LIST OF UNCLAIMED SHIP LETTERS FOR THE WEEK ENDING 16th JUNE, 1859.

PERSONS applying for Letters at the General Post Office are particularly requested to give the correct number of the letter, and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to give their christian name or names in full, and state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, entrance from Little Bourke street. The next List will contain all letters received by Ship up to the 23rd June, 1859.

*N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by SHIP from England, Foreign Countries, and the neighbouring Colonies.*

WILLIAM TURNER,  
Secretary.
