2. That the worshipful the chairman shall take the chair at the hour appointed for the meeting of the council, and if at the expiration of half an hour after the hour appointed, there be not a quorum, the council shall stand adjourned to the next regular day of meeting.

3. That if the chairman be not present one quarter of an hour after the hour appointed for the meeting of the council, a councillor shall be elected to preside as chairman for the time being.

4. That the chairman of the council or the chairman for the time being may take part in all the proceedings of the council, and in case of an equality of votes, upon any division, shall give a casting vote, and shall give no other vote.

5. That at every regular meeting of the council, the first business thereof shall be the reading and putting for confirmation the minutes of any preceding meetings, and no discussion shall be permitted thereon, except as to their accuracy as a record of the proceedings. The minutes when confirmed shall be signed by the chairman for the time being. The rough minutes of proceedings of council shall be read at the close of each meeting thereof.

6. That after the confirmation of the minutes, the order of business shall be as follows, or as near thereto as may be practicable; but for greater convenience of council, at any particular meeting thereof, it may be altered by resolution to that effect.

7. No report of a committee shall be considered or adopted on its presentation, unless notice thereof shall have been sent to each councillor, and posted in the town clerk's office at least three clear days previously.

2. Reading letters received, and considering and ordering thereon.

3. Reception and reading of petitions and memorials.

4. Reading and ordering on reports of permanent committees.

8. That communications to the council (except epistolary) shall be in form of petition or memorial.

9. That no order for a call of the whole council shall, except with leave of the council, be made earlier than fourteen days from the date of such order. An order for a less period shall only be made by the suspension of standing orders for the same, in accordance with provisions to that effect, No. 85.

10. That whenever a division shall be demanded by any member, the members voting in the affirmative shall first hold up their hands, and then those voting in the negative shall hold up their hands, and their names shall be taken down in writing, and the result be declared by the chairman.

11. That an entry of every division list shall be made in the minutes of each meeting.

12. That all addresses to the Governor shall be presented by the chairman of council and the town clerk, unless otherwise ordered by council.

13. Summonses containing the business to be transacted shall be prepared and issued to every member of the council by the

town clerk, three clear days preceding that on which the meeting for such business will be held.

MOTIONS.

14. That all notices of motion shall be dated and numbered, and given by the intended mover, at the close of a meeting of council, to the town clerk, or four days prior to the then next meeting of council, who shall enter the same in the notice of motion book, in the order in which they may be received.

15. That no member shall make any motion initiating a subject for discussion but in pursuance of notice given, as prescribed in clause 14.

17. That orders of the day shall take precedence of motions.

18. That, except by leave of the council, motions shall be moved in the order in which they have been received and recorded by the town clerk in the notice of motion book, and not so moved or postponed shall be struck out.

19. That no motion entered in the notice of motion book shall be proceeded with in the absence of the member who gave notice of the same, unless by some other member producing written authority from him to that effect.

20. That no motion of a bye-law shall be put for adoption until the next regular meeting of council after that at which it may be first proposed, and, in the interim, it shall be open to the inspection of the ratepayers.

21. That no motion of an address, petition, bye-law, or standing order, shall be entertained unless the mover shall submit a draft of the same, which, unless otherwise ordered by council, shall be referred to the legislative committee, which shall report on the same at the next regular meeting of council.

22. That no motion, the effect of which would be to rescind any previous resolution of the council, shall be entertained during the same municipal year, unless a call of the whole council has been duly ordered for that purpose; and no motion for rescinding any resolution of the council which shall have been negatived by the council shall be again entertained during the same municipal year, unless by consent of at least five members of the council.

ORDER OF DEBATE.

23. That any member desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the chairman, and shall not be interrupted unless called to order, when he shall sit down until the member calling to order shall have been heard thereon and the question of order disposed of, when the member in possession of the chair shall proceed with the subject.

24. That any member desirous of proposing an original motion or amendment must state the nature of the same before he may address the council hereon.

25. That no motion or amendment shall be withdrawn without the leave of the council.

26. That no motion or amendment shall be discussed or put to the vote of the council unless it be seconded. A member may, however, require the enforcement of any standing order of the council by directing the chairman's attention to its infringement.

27. That a member moving a motion shall be held to have spoken thereon: but a member merely seconding a motion shall not be held to have spoken upon it.

28. That the members in meeting of council shall designate each other by their official titles, namely, that of chairman or councillor.

