MUNICIPAL INSTITUTIONS.

COUNTER-PETITION, FITZ ROY WARD.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a counter-petition (presented to His Excellency on the 16th instant) as hereinafter set forth, and signed by thirteen hundred and eight resident householders and owners of property situate in Fitz Roy ward, in the city of Melbourne, such counter-petition being in opposition to a petition previously presented from the same ward, and gazetted on the 19th ultimo.

By His Excellency's Command,
WILLIAM C. HAINES.

The counter-petitioners state that they are resident householders and owners of property in Fitz Roy ward, Melbourne, and have learned with deep regret that a portion of the ratepayers have taken steps to obtain its separation from the city, and its formation into a municipality.

That they are of opinion that the arguments and accounts adduced in favor of separation are erroneous and calculated to mislead, separation not being advisable.

That instead of the corporate revenue being insufficient by £36,000 to meet current expenses and keep in mod-rate repair the made streets, as calculated with questionable care by the advocates for separation, they estimate the revenue for the current year at £55,000, and the interest on the Gabrielli loan at £27,000, thus leaving £28,000 to meet the cost of management, repairs, scavenging, &c.

That they believe that the proposition made in the City Council to raise a further loan of £300,000, dwelt upon as impolitic, will not be carried out.

That in quoting from official returns the heavy charges for the staff and management of the city corporation for the year ending 31st August, 1856, the petitioners for separation concealed the fact that the same returns indicate an expenditure in that year of upwards of £130,000 of the Gabrielli loan for public works and special improvements whereby extended and professional supervision was necessitated. The counter-petitioners estimate the cost of management for the present year at less than £9000.

That the plea of the unequal representation of Fitz Roy ward rests merely on proportional acreage, and cannot be sustained, for while the assessed annual value of property in the ward for the year 1857 is £102,960, that of the city is £672,560.

That they are unwilling to relinquish their interest as citizens in the valuable city markets and buildings, or in the flagging (worth £10,000), which the corporation offers to the citizens on liberal terms.

That they feel convinced that the separation of the ward would be prejudicial to its interests, and expose it to influences operating in other municipalities, where (the counter-petitioners state) it is unfortunately known that public interests are sacrificed to party feeling; and that their interests and the

interests of the ward generally will be safer in the hands of the experienced council of the city (of whose shortcomings they are fully aware) rather than in the management of a new council, under whose care they fear a repetition of the jobbery and self-seeking which are happily now being eradicated from the corporation of Melbourne.

And the counter-petitioners pray as follows:—

"Your petitioners therefore most humbly and urgently pray that your Excellency will take their case into your most serious consideration, and that your Excellency will be pleased to favorably entertain our petition by refusing to grant a separation from the city of Melbourne."

(The signatures, 1308 in number, will be found in pp. 1356, 1386 ante.)

Chief Secretary's Office,

RICHMOND MUNICIPALITY.

SECOND PETITION FOR ALTERATION OF BOUNDARIES.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition as hereinafter set forth, signed by two hundred and eight householders resident within the municipal district of Richmond.

By His Excellency's Command,
WILLIAM C. HAINES.

B.5334.

The petitioners state that by a Proclamation bearing date 18th February, 1857, the boundaries of the municipal district of Richmond were declared to be as follow:—"Commencing at a point in the centre of Victoria street due north of the eastern boundary of Hoddle street; thence by a line passing through the centre of Victoria street, and produced thence due east to the River Yarra; thence by the western and northern banks of the River Yarra to the Punt road; and thence by the eastern side of the Punt road and Hoddle street to the commencing point."

That the Punt road and Hoddle street from the Yarra to Victoria street are at present within the city of Melbourne, but have hitherto been under the control and management of the Central Road Board.

That several of the petitioners represented to the municipal council of Richmond the impassable condition of Hoddle street, and were informed that that street being beyond the municipal limits, the council could not legally expend its funds in making it.

That applications have also been made to the Central Road Board and the Government by the municipal council and by the inhabitants of the district respecting the state of Hoddle street, and the petitioners are informed that it has been arranged between the Government and the municipal council to place the control and management of the Punt road and Hoddle street, and also of the Richmond punt, in the hands of the municipal council.

That they are desirous that such arrangement should be at once carried into effect, Hoddle street being impassable, and access to the premises adjoining it nearly impracticable, and all the residents on the eastern side of that street being rated in the municipal district.

That in order to enable the municipal council to apply its funds to making or repairing the said road and street, they are informed the municipal boundaries will require to be altered so as to include such road and street; and in order to give the council the proper control and management of the punt, a portion of the road on the south side of the Yarra opposite the punt should also be included within the municipal boundary.

Lastly that the area of the municipal district, if extended as proposed, will still not be nine square miles.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that the limits and boundaries of the municipal district of Richmond may be extended to the western side of the Punt road and Hoddle street, between the north side of the River Yarra and the south side of Victoria street, and thence further north across Victoria street to a point parallel with the commencing point referred to in the before-mentioned Proclamation of 18th February, 1857, and thence east to such commencing point, and that the boundary may be extended to the south side of the river, so as to include so much of the road there opposite the punt as may be necessary (say one square chain) for the proper working the punt and collecting the tolls."
