PETITION FOR MUNICIPAL INSTITUTIONS.

ARARAT.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by Two hundred and twenty-five householders at Ararat, in the county of Ripon, praying for the erection of the said township into a municipal district.

By His Excellency's Command,
JOHN O'SHANASSY.

H.6668.

The petitioners state that they are convinced that necessity exists for the erection of Ararat into a municipal district, and that its incorporation will tend to the improvement and good government thereof; and they suggest the following boundary line, viz.:—"Commencing at a point 12,150 links, more or less, north from the north-east corner of allotment 2, section 2, parish of Burcembcep, to be continued thence by a line bearing north 12,000 links; thence by a line bearing east 32,000 links; thence by a line bearing south 12,000 links; and thence by a line bearing west 32,000 links to the point of commencement, containing an area of about six square miles, within which no spot shall be distant six miles from any other spot," and a population of more than 300 householders.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that Ararat may be proclaimed a municipal district according to the Act of Council 18 Victoria No. 15."

SANDHURST MUNICIPALITY.
REPORT OF THE PROCEEDINGS OF THE MUNICIPAL COUNCIL OF
SANDHURST, FOR THE HALF-YEAR ENDING 10TH JULY, 1858.
PUBLIC WORKS.

THE state of the municipal funds during the past half-year, which commenced with the council being indebted above £3400, and the delay that has occurred in obtaining the Government grant in aid, has prevented many works being entered upon that otherwise would have been; but still the expenditure under this head amounts to £2955 1s. A large portion of this has been expended in repairing and maintaining roads and footpaths previously made. Amongst the new works completed or in progress are the kerbing and channelling of portions of Hargreaves street, Mitchell street, and Arnold street; road formation in Mitchell street, Arnold street, Williamson street, and off McIvor road; sinking wells at White Hills; constructing new tanks, and deepening others, providing new lamps, fixing new weighbridge, and erecting and flagging market stalls, &c.

APPLICATIONS TO GOVERNMENT.

The want of success which attended several written applications to the Government, and the urgent necessity which existed for some work to be done to the Bendigo Creek, at that time completely filled up, induced the council in February to send a deputation to the authorities in Melbourne, personally to urge an immediate attention to various claims. The deputation, consisting of the chairman (W. Vazie Simons, Esq.), Councillor Sullivan, and the town clerk, were successful in obtaining:—

1st. A grant of a limited sum of money, to keep a channel open down the creek, for the current year.

2nd. The immediate passing of the market bye-law, which had been delayed from the August of last year.

3rd. The erection of police station at White Hills.

4th. That instructions should be given to the district road engineer to consult with the council on what portions of the roads in the district the money voted for public roads should be expended, and other minor matters.

In answer to written applications, the conservancy of the water reserve, Commissioner's Gully, has been granted; but the following have been refused or the answers are deferred:—

The immediate passing of a Building Act. The grant of sites for public parks. The prevention of illegal occupancy of Crown Lands, as in the case of the Bank of Victoria. The grant of money for municipal police court.

That thorough and comprehensive measures be taken to dispose of the sludge.

Applications frequently repeated for the establishment of a branch post office, or receiving house, in Golden square, are at last about to meet with success.

BYE-LAWS.

A bye-law, No. 15, for the regulation of municipal elections, and providing for vote by ballot, has been passed by the council, but is not yet assented to. Bye-law No. 13, for compelling the proper construction of drains, &c., and passed last year, has been twice amended, to meet objections by the Government, but assent is still withheld.

FINANCE.

The grant in aid for the present year amounts to £9636, of which £7227 has been just received.

The assessment for the present year is not yet completed.

An amount of police fines (£20) due to the municipality has unfortunately got into the Treasury, and £14 1s. 6d. into the Audit Office, both which sums the council have not as yet been able to get repaid.

MARKETS.

The market was proclaimed on the 1st February, and the bye-law enabling the council to collect dues was assented to on the 26th February.

The tariff of rates was carefully reconsidered by a committee of the whole council in April, and unanimously confirmed. It being found that no parties came forward to rent the ground for stalls, and the council having also received a numerous signed petition on the subject, it was determined that twenty stalls should be erected, and which are now just completed.

The large new weighbridge imported by the council from England at a cost of £73, has been put down in the hay-market.

The market dues and weighbridge tolls have produced an average monthly amount of £80.

The market inspector's salary has been increased, in consequence of the great increase of his duties, to £350 per annum, he providing any assistance required.

MISCELLANEOUS.

In furtherance of the interests of the municipality during the first half-year, the chairman, W. Vazie Simons, Esq., has attended the Municipal Conference, Melbourne, held last June, and Councillor Sullivan also visited Castlemaine as a delegate from this council to a conference held there.

The necessity that exists for the erection of a suitable building for public offices, municipal police court, &c., has of course had the attention of the council, and a committee appointed has had many meetings, discussing various plans prepared by the town surveyor, the materials advisable to use, &c., and they have now arrived at conclusions which only require the sanction of the council to be carried out.

The council having offered a premium for an improved oil lamp, obtained one, which has made the lighting much better than with the lamp first used.

A most numerous signed petition for the formation of public cattle yards and slaughter-houses has been received, which is only waiting for information wanted from other towns to receive due attention at the hands of the council.

No. 1182.

MUNICIPAL DISTRICT OF PORTLAND.

REPORT OF THE PROCEEDINGS OF THE COUNCIL FOR THE SIX MONTHS ENDING ON THE 31ST JULY, 1858.

THE formation and metalling of the principal streets have been proceeded with, and much has been done in improving other parts of the town by forming the side channels and footpaths, and carrying off the surplus drainage in the proper directions, instead of allowing it to flow over the streets and private property.

The approaches to the new jetty have been completed, and the jetty has been at length opened for use.

The money granted for the Botanical Garden has been received, and a gardener engaged to take charge of the garden and make such improvements as the limited funds under the control of the council will admit of. That portion of the inclosure not included in the garden has been let for one year for £85.

Another attempt has been made to secure a separate mail bag from England to Portland, which, although not successful as yet, the council do not despair of ultimately succeeding.

There was a meeting of delegates from the different municipalities, on the subject of municipal endowment, held in Melbourne in the month of June, but, from the short notice given, it was not practicable for this council to be represented at that meeting, and no report of the proceedings of the delegates has been yet received.

Plans and specifications for the erection of a slaughter-house have been prepared, and tenders for the proposed works called for.

Mr. Must having resigned his seat in the council, an election of a successor took place on the 8th and 9th March, when Mr. T. E. Richardson was elected.

There have been during the last six months twenty meetings of the Council, which were attended by the several members as follows:—

The chairman attended	16	meetings
Mr. Smith	13	"
Mr. Henry	16	"
Mr. Finn	11	"
Mr. Fitzgerald	13	"
Mr. Browning	16	"
Mr. Richardson	13	" out of 15.

Adopted by the council this 3rd day of August, 1858.

H. LEARMONTH,
Chairman.
PHILIP SCOTT,
Clerk to the Council.
