimen, the labels being rendered adhesive by a solution of gum arabic and sugar.

4. To descriptive particulars accompanying specimens having either commercial value or probable economic application, should be added the mode of saving, curing, preserving, or preparation, together with the quantity capable of being procured or produced, and any other information worthy of being known.

5. Specimens should be neatly and securely packed (particularly those for transmission to Paris) in boxes or packages, and forwarded before the 20th September next, to

J. H. BROOKE,
Agent to the Commissioners, Melbourne.

[Should any of the packages be deemed unsuitable for the safe transmission of the specimens to Paris, the Commissioners will have proper cases made, and charge the same to the exhibitor.]

6. The form of stands and show-cases for the display of the various specimens will be left to the individual taste of the exhibitors, subject, however, to the approval of the Commissioners, and must be provided at the cost of the exhibitors.

7. Those who desire to exhibit commercial articles in the Exhibition Building, in Melbourne, will be allowed to have attendants in waiting to answer enquiries respecting the same, but cannot be permitted to remove them until the close of the exhibition.

8. A receipt will be given for specimens as received, and they will be arranged, exhibited, and forwarded to Paris free of expense to the owners.

9. Care will be taken of the articles in the exhibition, but the Commissioners will not be responsible for loss or injury on transit to or from Melbourne, or while in the exhibition.

10. The Commissioners will give a testimonial to exhibitors, and award prize medals to those worthy of the distinction.

11. The Commissioners will afford every facility to exhibitors of valuable specimens, to insure the same, on their being transmitted to Paris; and if exhibitors be desirous of disposing of specimens in Paris, will effect their sale, and pay the proceeds to the exhibitors or their agents, after deducting all expenses attendant on such sale. Exhibitors wishing to have their specimens sent to England, may have them forwarded to any part of the United Kingdom on pre-payment of the expense of their transit from Paris to London.

12. Those articles exhibited in Melbourne only will be delivered to the owners, or persons authorised by them, on production of the Commissioners' receipts.

NOTE.—Any further or more particular instructions required by exhibitors to meet exceptional cases, will be furnished by the Local Committees at Alberton, Ballaarat, Beechworth, Belfast, Castlemaine, Geelong, Heathcote, Kilmore, Portland, Sandhurst, and Warrnambool, or at the Office of the Commission, Melbourne, daily, between Eleven A.M. and Three P.M.

EXHIBITION.

MELBOURNE, 1854—PARIS, 1855.

Special Instructions for the guidance of Intending Exhibitors.

PUBLIC notice has been given that an Exhibition will be held in Melbourne, in October next, of articles, the natural and artificial productions of this Colony, intended for transmission to the Paris Exhibition, to be held in May, 1855; and also of other articles, the produce of any country, not for transmission to Paris, but to exhibit at Melbourne, and to be subsequently delivered to their respective owners.

The Commissioners have deemed it important that information should be imparted to persons desirous of exhibiting articles on either or both occasions, and it is with this object that the following regulations are published.

GENERAL REGULATIONS.

1. Applications for reserves of space must state the amount in square feet of wall or ground superfices required, and should be sent in before the 5th of September; but, in order that adequate provision may be made to meet the wants of intending exhibitors, it is desirable that such applications be made to the Commissioners as early as possible.

2. The name and address, in full, of the exhibitor, must be ticketed on the specimens in legible characters, and it must be stated whether or not the exhibitor wishes the specimen to be forwarded to Paris, and what is to be done with it ultimately.

3. The zoological and local name of animals, birds, fishes, reptiles, and insects, their habits and the place where found, must, if known, be ticketed on the specimens or the cases or bottles containing them. Similar instructions will apply to specimens from the vegetable kingdom. Minerals should have the scientific and popular name upon each specimen, the labels being rendered adhesive by a solution of gum arabic and sugar.

4. To descriptive particulars accompanying specimens having either commercial value or probable economic application, should be added the mode of saving, curing, preserving, or preparation, together with the quantity capable of being procured or produced, and any other information worthy of being known.

5. Specimens should be neatly and securely packed (particularly those for transmission to Paris) in boxes or packages, and forwarded before the 20th September next, to

J. H. BROOKE,
Agent to the Commissioners, Melbourne.

[Should any of the packages be deemed unsuitable for the safe transmission of the specimens to Paris, the Commissioners will have proper cases made, and charge the same to the exhibitor.]

6. The form of stands and show-cases for the display of the various specimens will be left to the individual taste of the exhibitors, subject,

however, to the approval of the Commissioners, and must be provided at the cost of the exhibitors.

7. Those who desire to exhibit commercial articles in the Exhibition Building, in Melbourne, will be allowed to have attendants in waiting to answer enquiries respecting the same, but cannot be permitted to remove them until the close of the exhibition.

8. A receipt will be given for specimens as received, and they will be arranged, exhibited, and forwarded to Paris free of expense to the owners.

