## PUBLIC ACCOUNTS.

**W**ITH a view to the early closing of Accounts of the current year, Heads of Departments are required to obtain immediate presentation for payment of all Accounts for services or supplies to their Establishments, and to use every means in their power to procure the settlement of claims for 1856, within the period of the present year.

Any Accounts for 1856 which may reach the Treasury after the 15th proximo, must be accompanied with a distinct explanation of the causes of delay in presentation, which will become the subject of enquiry if necessary.

## LIST OF UNCLAIMED SHIP LETTERS FOR THE WEEK ENDING 8TH DECEMBER, 1856.

**P**ARTIES applying for Letters at the General Post Office are particularly requested to give the correct number of the letter, and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, corner of Elizabeth and Bourke-streets. The next List will contain all letters received by Ship up to the 16th December, 1856.

*N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by Ship from England, Foreign Countries, and the neighbouring Colonies.*

A. McCRAE,  
Postmaster General.

**EAST COLLINGWOOD MUNICIPALITY.**

PETITION FOR ALTERATION OF BOUNDARIES.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Officer administering the Government, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency, as hereinafter set forth, signed by Five hundred and forty-one householders residing within the municipal district of East Collingwood.

By His Excellency's Command,  
WILLIAM C. HAINES.

The petitioners state that they are desirous of maintaining in proper repair the foot and carriage ways of streets and roads in front of the dwellings and property of the ratepayers along

the municipal boundaries, which are at present limited to the front line of houses or land in Victoria-street, Victoria Parade, Smith-street, and Heidelberg-road, but are unable legally to effect such objects without the extension of the municipal boundaries so as to include therein such footways and the half of such carriage ways, excepting as regards Victoria Parade, of which thirty-three feet from the outer line of the foot-way on the north side will suffice.

That, deeply impressed with the necessity for spacious areas for the health and recreation of the residents of the municipality, a portion of which is densely populated, and anticipating a large accession of population, they desire to bring under notice that the Municipal Council have petitioned for a grant of Studley Park reserve as a place of recreation.

That they consider Studley Park reserve eminently adapted for a place of public recreation from the beauty of its site and its facility of access.

And the petitioners pray as follows:—

“Your petitioners therefore pray that your Excellency will be pleased to extend the municipal boundaries of East Collingwood so as to include therein the line of streets and roads and the Studley Park reserve, as petitioned for by the said Municipal Council; the latter, the Studley Park reserve, by a conveyance to such Council in trust for the purposes of health and recreation to the inhabitants of East Collingwood Municipality in particular, and the people of Victoria in general.”
