The petitioners state that they are desirous of having the districts of Newtown and Chilwell separated from the corporation of Geelong, and formed into a municipality, bounded as shewn on a plan, viz.:—"Commencing at the junction of Aberdeen street with La Trobe terrace, and bounded on the north by the centre of Aberdeen street, bearing west 1 mile 23 chains; on the east by the centre of the Great Western road, bearing north 20 chains; on the north, again by the centre of the Great Western road, bearing west 51 chains; on the west by the centre of the Government road in front of the Orphan Asylum, bearing south to the River Barwon 24 chains 50 links; on the west again and south, by the centre of the River Barwon as far as La Trobe terrace; and on the east by the centre of La Trobe terrace, bearing north 1 mile 12 chains, back to the commencing point."

They further state that the area defined is less than nine square miles, that no one point therein is distant more than six miles from any other point, and that the population far exceeds three hundred.

NOTICE is hereby given that a map and survey plan, describing the exact course and bearings of, and the ad-measurements required for, a road from Moonee Ponds to Brunswick, in the county of Bourke, proposed to be made by the Central Road Board, together with a description of the lands through which the same is proposed to pass, and the names of the owners and occupiers thereof, so far as known, and also an estimate of the expense of the said work, have been deposited in the Public Lands Office, Melbourne, the particulars of which are as follow:—

The road commences at "A" on the Mount Alexander road and runs in continuation of a road from Raleigh's Punt for twenty-two (22) chains at ninety degrees (90°), i.e. east; thence for twenty (20) chains at seventy-five degrees (75°) twenty minutes (20'); thence for twelve (12) chains eighty-two (82) links at one hundred and sixteen degrees (116°); thence crosses the Moonee Ponds Creek at two (2) chains thirty (30) links, and terminates in the Government Reserve, from which termination to the Sydney road is eighty-six (86) chains ninety-five (95) links at ninety degrees (90°), passing through the properties of William Fletcher and Charles Falconer.

The quantity of land required to be taken for the proposed road is eight acres one rood eight perches, and the estimated cost of effecting the said work is £249.

All persons affected by the proposed road are requested to set forth in writing, addressed to the President of the Central Road Board, Melbourne, within forty days from the first publication of this notice, any well-grounded objections that they may have to the said alteration, failing which they will be thereafter precluded from making any such objections or claiming any compensation whatsoever.

MEMORIAL FOR A ROAD DISTRICT.
WILL-WILL-ROOK, YUROKE, AND MICKLEHAM.

THE substance and prayer of a memorial addressed to His Excellency the Governor by the inhabitants of the parishes of Will-will-rook, Yuroke, and Mickleham, in public meeting assembled, representing that it is desirable that their locality should be constituted a road district, under the name of "The Broadmeadows Road District," are published below for general information.

By His Excellency's Command,
DAVID MOORE,
President of the Board of Land and Works.

The memorialists state that they have long suffered from the deplorable state of their roads, that the lands in their districts realized the highest prices at the time of sale, and that they are impressed with the necessity of a local road board for the purpose of forming and maintaining their roads.

They draw special attention to the fertile character of their lands, the agricultural produce of which might be made available for the Melbourne market during all the seasons, but is now excluded from that market for eight months in the year, a result inflicting serious loss upon the memorialists by preventing them from competing on equal terms with other districts, and adverse, as they conceive, to the interests of the colony at large.

They therefore request His Excellency to constitute the parishes of Will-will-rook, Yuroke, and Mickleham a road district, under the name of "The Broadmeadows Road District," in accordance with the Act of Council 16 Victoria No. 40, to be bounded as follows:—

"Commencing at the south-west corner of portion number one, in the parish of Will-will-rook, bounded on the south-west by the Moonee Ponds to the north-west corner of portion number seven, in the parish of Will-will-rook; thence on the north by the north boundary line of the parish of Will-will-rook to the south-west corner of section number one, in the parish of Yuroke; thence on the west by the west boundary line of the parish of Yuroke to the south-east corner of allotment number one, in the parish of Mickleham; thence on the south by the south boundary line of the parish of Mickleham to the Deep Creek; thence on the west by the Deep Creek bearing north-easterly to the north-west corner of the village reserve of Deepdene; thence on the north by the north boundary line of the parish of Mickleham to the north-east corner of section number twenty-nine, in the parish of Mickleham; thence on the east by the west boundary line of the parish of Kalkallo to the north-west corner of section number twenty-three, in the parish of Yuroke; thence again on the north by the north boundary line of the parish of Yuroke to the Merri Creek; thence on the east by the Merri Creek to the south-east corner of portion number fifteen, in the parish of Yuroke; thence again on the south by the south boundary line of the parish of Yuroke to the north-east corner of section number six, in the parish of Yuroke; thence again on the east by the east boundary line of the parish of Yuroke to the north-west corner of portion number thirteen, in the parish of Will-will-rook; thence again on the north by the north boundary line of the parish of Will-will-rook to the Merri Creek; thence again on the east by the Merri Creek to the south-east corner of portion number three, in the parish of Will-will-rook; thence again on the south by the south boundary line of the parish of Will-will-rook to the commencing point on the Moonee Ponds, at the south-west corner of portion number one, in the parish of Will-will-rook."

THE attention of breeders of horses, and dealers, is drawn to the following extracts from a despatch received on the 4th instant.

By His Excellency's Command,
WILLIAM C. HAINES,

EXTRACTS FROM DESPATCH DATED "COUNCIL CHAMBER, FORT WILLIAM, 20TH JULY, 1857."

"The Right Honorable the Governor General of India will be much obliged to His Excellency the Captain General and Governor-in-Chief of Victoria, if he will cause enquiries to be made with respect to powerful horses about five years of age, suited to carry men of the Dragoon Guards, two of which corps it is understood have been ordered to India.

"An officer will be despatched by the next steamer to Sydney to select the horses, and it would be a great convenience if the parties having horses could be induced to have the horses ready for selection at that time.

"From three to four hundred horses, at least, will be required from each of the colonies of New South Wales, Victoria and Van Diemen's Land.