9. Care will be taken of the articles in the exhibition, but the Commissioners will not be responsible for loss or injury on transit to or from Melbourne, or while in the exhibition.

10. The Commissioners will give a testimonial to exhibitors, and award prize medals to those worthy of the distinction.

11. The Commissioners will afford every facility to exhibitors of valuable specimens, to insure the same, on their being transmitted to Paris; and if exhibitors be desirous of disposing of specimens in Paris, will effect their sale, and pay the proceeds to the exhibitors or their agents, after deducting all expenses attendant on such sale. Exhibitors wishing to have their specimens sent to England, may have them forwarded to any part of the United Kingdom on pre-payment of the expense of their transit from Paris to London.

12. Those articles exhibited in Melbourne only will be delivered to the owners, or persons authorised by them, on production of the Commissioners' receipts.

NOTE.—Any further or more particular instructions required by exhibitors to meet exceptional cases, will be furnished by the Local Committees at Alberton, Ballaarat, Beechworth, Belfast, Castlemaine, Geelong, Heathcote, Kilmore, Portland, Sandhurst, and Warrnambool, or at the Office of the Commission, Melbourne, daily, between Eleven A.M. and Three P.M.

EXHIBITION.

MELBOURNE, 1854—PARIS, 1855.

Special Instructions for the guidance of Intending Exhibitors.

PUBLIC notice has been given that an Exhibition will be held in Melbourne, in October next, of articles, the natural and artificial productions of this Colony, intended for transmission to the Paris Exhibition, to be held in May, 1855; and also of other articles, the produce of any country, not for transmission to Paris, but to exhibit at Melbourne, and to be subsequently delivered to their respective owners.

The Commissioners have deemed it important that information should be imparted to persons desirous of exhibiting articles on either or both occasions, and it is with this object that the following regulations are published.

GENERAL REGULATIONS.

1. Applications for reserves of space must state the amount in square feet of wall or ground superfices required, and should be sent in before the 5th of September; but, in order that adequate provision may be made to meet the wants of intending exhibitors, it is desirable that such applications be made to the Commissioners as early as possible.

2. The name and address, in full, of the exhibitor, must be ticketed on the specimens in legible characters, and it must be stated whether or not the exhibitor wishes the specimen to be forwarded to Paris, and what is to be done with it ultimately.

3. The zoological and local name of animals, birds, fishes, reptiles, and insects, their habits and the place where found, must, if known, be ticketed on the specimens or the cases or bottles containing them. Similar instructions will apply to specimens from the vegetable kingdom. Minerals should have the scientific and popular name upon each specimen, the labels being rendered adhesive by a solution of gum arabic and sugar.

4. To descriptive particulars accompanying specimens having either commercial value or probable economic application, should be added the mode of saving, curing, preserving, or preparation, together with the quantity capable of being procured or produced, and any other information worthy of being known.

5. Specimens should be neatly and securely packed (particularly those for transmission to Paris) in boxes or packages, and forwarded before the 20th September next, to

J. H. BROOKE,
Agent to the Commissioners, Melbourne.

[Should any of the packages be deemed unsuitable for the safe transmission of the specimens to Paris, the Commissioners will have proper cases made, and charge the same to the exhibitor.]

6. The form of stands and show-cases for the display of the various specimens will be left to the individual taste of the exhibitors, subject, however, to the approval of the Commissioners' and must be provided at the cost of the exhibitors.

7. Those who desire to exhibit commercial articles in the Exhibition Building, in Melbourne, will be allowed to have attendants in waiting to answer enquiries respecting the same, but cannot be permitted to remove them until the close of the exhibition.

8. A receipt will be given for specimens as received, and they will be arranged, exhibited, and forwarded to Paris free of expense to the owners.

9. Care will be taken of the articles in the exhibition, but the Commissioners will not be responsible for loss or injury on transit to or from Melbourne, or while in the exhibition.

10. The Commissioners will give a testimonial to exhibitors, and award prize medals to those worthy of the distinction.

11. The Commissioners will afford every facility to exhibitors of valuable specimens, to insure the same, on their being transmitted to Paris; and if exhibitors be desirous of disposing of specimens in Paris, will effect their sale, and pay the proceeds to the exhibitors or their agents, after deducting all expenses attendant on such sale. Exhibitors wishing to have their specimens sent to England, may have them forwarded to any part of the United Kingdom on pre-payment of the expense of their transit from Paris to London.

12. Those articles exhibited in Melbourne only will be delivered to the owners, or persons authorised by them, on production of the Commissioners' receipts.

NOTE.—Any further or more particular instructions required by exhibitors to meet exceptional cases, will be furnished by the Local Committees at Alberton, Ballaarat, Beechworth, Belfast, Castlemaine, Geelong, Heathcote, Kilmore, Portland, Sandhurst, and Warrnambool, or at the Office of the Commission, Melbourne, daily, between Eleven A.M. and Three P.M.