29. That if two or more members rise to speak at the same time, the chairman shall decide which is entitled to priority.

30. That the chairman shall rise in addressing the council to discuss any question, and that he do not leave the chair on such occasions.

31. That the chairman shall, at his discretion, call to order any member attempting to speak a second time on the same question, unless entitled to reply, or in explanation when he has been misrepresented or misunderstood.

32. That the chairman, when called upon to decide on points of order or practice, shall state the standing order, rule, or practice, which he deems applicable to the case, without discussing or commenting on the same. His decision, as to order or explanation in each case, to be final.

33. That no member shall digress from the subject matter of the question under discussion, or comment upon the words used by any other member in a previous debate; and that all imputations of improper motives, and all personal reflections on members, shall be considered highly disorderly.

34. That whenever any member shall make use of any expression, personal and disorderly, or capable of being applied offensively to any other member, the member so offending shall be required to withdraw the expression, and to make a satisfactory apology to the council.

35. That a member called to order shall sit down unless permitted to explain.

36. Any councillor using offensive language, and having been twice called to order and to apologise for such conduct, and refusing so to do, shall be subject to a fine not exceeding Ten pounds.

39. That any member may, of right, demand the production of any of the documents of the council applying to the question under discussion.

40. That the council shall vote by show of hands.

41. That the chairman shall, in taking the sense of the council, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes, or in a book to be kept for that purpose with the names therein on division; and that members of council shall have an opportunity of ascertaining if their votes have been properly recorded at any time prior to the confirmation of the minutes of the meeting at which they have voted, which confirmation will follow at the meeting next after.

42. That at every meeting of the council all motions, whether original motions or amendments, shall be reduced into writing, signed by the mover, and delivered to the town clerk immediately on their being moved and seconded.

43. That whenever amendments are made upon original propositions, no second amendment shall be taken into consideration until the first amendment is disposed of.

44. That if a first amendment be carried it shall displace the original question, and become itself the question, whereupon any further amendment may be moved.

45. That if the first amendment be negatived, then a second may be moved to the original question under consideration, but only one amendment shall be submitted to the council for discussion at a time.

46. That the mover of every original resolution, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the chair, but that no member be allowed to speak more than once on the same question, unless permission be given to explain, or the attention of the chair be called to a point of order.

47. That no discussion shall be allowed on any motion for adjournment of the council; but if on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be carried. The business then undisposed of shall have precedence at the next meeting of the council.

48. That any member of the council may enter his protest against any resolution of the council. Notice of intention to protest must, however, in every case, be given on the adoption of the resolution protested against; and the protest signed by the member or members protesting, and specifying the reasons for protesting, must be entered three days at least before the next regular meeting of the council, by the protesting member, in a book to be kept for that purpose in the town clerk's office, and duly referred to in the minutes of the council. The same to be considered also part of such minutes. But such protest may be expunged if declared by a majority of the council to be not in accordance with truth, or in its terms disrespectful to the council.

LAISED QUESTIONS.

49. That if a debate on any motion moved and seconded be interrupted by the council being counted out, such debate may be resumed at the point where it was so interrupted, on motion upon notice.

50. That if a debate on any order of the day be interrupted by the council being counted out, such order may be restored to the notice book for a future day, on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

51. That if the discussion of any question in a committee of the whole council be interrupted for want of a quorum, the council may order the resumption of such committee on a future day, on motion upon notice, and the discussion of such question shall then be resumed at the point at which it was so interrupted.

COMMITTEES, PERMANENT.

52. That there shall be six permanent committees, consisting of three members each, two to be a quorum, which committees shall be elected annually by voting-papers of members of council, at the first meeting after the election of the chairman of council, in each succeeding year; and that the chairman be requested to suggest to the council the various members whom he considers most eligible to be placed on each committee.

56. That the chairman of the council shall be at liberty to attend any committee upon which he is not a member, without voting; but he shall be a member and chairman of the finance and rate committee, and also of the legislative committee if he desire to be upon the latter.

57. That meetings of all committees shall be held in the council chambers or other appointed room therein.

If at any election the chairman of the municipal council shall be a candidate for re-election, or shall be incapacitated from presiding at such election, either by illness, absence from the district, or any other cause, it shall be competent for him to appoint, by writing under his hand, a deputy for the purpose of carrying out such election. And it shall also be lawful for the chairman to appoint under his hand such and so many persons as may seem necessary to the council to act as deputy chairmen and poll clerks; and to appoint such and so many places within the municipal district as may seem to the council necessary to be the polling places.

