PETITION FOR MUNICIPAL INSTI- TUTION.

EMERALD HILL.

IN pursuance of the Act of Council, 18 Victoria, No. 15, the Lieutenant-Governor, with the advice of the Executive Council, has been pleased to direct the publication of the substance and prayer of a Petition to His Excellency, signed by three hundred and eighty-seven householders, resident in the district commonly called and known as "Emerald Hill," South Melbourne, in the County of Bourke, setting forth—

"That the Petitioners are all householders within the meaning of the said Act, are more than one hundred and fifty in number, and are all resident within an area not exceeding nine square miles, containing a population of more than three hundred householders.

"That the locality generally known as Emerald Hill, within which the Petitioners reside, is a locality presently included within the corporate limits of the Corporation of the City of Melbourne.

"That your Petitioners are desirous that said locality should cease to be a portion of, or to be or be deemed to be within, the corporate limits of the Corporation of the said City of Melbourne, and have resolved to avail themselves of the provisions of the Act partly above recited to have the same effected; and also to have the said district of Emerald Hill, with an area of nine square miles, constituted a Municipal District, governed by a Council, to be created a Body Corporate in manner, and with and under the several powers, provisions, and conditions prescribed by and contained in the said Act."

And praying His Excellency, with the advice of the Executive Council,

"To cause the substance and prayer of this Petition to be published in the *Government Gazette* in terms of the Act partly above recited; and thereafter, and as soon as the provisions and terms of the said Act will permit—the consent of the Council of the Corporation of Melbourne being first had and obtained—to constitute, by proclamation, the locality generally

1. Articles supplied to be of the best quality of their several kinds, hay to be oaten, good,

sound, and sweet, and to be delivered in such quantities as may be required by the officer in charge of the station, or if preferred in such quantities as there may be sufficient storage accommodation available for its protection.

2. In the event of a difference of opinion between the contractor and the party receiving the supplies, as to the quality, the same is to be decided by a Board of Survey, according to the practice of the service; but in country districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

3. If the Board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured by the party requiring it, and the expense charged to the contractor.

4. In the event of any unnecessary delay or failure of the contractors to supply the articles when required, they will be otherwise procured, and charged in like manner.

5. Contractor will be required to prepare his own account monthly, in the proper form; and on production thereof, properly vouched and completed, to the Civil Commissary General, or Assistant Civil Commissary of the district, for examination, it will be forwarded to the Audit Office, and payment will be made through the Colonial Treasury.

6. The value of all packages to be included in the prices demanded.

7. Security in one-third of the estimated value of entire supply will be required for the due fulfilment of the contract. No tender can be attended to unless accompanied by a certificate from two responsible parties proposed as security, stating they are willing to become bound as securities for the contractor accordingly, and the bonds must be executed within twenty days from the day of acceptance of the tender being notified, failing of which the contracts will be again advertised or another tender accepted.

8. Tenders are required to have attached to them the signatures of the party or parties willing to supply the Government with the articles enumerated, as also the names of the persons proposed as sureties for the due fulfilment of their contracts, stating fully the addresses or residence.
