TRANSFERABLE AND REMITTABLE NEW SOUTH WALES GOVERNMENT DEBENTURES.

IN conformity with the provisions of the Public Works Loan Acts of the Governor and Council, 19 Victoria, Nos. 13, 23, and 38, His Excellency the Governor General, with the advice of the Executive Council, directs it to be notified, that Sealed Tenders will be received at this Office until noon of Tuesday, the 4th March proximo, from persons desirous of advancing the whole or any portion of the sum of Fifty thousand pounds on the following security, and subject to the undermentioned terms and conditions, viz.:

1. Each tender must be for an even sum of hundreds of pounds, and must be endorsed, "Tender for Debentures."
2. If the tender be accepted, Debentures for One hundred pounds each, secured on the Consolidated Revenues of New South Wales, will be issued for the sum advanced, and will bear interest at the rate of five per cent. per annum, payable half-yearly, on the 1st of January and 1st of July.
3. The principal will not be payable for a period of less than twenty years from the date of the Debenture, but it will be redeemable at par at any time thereafter at the option of the Government, on six months' notice to that effect being given in the *New South Wales* or *London Gazette*, according as the same may be payable in the Colony or in England; and it will also be redeemable at par at the option of the holder for the time being, after the expiration of the same period, on his giving six months' notice to that effect to the Colonial Agent General, in London, or the Colonial Treasurer, in Sydney, as the case may be.
4. At the expiration of the six months' notice given either by the Government or the holder, the interest on the Debenture to which such notice shall apply will cease and determine.
5. The principal and interest of each Debenture will be payable at the option of the holder for the time being, either in Sydney or London; any change which it may be desired to make in this respect being previously registered at the Colonial Treasury, in Sydney, and in the Office of the Colonial Agent General, in London, and endorsed upon the Debenture, which must be presented accordingly at both these Offices for that purpose.
6. Whenever a Debenture may be made payable in London, a duplicate thereof will be transmitted by the Colonial Treasurer to the Colonial Agent General, by such opportunity as the holder may desire, in order that the same may be available on proof of the loss of the original.
7. The Debentures will be transferable if made out in blank, in the same manner as Exchequer Bills; but if made payable to any individual or firm, then by endorsement, as in the case of Bills of Exchange.
8. The amount tendered, if accepted, must be paid in cash.
9. The Government will not consider itself bound to accept any tender which may not be deemed eligible or advantageous for the public service.
