The council are indebted to Mr. Councillor Hull for the use of a room used as the court house for the holding of the municipal meetings until council chambers are erected.

The council procured a design for a corporate seal, which was approved by the Governor, and the same is now in the hands of the engraver.

Mr. Charles Muir resigned his office of councillor, and a public meeting for the election of his successor has been duly convened for the 8th day of April next.

In consequence of the small number of ratepayers and the generally low assessments put upon property in the municipality, the council were compelled to levy a rate of One shilling and sixpence in the pound, but this the council confidently hope will be reduced in the ensuing year.

The council have used every exertion to keep the expenses of the municipality low, and to forward the interests and improvement of the town.

In conclusion, the council hope shortly to secure to Carisbrook all the advantages of municipal institutions, their organization having become settled and their work fairly commenced.

FINANCE.

A rate of One shilling and sixpence in the pound, moieties whereof were due on and after twenty days from the issue of the notices, and the 5th day of March ensuing, was struck by the council and approved by His Excellency the Governor.

Two courts of appeal were held for hearing appeals against the valuation assessments by the magistrates at the Petty Sessions on the 16th and 19th of January last, but the appeals were only two in number, and in each case the assessment was confirmed.
