PETITION FOR MUNICIPAL INSTI-
TUTIONS.

RICHMOND.

IN pursuance of the Act of Council, 18 Vic-
toria, No. 15, the Lieutenant Governor,
with the advice of the Executive Council, has
been pleased to direct the publication of the
substance and prayer of a Petition to His
Excellency, signed by two hundred and sixty-one
householders of the district commonly called and
known as "Richmond," in the County of
Bourke, stating,—

That as inhabitants of a populous and impor-
tant district not yet proclaimed a town, and
suffering from the want of local government, they
hail with satisfaction the passing of the said Act:
also, that the area of the locality known as
'Richmond,' is a little more than three and a
half square miles, and contains a population of
upwards of 7000 persons, residing in about 2000
houses. The petitioners further state that—

"The boundaries of the said locality are clearly
and equitably defined in Schedule F, No. 5, of an
Act, intituled, '*An Act to establish a Consti-
tution in and for the Colony of Victoria,*' which
boundaries are as follow:—Commencing at a
point on the Yarra Yarra River due south from
the south-eastern angle of Gisborne-street, bound-
ed on the west by a line due north to the said
angle; thence by the east side of Gisborne-street
to Victoria-parade; thence by the southern sides
of Victoria-parade and Victoria-street and a pro-
longation of that line to the Yarra Yarra River;
on the east and south by the Yarra Yarra River
to the commencing point."

And the prayer is as follows:—

"Your petitioners therefore pray that your
Excellency may be moved to declare by Procla-
mation the said locality to be a municipal district,
by the name of 'Richmond,' and also that the
boundaries of the proposed municipal district be
those defined in the said Constitution Act."

By His Excellency's Command,
WILLIAM C. HAINES.

Colonial Secretary's Office,

PETITION FOR MUNICIPAL INSTI-
TUTIONS.

SANDRIDGE.

IN pursuance of the Act of Council, 18 Vic-
toria, No. 15, the Lieutenant Governor,
with the advice of the Executive Council, has
been pleased to direct the publication of the
substance and prayer of a Petition to His Ex-
cellency, signed by two hundred and seven
householders, resident in the district commonly
called and known as "Sandridge," South Mel-
bourne, in the County of Bourke, stating, among
other things—

That the petitioners presented a memorial to
the late Lieutenant Governor, expressing a desire
to have the control over their local affairs; that
such memorial was favorably received, and repre-
sentations made that the necessary measures
would be adopted for granting its request; and
adding—

"That at the time the said memorial was pre-
sented, your petitioners, not being on the Elec-
toral Roll, were unrepresented in the proceedings

of the Corporation of Melbourne; but subse-
quently the said Corporation has been assisted by
the Government in borrowing a large sum of
money; and your petitioners have cause to fear
their interests were overlooked in reference to
that loan, inasmuch as the people of Sandridge
having been promised separate local government
previous to the said Corporation receiving the
assistance of the Government; your petitioners
reasonably expected they would have been pro-
tected from any liabilities on account thereof,
more particularly as they had no voice in the
raising or expending the said loan, nor had any
benefit whatever from it."

The Prayer is as follows:—

"Your petitioners therefore humbly pray
your Excellency will be pleased to interpose, so
that the influence and authority of the Govern-
ment may be exerted to shield them from so
great an injustice.