4. If at any election a poll shall be demanded in the manner and form required by section 19 of the said Act, the chairman shall cause to be provided at the polling place or places a sufficient number of enclosed desks or compartments, each of which shall be provided with pens, ink, and blotting paper, or with pencils, for the purpose of enabling the electors to secretly mark the ballot papers, as hereinafter provided. And the chairman shall also cause to be erected a barrier to divide the part of such room used for taking the poll from the other part thereof.

5. No person other than the chairman, deputy chairman, town clerk, poll clerk or clerks, the scrutineers, and the electors who shall for the time being be tendering their votes, shall be entitled to be at the polling side of the barrier; and any person other than such persons as aforesaid who shall intrude in such part of the room during the continuance of such poll, and being required by the presiding chairman to withdraw, shall refuse so to do, shall, on conviction thereof before two or more justices of the peace, forfeit and pay a sum or penalty not exceeding Twenty pounds: Provided always that it shall be lawful for the chairman or deputy chairman to summon to his assistance any member or members of the police force for the purpose of preserving the public peace, quelling any breach thereof that may have arisen, and for removing from within such barrier or from the polling room, any person or persons who may in his opinion be obstructing the polling or wilfully violating any of the provisions of this bye-law or of the said Act.

And upon the delivery of each ballot paper, the presiding chairman shall check, or cause to be checked off upon a printed roll signed by the chairman, the voter's name, and such check shall be *prima facie* evidence of the identity of the elector whose name shall appear on the roll, and of the fact of his having voted at the election at which such ballot paper was delivered.

7. Each candidate shall be entitled to appoint by writing under his hand, to be delivered to the chairman at any time before the commencement of the polling, one scrutineer on his behalf in each polling room.

9. In case any candidate or ratepayer shall object to any person tendering his vote as provided by section 20 of the said Act, or in case the voting paper as of any person shall have been received, and any other person shall afterwards demand his voting paper as of the same person, the chairman or his deputy, when such person shall propose to deposit his voting paper in the ballot box, shall refuse to allow the same to be put therein, but shall receive and keep the same apart, and at the close of the election decide whether such person has already voted or not; and for the purpose of such decision it shall be lawful for the chairman of the council to take evidence on oath or affirmation, and such decision shall be final and conclusive on all parties. And if it shall appear to the chairman that such elector has not already voted, such vote shall be added to the numbers already polled, but if otherwise such vote shall not be allowed.

10. The chairman in each polling room shall be provided with a locked box (of which he shall keep the key), with a cleft or opening in such box capable of receiving the voting papers, and which box shall stand upon the table at which the chairman, poll clerk, and scrutineers shall preside. And each elector shall receive a voting paper in the form in the schedule hereunto annexed, and shall thereupon retire alone to a desk or compartment provided for that purpose, and there strike out the name or names of such candidates as he does not intend to vote for, and deposit the same in the ballot box in the presence of the chairman, poll clerk, and such of the scrutineers as may be then present; and in case such elector shall be unable to read, or be

blind, he shall signify the same to the chairman, who shall thereupon mark or strike out the names of such candidates as such elector shall designate. And no elector shall take out of such polling room any such voting paper either before or after he has marked the same. Any person wilfully infringing any of the provisions of this clause, or obstructing the polling by any unnecessary delay in performing any act within the polling room, shall be deemed guilty of an offence within the meaning of this bye-law, and on being convicted thereof before any two or more justices of the peace shall forfeit and pay a sum or penalty not exceeding Twenty pounds.

11. Every elector may vote for any number of candidates not exceeding the number of members to be chosen, and any ballot paper recording a greater number of votes shall be absolutely rejected at the close of the poll.

12. At the close of the poll, the deputy chairman or chairmen shall bring the box or boxes containing the voting papers polled at his or their booth or booths to the chairman, who shall as soon after as conveniently may be, in the presence of the poll clerks and scrutineers then present, count the number of votes polled for each candidate. And in the event of the numbers of votes being found to be equal for any two or more candidates, one or more of whom, but not all, of such candidates being by the state of the poll, and the number of members to be elected, entitled to be declared elected, the chairman shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected. And the chairman shall then, in the presence of the scrutineers, seal up all the voting papers given out during the poll, together with the copy or copies of the ratepayers' roll used for marking off the voters' names, and the town clerk shall safely preserve them for at least six months amongst the records of the council.

