GEO. HARKER

MUNICIPALITY OF BELFAST.

No. 13.—A BYE-LAW TO REGULATE THE CONDUCTING OF THE ELECTION OF MEMBERS OF THE MUNICIPAL COUNCIL.

WHEREAS by an Act of Council, 18 Victoria No. 15, intitled, *An Act for the establishment of Municipal Institutions in Victoria*, it is enacted, *inter alia*, that it shall be competent for the council of any municipal district to make bye-laws for the regulation of their own proceedings, the conducting of public meetings, &c.: It is therefore ordered and directed by the municipal council of the district of Belfast, that from and after this bye-law shall receive the assent of His Excellency the Governor of Victoria, as required by the provisions of the said Act:—

1. If at any election the chairman of the municipal council for the time being shall be a candidate for re-election, or shall be incapacitated from presiding at such election, either from illness, absence from the district, or any other cause, it shall be competent for the remaining members of the municipal council (being a quorum) to appoint some one of themselves to act as chairman for the purpose of carrying out such election; and it shall be lawful for the chairman, upon a vote of the council, to appoint, in writing, such and as many persons as to the council may seem necessary to act as deputy chairman or chairmen, poll clerk or poll clerks, and to appoint such and so many places within the municipal district as may appear necessary to be the polling place or places.

2. If at any election a poll shall be demanded in the manner and form required by the said Act, the chairman shall cause to be provided at the polling place or places a sufficient number of stalls or compartments, to be provided with ink and pens or pencils, for the purpose of enabling the electors to mark the voting papers as hereinafter provided; in any which polling

place no person other than the chairman or his deputy, the town clerk or his deputy, and the police under the chairman's control, except by the chairman's written authority, which shall only be given to members of council, candidates for election, and a scrutineer for each candidate, duly authorised in writing by such candidate, or if absent by his agent.

3. The chairman in each polling place shall cause to be provided, for the purpose of such election, a locked box, of which he shall keep the key, with a cleft or opening therein capable of receiving the voting papers, and which box shall be placed on the table in front of the chairman; and each elector shall receive from the chairman a voting paper, signed by him, in the form in the schedule hereunto annexed, and shall thereupon retire to a stall or compartment provided for that purpose, and there strike out the name or names of such candidates as he does not intend to vote for, and deposit the same in the ballot box, folded in such manner that the name or names of the candidate or candidates shall be unseen; and in case such elector shall be unable to read or be blind, he shall signify the same to the chairman, who shall thereupon strike out the names of such candidate or candidates as such elector shall designate; and no elector shall designate, and no elector shall take out of any polling place any voting paper, either before or after he has received or marked the same. And any person wilfully infringing any of the provisions of this clause, or obstructing the polling by any unnecessary delay in the polling place, shall be deemed guilty of an offence within the meaning of this bye-law, and on being convicted thereof before any two or more justices of the peace acting in and for the district, shall forfeit and pay a sum or penalty not exceeding Twenty pounds sterling.

4. It shall be lawful for the chairman, or for any candidate or scrutineer, to put to any person before he shall have received his voting paper the following questions only:—

- (1.) What is your christian name and surname?
- (2.) Are you of the age of twenty-one years?
- (3.) Are you a ratepayer on the ratepayers' roll of the Belfast municipal district?

(4.) Have you already voted at this election?

And if any person shall wilfully give a false answer to any of the questions aforesaid he shall be deemed guilty of an offence within the meaning of this bye-law, and on being convicted thereof before any two or more justices of the peace acting in and for the district, shall forfeit and pay a sum or penalty not exceeding Fifty pounds.

5. At every election it shall be the duty of the town clerk or his deputy to provide himself with the ratepayers' roll, and as each elector comes forward to demand his voting paper to see whether the name of such elector appears upon the roll as a ratepayer within the meaning of the said Act, and as each elector deposits his voting paper within the ballot box to mark off such elector's name as having voted at such election.

