IN pursuance of the Act of Council, 18 Victoria, No. 15, the Lieutenant Governor, with the advice of the Executive Council, has been pleased to direct the publication of the substance and prayer of a Petition to His Excellency, signed by one hundred and fifty-three landowners and householders of and in the township of Castlemaine, setting forth—

That the petitioners are desirous of availing themselves of the beneficial operation of the said Act;

And praying as follows:—

"Wherefore your petitioners do most respectfully pray that your Excellency may be graciously pleased to cause the said township of Castlemaine to be proclaimed, in due form of law, a municipal district, by the name of 'The Municipality of Castlemaine,' and also that the boundaries of the said municipal district may be regulated pursuant to the provisions of the said Act of Council."

**PETITION FOR MUNICIPAL INSTI-
TUTIONS.**

RICHMOND.

IN pursuance of the Act of Council, 18 Victoria, No. 15, the Lieutenant Governor, with the advice of the Executive Council, has been pleased to direct the publication of the substance and prayer of a Petition to His Excellency, signed by two hundred and sixty-one householders of the district commonly called and known as "Richmond," in the County of Bourke, stating,—

That as inhabitants of a populous and important district not yet proclaimed a town, and suffering from the want of local government, they hail with satisfaction the passing of the said Act: also, that the area of the locality known as 'Richmond,' is a little more than three and a half square miles, and contains a population of upwards of 7000 persons, residing in about 2000 houses. The petitioners further state that—

"The boundaries of the said locality are clearly and equitably defined in Schedule F, No. 5, of an Act, intituled, '*An Act to establish a Constitution in and for the Colony of Victoria*,' which boundaries are as follow:—Commencing at a point on the Yarra Yarra River due south from the south-eastern angle of Gisborne-street, bounded on the west by a line due north to the said angle; thence by the east side of Gisborne-street to Victoria-parade; thence by the southern sides of Victoria-parade and Victoria-street and a prolongation of that line to the Yarra Yarra River; on the east and south by the Yarra Yarra River to the commencing point."

And the prayer is as follows:—

"Your petitioners therefore pray that your Excellency may be moved to declare by Proclamation the said locality to be a municipal district, by the name of 'Richmond,' and also that the boundaries of the proposed municipal district be those defined in the said Constitution Act."

By His Excellency's Command,
WILLIAM C. HAINES.

Colonial Secretary's Office,

**PETITION FOR MUNICIPAL INSTI-
TUTIONS.**

SANDRIDGE.

IN pursuance of the Act of Council, 18 Victoria, No. 15, the Lieutenant Governor, with the advice of the Executive Council, has been pleased to direct the publication of the substance and prayer of a Petition to His Excellency, signed by two hundred and seven householders, resident in the district commonly called and known as "Sandridge," South Melbourne, in the County of Bourke, stating, among other things—

That the petitioners presented a memorial to the late Lieutenant Governor, expressing a desire to have the control over their local affairs; that such memorial was favorably received, and representations made that the necessary measures would be adopted for granting its request; and adding—

"That at the time the said memorial was presented, your petitioners, not being on the Electoral Roll, were unrepresented in the proceedings

of the Corporation of Melbourne; but subsequently the said Corporation has been assisted by the Government in borrowing a large sum of money; and your petitioners have cause to fear their interests were overlooked in reference to that loan, inasmuch as the people of Sandridge having been promised separate local government previous to the said Corporation receiving the assistance of the Government; your petitioners reasonably expected they would have been protected from any liabilities on account thereof, more particularly as they had no voice in the raising or expending the said loan, nor had any benefit whatever from it."

The Prayer is as follows:—

"Your petitioners therefore humbly pray your Excellency will be pleased to interpose, so that the influence and authority of the Government may be exerted to shield them from so great an injustice.

"And, further, your petitioners hereby declare their desire that the provisions of the aforesaid Municipalities Act should be extended to them at the earliest possible period, and humbly pray that your Excellency will be pleased, for that purpose, to proclaim the area contained within the following boundaries a Municipal District, that is to say:—Commencing at the Sandridge public pier, running westerly to the junction of the river Yarra Yarra with Hobson's Bay; bounded by Hobson's Bay from the said junction, up the said river to a point on the bank of the said river, opposite the Gas Works; bounded by the river Yarra Yarra from such said point to the Sandridge Road, at a point on the said road about ten chains from the head of the Sandridge Lagoon, in the direction of Emerald Hill; bounded by a straight line from the latter named point to the boundary of the proposed park, at its junction with a certain place described on the Government Survey Maps as Dundas Place; bounded by a straight line along Dundas Place, by the boundary of the proposed park, to the three-chains-wide road proposed to be made, as laid down in the Government Survey Maps; by the said road to the sea-beach, and from the point where the said road terminates at the sea-beach along the beach to the commencing point, namely, the Sandridge public pier; which said boundaries are shown on the accompanying map, and therein marked red.

"Your petitioners would further state, that the boundary laid down on the map includes the Sandridge Lagoon and Public Baths, also the only spot of rising ground in the township, namely, the hill on which the Customs' officer resides. In reference to the Lagoon, your petitioners consider it ought fairly to be included within their boundary; because, in making their purchases of land of the Government, many of your petitioners have been swayed in their selection by considering the proximity of the Lagoon gave a value to their purchases, whereas the same reasons cannot be urged in favor of a claim thereto by the people of any other district. And your petitioners humbly hope that these facts will meet with the consideration of your Excellency in connection with the prayer of their petition."

By His Excellency's Command,
WILLIAM C. HAINES.