13. Any person personating or attempting to personate an elector or deceased elector, or who shall vote a second time on the same day, shall, on conviction thereof before two or more justices of the peace, forfeit and pay a sum or penalty not exceeding Fifty pounds.

14. Neither the chairman, deputy chairman, poll clerk, scrutineers, or any other person shall attempt to ascertain for whom any elector shall have voted except as provided by clause 10 of this bye-law, or shall divulge the name or names of the candidate or candidates for whom such person shall have voted, except when required to do so by any court having competent jurisdiction, or directly or indirectly aid in the discovery of the same. Any breach of this clause shall subject the party so offending, on conviction thereof before two or more justices of the peace, to forfeit and pay a sum or penalty not exceeding Fifty pounds.

15. That all places within which the polling is conducted shall be deemed to be public places.

16. All expenses incurred by the chairman of the council in carrying into effect this bye-law shall be paid and discharged by the municipal council out of the rates or other corporate funds.

MUNICIPAL INSTITUTIONS.
FITZ ROY PETITION FOR EXTENSION.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by two hundred and ninety-nine inhabitants of the municipal district of Fitz Roy, in the county of Bourke, praying for the annexation of a contiguous locality to the said municipal district.

By His Excellency's Command,
J.2488. JOHN O'SHANASSY.

The petitioners state that they are desirous that the northern boundary of the municipal district should be extended so as to include the triangular portion of land embraced by the Heidelberg road, Smith street, and Reilly street.

They are of opinion that the portion of the Heidelberg road extending from the north end of Brunswick street to the north end of Smith street is the natural boundary of the district on the north, inasmuch as all the leading streets east of Brunswick street are continued to and terminate thereon. But the present boundary line extending along Reilly street deprives the municipal authorities of the power to construct, repair, or control the continuations of those streets that extend in a northerly direction towards the Heidelberg road, and hence these continuations of the leading thoroughfares of the district will be neglected to its manifest injury.

They are also of opinion that the city corporation can lay no just claim to the portion of land sought to be annexed, inasmuch as the expenses incurred in laying out and forming the portions of the streets that intersect it were duly credited to them in the adjustment of amounts at the period of separation.

And the petitioners pray as follows:—
"Your memorialists therefore pray that your Excellency will be pleased to proclaim the northern boundary of this municipality as follows—from a point where the centre of Reilly street intersects the centre of Nicholson street, along the centre of Reilly street to Brunswick street; thence in a north-easterly direction along the south-eastern side of the Heidelberg road to Smith street, and along the centre of Smith street to the present boundary line."

[The signatures to the above-mentioned petition will be found in the Gazette, Nos. 56, 58, pp. 749, 788, ante.]

Chief Secretary's Office,
Melbourne, 12th April, 1859.

PETITION FOR MUNICIPAL INSTITUTIONS.
HEATHCOTE.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and ninety-nine householders at Heathcote, in the county of Dalhousie, praying for the erection of their locality into a municipal district.

By His Excellency's Command,
J.2583. JOHN O'SHANASSY.

The petitioners recite the 1st and 2nd sections of the Municipal Act, 18 Victoria No. 15, and state that urgent necessity exists for the establishment of a municipal district at Heathcote.

They suggest the following boundaries for the proposed district, viz.:—Commencing at a point at the junction of Mitchell street and High street, being the centre of the township of Heathcote, and extending thence on the north to a point seven chains north to the Black Swan Hotel; on the south to a point twenty chains north of Sheep Station Gully, such north and south boundaries to be arcs of a circle whose radii shall not exceed three miles from the centre, and extending on the east and west respectively one quarter of a mile, or twenty chains from the east and west boundary lines respectively of the main Government road throughout the entire length of the proposed district from north to south.

They state that the abovementioned district forms only a portion of the parish of Heathcote, and is considerably less than the area limited by the Act, and also that it contains a population of householders much exceeding Three hundred.

And the petitioners pray as follows:—
"Your petitioners therefore humbly pray that your Excellency will be pleased to cause the substance and prayer of this petition to be advertised in the *Government Gazette*, in accordance with the above in part recited Act, and so soon as the terms and provisions of the said Act will permit, to proclaim the locality as a municipal district, by a name in such Proclamation to be declared, and also by the same or any other Proclamation to define the limits and boundaries of such municipal district, the same to be a municipal district, having a council created a body corporate, for the purposes and with the powers contained in the said in part recited Act."