6. In case the voting paper as of any person shall have been received, and any other person shall afterwards demand his voting paper as of the same person, the chairman, when such person shall purpose to deposit his paper in the ballot box, shall refuse to allow the same to be put therein, but shall receive and keep the same apart, and at the close of the election decide whether such person has already voted or not; and for the purpose of such decision it shall be lawful for the chairman to take evidence on oath or affirmation, and such decision shall be final and conclusive on all parties; and if it shall appear to the chairman that such elector has not already voted at such election, such vote shall be added to the number already polled, but if otherwise such vote shall not be allowed.

7. At the close of the poll, or as soon after as conveniently may be, the chairman, in the presence of the scrutineers, shall count the number of votes polled for each candidate, and if on the state of the poll being announced the number of votes shall be found to be equal for any two or more candidates, one or more of whom, but not all, shall by the state of the poll and the number of members to be elected be entitled to be declared to be elected, the chairman shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected, but no chairman shall be entitled to vote at any election except in the case of an equality of votes.

WHEREAS by the Act of Council 18 Victoria No. 15, intituled, *An Act for the establishment of Municipal Institutions in Victoria*, it is enacted, *inter alia*, that it shall be competent for the council of any municipal district to make bye-laws for the care and management of roads, public streets, paths, and public thoroughfares: Be it therefore enacted, That from and after the date hereof, all persons having, or that may hereafter have, roadways for carts and other wheeled vehicles across the footpaths now formed, or that may hereafter be formed, by the municipal council of Fitz Roy, shall at their own cost provide, construct, and maintain a crossing-place over the water channel and footpath in manner following:—In streets where a stone or wood kerb is now or may hereafter be laid, the crossing shall be paved with stone pavement or broken metal the whole width of the footpath from the building line to the pavement of the water channel, and shall be enclosed on both sides with a stone or wood kerb of the same size and description as the street kerbing, which it must join with a gentle curve; the water channel must not in any way be altered or obstructed, and it must be maintained at all times in good repair at the cost of the person or persons having the crossings. In streets where a footpath is or may hereafter be formed, and where no kerbing is laid, suitable wooden bridges shall be provided and fixed over the water channel, so as to leave a free passage for the water underneath; said bridges to project into the public roadway not less than four feet from the outer edge of the footpath; and the crossing-place over the footpaths, whether paved, metalled, or gravelled, shall be maintained in such manner that it shall at all times be as clear and dry as the footpath itself immediately adjoining such crossing-place. The materials used for such crossing-places and kerbing and the manner of laying the same shall be subject to the approval of the municipal council or the duly appointed town surveyor, and in cases where the material or manner of laying the same, or forming the crossing-places, shall on the report of the town surveyor be deemed objectionable by the said council, it shall be lawful for the council, after the expiration of seven days from any day on which such council shall give notice of objection to the persons forming or causing to be formed such crossing-place, to proceed in manner hereinafter stated as against parties refusing or neglecting to comply with the provisions of this bye-law. All persons about forming crossing-places over footpaths shall give notice in writing of their intention, and submit a specification of the manner in which the work is to be performed to the town surveyor, who shall give permission for the same to be proceeded with as specified, provided the specified manner is not objectionable. Any persons crossing any formed water channel or footpath, or causing any such to be crossed with or by any cart, dray, or other wheeled vehicle, unless over and by means of a crossing-place formed in one or other of the manners hereinbefore stated, and any person neglecting or refusing to comply with any other provisions of this bye-law, shall, on conviction thereof before two or more justices of the peace, forfeit and pay a penalty not exceeding Fifty pounds, as enacted by the 35th section of 18 Victoria No. 15.

It shall also be lawful for the said municipal council, whenever it appears that carts or other wheeled vehicles habitually and frequently cross any formed footpath or channel to any right-of-way, yard, or other premises, without a crossing-place having been made as hereinbefore stated, to order such crossing-place to be made by the owner or occupier of the premises entered by its use, and in cases of common rights-of-way by the several owners or occupiers of the premises abutting thereon, or to which it is appurtenant; and any persons refusing or neglecting to comply with such order shall be liable to the penalty hereinbefore stated for a breach of this bye-law.

The foregoing Bye-law, No. 5, made by the municipal council of Fitz Roy, has been assented to by His Excellency the Governor, with the advice of the Executive Council.
