General Post Office, Melbourne.

LIST OF UNCLAIMED SHIP LETTERS FOR THE WEEK ENDING 8TH NOVEMBER, 1856.

PARTIES applying for Letters at the General Post Office are particularly requested to give the correct number of the letter, and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, corner of Elizabeth and Bourke-streets. The next List will contain all letters received by Ship up to the 15th November, 1856.

N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by Ship from England, Foreign Countries, and the neighbouring Colonies.

A. McCRAE,
Postmaster General.

ST. KILDA MUNICIPALITY.

PETITION FOR ALTERATION OF BOUNDARIES.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Officer administering the Government, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency, as hereinafter set forth, signed by three hundred and one householders residing within the municipal district of St. Kilda, and in the portion of St. Kilda at present included within the limits of the city of Melbourne.

By His Excellency's Command,

The petitioners state that the district of St. Kilda, without the city of Melbourne, was, by Proclamation bearing date the 23rd of April, 1855, constituted a municipal district by the name of the Municipality of St. Kilda.

And the petitioners pray as follows:—

"Your Excellency's petitioners therefore pray that Your Excellency will be pleased, with the advice of the Honorable the Executive Council, to vary and alter the limits and boundaries of the said municipal district, and to proclaim the limits and boundaries of the land described in the schedule marked A herewith annexed as the limits and boundaries of the municipal district constituting the Municipality of St. Kilda."

Schedule A above referred to.

"Commencing at the boundary post at Hobson's Bay where the boundary of the Municipality of Emerald Hill terminates; thence in an easterly direction following the boundary line of the said municipal district to its junction with the Brighton road; thence across the Brighton road through the centre of the High Holborn road to the centre of the Punt road; thence in a southerly direction along the centre of the same road to Wellington-street, or known as the Great Dandenong road; thence easterly along the centre of the Dandenong road to the north-east angle of allotment 154 B; thence south along the centre of a road unnamed to its junction with the Western Port road; thence in a line along the centre of the same road to the Glen Huntley road; thence westward along the centre of the same road to its junction with the Punt road; thence southerly along the centre of the same road to Hobson's Bay; thence northerly along the high water mark to the commencing point."

Printed forms of tender may be obtained from the Colonial Storekeeper, Melbourne, or the officer in charge of the police at each station, by whom also any information or explanation will be afforded to persons tendering.

The tenders for each station must be separate, and will be accepted or rejected separately.

At stations where oats and bran cannot readily be procured, the tenders may be for hay or straw only. When all the supplies are included in one tender, it will, if advisable, be accepted for hay and not for the other articles.

The price must be per ton for hay and straw, and per bushel for oats and bran, including delivery at the stations and all charges.

The net weight only, after deducting the tare, is to be charged.

No tender will be entertained unless accompanied by a certificate from two responsible persons that they are willing to become bound as sureties for the due fulfilment of the contract in one-third the estimated cost of the entire supply at the station tendered for; and in the event of the tender being accepted, the bond must be executed within twenty days, failing which, the contract will be again advertised or another tender accepted.

The names and addresses of the tenderers and of their proposed sureties must be stated at full length.

All tenders must be enclosed in a separate envelope, marked "Tender for —" (as the case may be), and be deposited in the Tender Box at the Colonial Stores, Great Bourke-street west, or if sent by post, they must be addressed to the Colonial Storekeeper, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known on the 1st December, 1856.

CONDITIONS.

1. The hay to be eaten, good, sound and sweet; straw to be wheaten, and both to be in all respects of the best quality; oats and bran to be also of the best description, sound and sweet.

2. The delivery to be made at such times, and in such quantities, as may be required by the officer of police in charge of the station. The quantity stated in the schedule must be considered as approximative only, and it must be understood that the Government will draw either more or less than is there given. The excess over the estimate will however in no case exceed 50 per cent.

3. The contracts entered into under this notice are not to be considered as being infringed or vitiated by any contracts made by the Military Commissariat.

4. The forage when delivered must be accompanied by an invoice of quantity, shewing the gross weight, the tare, and

the net weight. The invoice must be left with the officer in charge of the station, and without it no forage will be received.

5. Whenever forage shall be delivered at a station, a receipt is to be taken from the officer in charge for the net quantity, and the receipt must be rendered in support of the contractor's account.

6. Each contractor will be required to prepare his own account monthly, in the prescribed form, and on presentation thereof in a complete state to the Colonial Storekeeper for examination, it will be forwarded through the proper channel for payment at the Treasury, or the Sub-Treasury of the District.

7. Should forage duly ordered under these contracts not be delivered within forty-eight hours from a reasonable time to be fixed by the officer in charge of the station, it will be competent for the Head of the Department, or officer in charge, should circumstances require it, to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

8. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a Board of Survey, composed of persons named by the Head of a Department, and the decision of the Board is to be considered final.

9. If the Board shall decide that the forage is not of proper quality it must be immediately replaced by the contractor, failing which, it will be procured elsewhere, and the expense, if any, will be charged as in clause 7.

10. When a Board of Survey cannot be conveniently assembled, or when from some other cause injury would accrue either to the public service or to the contractor by waiting for a Board of Survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and the contractor must take back the rejected forage and supply good in its stead, failing which, it will be obtained by the officer requiring it, and the expense will be charged as in clause 7.

11. A repetition of irregularity in the quantity or quality of the forage, or of delay in delivering or replacing it when required, will subject the contractor, upon report from the Colonial Storekeeper, to such mulct, not exceeding one-fourth the monthly account, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

12. It will be competent for the Colonial Storekeeper, on behalf of the Government, to terminate the contract by giving in writing a notice of three full calendar months to the contractor, it being understood that such notice can be given only from the first day of a month.

CHARLES SLADEN.
