ST. KILDA MUNICIPALITY.

PETITION FOR ALTERATION OF BOUNDARIES.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Officer administering the Government, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency, as hereinafter set forth, signed by three hundred and one householders residing within the municipal district of St. Kilda, and in the portion of St. Kilda at present included within the limits of the city of Melbourne.

By His Excellency's Command,
WILLIAM C. HAINES.

X.9165.

The petitioners state that the district of St. Kilda, without the city of Melbourne, was, by Proclamation bearing date the 23rd of April, 1855, constituted a municipal district by the name of the Municipality of St. Kilda.

That it has been found that the limits and boundaries of the said municipal district, as defined in the said Proclamation, are not suited for the successful establishment of a municipality therein, and it is desired that they may be altered so as to render them more suitable and at the same time to include the portion of St. Kilda at present comprised within the city of Melbourne, the majority of the householders resident in that locality desiring such inclusion.

And the petitioners pray as follows:—

"Your Excellency's petitioners therefore pray that Your Excellency will be pleased, with the advice of the Honorable the Executive Council, to vary and alter the limits and boundaries of the said municipal district, and to proclaim the limits and boundaries of the land described in the schedule marked A hereunto annexed as the limits and boundaries of the municipal district constituting the Municipality of St. Kilda."

Schedule A above referred to.

"Commencing at the boundary post at Hobson's Bay where the boundary of the Municipality of Emerald Hill terminates; thence in an easterly direction following the boundary line of the said municipal district to its junction with the Brighton road; thence across the Brighton road through the centre of the High Holborn road to the centre of the Punt road; thence in a southerly direction along the centre of the same road to Wellington-street, or known as the Great Dandenong road; thence easterly along the centre of the Dandenong road to the north-east angle of allotment 154 B; thence south along the centre of a road unnamed to its junction with the Western Port road; thence in a line along the centre of the same road to the Glen Huntley road; thence westward along the centre of the same road to its junction with the Punt road; thence southerly along the centre of the same road to Hobson's Bay; thence northerly along the high water mark to the commencing point."

EAST COLLINGWOOD MUNICIPALITY.

PETITION FOR ALTERATION OF BOUNDARIES.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Officer administering the Government, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency, as hereinafter set forth, signed by Five hundred and forty-one householders residing within the municipal district of East Collingwood.

By His Excellency's Command,
WILLIAM C. HAINES.

The petitioners state that they are desirous of maintaining in proper repair the foot and carriage ways of streets and roads in front of the dwellings and property of the ratepayers along the municipal boundaries, which are at present limited to the front line of houses or land in Victoria-street, Victoria Parade, Smith-street, and Heidelberg-road, but are unable legally to effect such objects without the extension of the municipal boundaries so as to include therein such footways and the half of such carriage ways, excepting as regards Victoria Parade, of which thirty-three feet from the outer line of the foot-way on the north side will suffice.

That, deeply impressed with the necessity for spacious areas for the health and recreation of the residents of the municipality, a portion of which is densely populated, and anticipating a large accession of population, they desire to bring under notice that the Municipal Council have petitioned for a grant of Studley Park reserve as a place of recreation.

That they consider Studley Park reserve eminently adapted for a place of public recreation from the beauty of its site and its facility of access.

And the petitioners pray as follows:—

"Your petitioners therefore pray that your Excellency will be pleased to extend the municipal boundaries of East Collingwood so as to include therein the line of streets and roads and the Studley Park reserve, as petitioned for by the said Municipal Council; the latter, the Studley Park reserve, by a conveyance to such Council in trust for the purposes of health and recreation to the inhabitants of East Collingwood Municipality in particular, and the people of Victoria in general."