"And, further, your petitioners hereby declare
their desire that the provisions of the aforesaid
Municipalities Act should be extended to them
at the earliest possible period, and humbly pray
that your Excellency will be pleased, for that
purpose, to proclaim the area contained within
the following boundaries a Municipal District,
that is to say:—Commencing at the Sandridge
public pier, running westerly to the junction of
the river Yarra Yarra with Hobson's Bay;
bounded by Hobson's Bay from the said junction,
up the said river to a point on the bank of the
said river, opposite the Gas Works; bounded by
the river Yarra Yarra from such said point to
the Sandridge Road, at a point on the said road
about ten chains from the head of the Sandridge
Lagoon, in the direction of Emerald Hill;
bounded by a straight line from the latter named
point to the boundary of the proposed park, at
its junction with a certain place described on the
Government Survey Maps as Dundas Place;
bounded by a straight line along Dundas Place,
by the boundary of the proposed park, to the
three-chains-wide road proposed to be made, as
laid down in the Government Survey Maps; by
the said road to the sea-beach, and from the
point where the said road terminates at the sea-
beach along the beach to the commencing point,
namely, the Sandridge public pier; which said
boundaries are shown on the accompanying map,
and therein marked red.

"Your petitioners would further state, that
the boundary laid down on the map includes the
Sandridge Lagoon and Public Baths, also the
only spot of rising ground in the township,
namely, the hill on which the Customs' officer
resides. In reference to the Lagoon, your pe-
titioners consider it ought fairly to be included
within their boundary; because, in making their
purchases of land of the Government, many of
your petitioners have been swayed in their selec-
tion by considering the proximity of the Lagoon
gave a value to their purchases, whereas the
same reasons cannot be urged in favor of a claim
thereto by the people of any other district.
And your petitioners humbly hope that these
facts will meet with the consideration of your
Excellency in connection with the prayer of
their petition."

By His Excellency's Command,
WILLIAM C. HAINES.

Colonial Secretary's Office,
Melbourne, 5th March, 1855.

WHEATEN STRAW.

TENDERS (sealed) will be received up to Twelve o'clock on Wednesday, the 14th inst., from parties willing to supply the Government with Wheaten Straw, for the departments and the officers stationed within five miles of the Post Office, Melbourne, in such quantities as may be required during the remainder of the present year, the estimated monthly consumption (of 28 days) being about two tons.

One price to be named per ton for the whole supply.

Tenders to be endorsed, "Tender for Wheaten Straw," and addressed, prepaid, to the Acting Colonial Storekeeper, or deposited in the Tender Box of the Department, at the Office, Great Bourke-street west.

The lowest or any tender will not necessarily be accepted.

The decision of the Government will be made known on the 20th instant.

CONDITIONS.

1. The Straw supplied must be wheaten, good, dry, sound and sweet, and delivered in such quantities and at such places as may be required by requisitions made on the contractor through the department of the Colonial Storekeeper.

2. In the event of a difference of opinion between the contractor and the party receiving the supply, as to the quality, the same is to be decided by a Board of Survey, according to the practice of the service; but where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the contractor or his agent another, and these two will (previously to any proceeding on their part) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

3. If the Board, arbitrators, or umpire shall decide that the straw is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured by the party requiring it, and the expense charged to the contractor.

4. In the event of any unnecessary delay or failure of the contractors to supply the straw when required, it will be otherwise procured, and charged in like manner.

5. The contractor will be required to prepare his own account monthly, in the proper form, and on production thereof, properly vouched and completed, to the Colonial Storekeeper (or other officer appointed by His Excellency the Lieutenant Governor for that purpose) for examination, it will be forwarded to the Audit Office, and payment made through the Colonial Treasury.

6. Security will be required for the due fulfilment of the contract, in amount equal to one-third of the estimated cost of the whole supply required.

7. No tender can be attended to unless accompanied by a certificate signed by two responsible parties, stating that they are willing to become bound with the contractor in the sum required for the due performance of the contract, and the bond must be executed within seven days from

the day of acceptance of the tender being notified in the *Gazette*, failing of which the contract will be again advertised, or another tender accepted.

8. It will be in the power of either party to limit the contract, by giving, in writing, a notice of three calendar months to the opposite party; it being understood that such notice can be given only on the first day of a quarter, and within the period for which the contract is made or agreed to be made.

9. The tenders are required to be dated, and signed with the Christian name or names of the party tendering and his sureties at full length, and also setting forth their proper place of residence.