[The signatures to the above-mentioned petition will be found in the Gazette, Nos. 56, 58, pp. 750, 789, ante.]

Chief Secretary's Office,
Melbourne, 15th April, 1859.

MUNICIPAL INSTITUTIONS.
BUNINYONG PETITION.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and seventy-four householders resident at and near Buninyong, in the county of Grant, praying for the erection of their locality into a municipal district.

By His Excellency's Command,
JOHN O'SHANASSY.

K.3143.

The petitioners state that they are all householders resident in and around the township of Buninyong, and within the district proposed to be erected into a municipality.

That a public meeting was held on the 7th of March last, whereat a resolution was passed to the effect that the meeting was of opinion that the establishment of a municipal council would be beneficial to the township and the district in general.

That the township of Buninyong is the oldest inland township in the western district, and the proposed municipal district contains a population of about 5000.

That there is within the proposed district a considerable quantity of land under cultivation, and that extensive mining operations of a permanent character are being carried on therein and in the neighborhood.

That within Buninyong division of the mining district there are 40 engines employed in mining, 78 puddling machines, 4 steam quartz-crushing machines, and 40 whims, besides 4 steam saw-mills, and fellmongery and other works.

That the average quantity of gold raised weekly within the immediate vicinity is upwards of 1750 ounces, and the quantity is steadily increasing.

That for the reasons stated above they are of opinion that the district hereinafter described should be established as a municipal district, its area containing a population considerably over 300 householders, and not exceeding nine square miles, wherein no point is distant more than six miles from any other point.

The petitioners suggest the following boundaries, viz.: "Commencing at the north-east corner of allotment No. 51 of Buninyong agricultural lands, and bounded thence on the north by a line bearing due west for a distance of three miles to the north-west corner of Buninyong, allotment No. 40; thence on the west by a line bearing due south for a distance of 1 mile and 60 chains to the south-west corner of Buninyong suburban allotment No. 123 B; thence on the south by a line bearing due east for a distance of 3 miles to the south-east corner of Buninyong suburban allotment No. 98; thence on the east by a line bearing due north for a distance of 1 mile 60 chains to the point of commencement."

And the petitioners pray as follows:—"Your petitioners therefore pray that the said district so defined may be proclaimed a municipal district under the name of 'The Municipal District of Buninyong,' according to the provisions of the Act of Council 18 Victoria No. 15."

MUNICIPAL INSTITUTIONS.

FOOTSCRAY PETITION.

IN pursuance of the Act of Council 18 Victoria No. 15. His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and seventy-two householders, resident at and near Footscray, in the county of Bourke, praying for the erection of their locality into a municipal district.

By His Excellency's Command,
 JOHN O'SHEANASSY.
 J.2744.

The petitioners state that they are all householders within the meaning of the Act above referred to, and resident within the area hereinafter described; that such area is less than nine square miles, that no one point therein is distant six miles from any other point, and that it contains the number of householders required by the said Act.

They further state that they are desirous that the Government township of Footscray and the neighborhood should be constituted a municipal district, to be bounded in manner following, viz.:—"Commencing at a point being the intersection of the western boundary line of section 8 of the parish of Cut-paw-paw with the Stony Creek and the north-west corner of the municipal district of Williamstown, and thence bearing south to the south-east corner of section 9 of the said parish; thence in a line bearing west to the south-west corner of the said section 9; thence in a line bearing north to a point on the western boundary of section 16, at the south side of a certain street reserved out of the said section 16, known as Suffolk street; thence along the south side of Suffolk street bearing east to another reserved street called Church street; thence by Church street in a line bearing north-east and east to the western boundary line of section 15; thence in a line along the said western boundary line of section 15 to the north-west corner thereof; thence in a line bearing east along the northern boundary line of the said section 15 to the Saltwater River; thence by the Saltwater River to the south side of the railway; thence in a line to the north-east corner of the Government township of Footscray; thence by the eastern and southern boundary lines of the said township to the western side of the River Yarra; thence by the River Yarra and the Stony Creek to the commencing point."

And the petitioners pray as follows:—

"Your petitioners therefore pray your Excellency that the beforementioned boundaries may be declared the limits and constituted the municipal district of Footscray, and that your Excellency will be pleased to issue the necessary Proclamation for declaring it a municipality, and defining its limits accordingly."

[The signatures to the above mentioned petition will be found in the Gazette, Nos. 50, 52, pp. 676, 692 ante.]
