**ERECTION OF TOLL-BARS.**

On the 16th August a conference took place at the Town Hall, on the subject of erecting a toll-bar near the new bridge over the Barwon, and one at the breakwater. The Commissioner of Roads and Bridges attended on behalf of Government, His Worship the Mayor of Geelong for the corporation, His Worship the Chairman of this municipality on behalf of this council, and C. J. Denny's, Esq., J.P., as chairman of the Barrabool Hills Road Board. A long discussion took place, in which His Worship the Mayor of Geelong opposed the erection of the proposed toll-bars altogether, but the Commissioner having signified that the Government thoroughly recognized the necessity of carrying out the proposal, His Worship the Mayor claimed a participation in the tolls by the corporation. His Worship the Chairman of this municipality and also the chairman of the Barrabool Hills Road Board were opposed to the corporation of Geelong receiving any portion of these tolls. The Commissioner having taken minutes of the various opinions expressed by the three representatives, stated that he would report the same to the Government. After some further correspondence on the subject, a bye-law, No. 8, for the erection of the toll-bars, was duly gazetted by the Government, and this council is only awaiting the completion of the approaches to the New Barwon Bridge to carry the bye-law into effect, and which they anticipate will be early in the month of April.
