PETITION UNDER THE MUNICIPAL ACT.

CLUNES.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and fifty-nine householders of the township of Clunes, praying for the erection of their locality into a municipal district.

WILLIAM NICHOLSON.

The petitioners state that mining operations of an extensive and permanent character are now being carried on in the township by large companies, involving a great outlay of capital and employing a large population, and that the most efficient quartz crushing works in the colony are located there.

That the dwellings of the inhabitants are of a substantial character, and have been erected at considerable cost.

That there is also much land under cultivation in the immediate neighborhood.

That no provision exists for the formation and maintenance of the roads and streets in the township, which consequently are sometimes nearly impassable, and over which very heavy machinery and merchandise have to be carried at great risk and expense.

That the creation of the district into a municipality will tend greatly to advance its interests and materially aid its improvement and good government.

The petitioners suggest the following municipal area, viz.:—Commencing at a point 120 chains south of the south-east corner of the post office reserve, by a line running west 120

No. 116.—SEPTEMBER 18, 1860.—2.

chains; thence north 240 chains; thence east 240 chains; thence south 240 chains; thence west 120 chains to the commencing point; such area containing a population of more than three hundred householders, and not exceeding nine square miles, wherein no point is distant more than six miles from any other point.

And the petitioners pray as follows:—

“Your petitioners therefore humbly beseech your Excellency that the district so defined may be proclaimed a municipality, under the name of ‘The Municipal District of Clunes,’ according to the provisions of the Act of Council 18 Victoria No. 15.”

[The Signatures to the foregoing petition appeared in the Gazette No. 113, p. 1703 ante.]

PETITION UNDER THE MUNICIPAL ACT.

SOUTH BARWON MUNICIPALITY.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and sixty-two householders resident within the limits of the municipal district of South Barwon, praying for an alteration in the boundary thereof.

P.6486.

WILLIAM NICHOLSON.

The petitioners state that the municipal district of South Barwon as at present defined is partly bounded by the southern and eastern banks of the River Barwon, to the middle of which river the Geelong corporation and the municipality of Newtown and Chilwell, situated on the opposite side, claim jurisdiction, and that they consider that the vesting of such jurisdiction in the local municipal authorities is of public advantage.

And the petitioners pray as follows:—

“Your petitioners would therefore humbly pray that where the present boundary line of the South Barwon municipality is defined as the eastern and southern banks of the River Barwon, such boundary line may be extended to the middle of the said River Barwon.”

[The Signatures to the foregoing petition appeared in the Gazette No. 103, p. 1572.]

No. 1251

MUNICIPAL DISTRICT OF PORTLAND.

REPORT OF THE PROCEEDINGS OF THE COUNCIL FOR THE HALF-YEAR ENDING ON THE 31ST DAY OF JULY, 1860.

At the first meeting of the council, after the annual election of members, James Trangmar, Esq., was elected chairman. The expenditure of the council on public works during the past half-year amounted to the sum of £128 6s. only, owing to the late period of payment of the grant from the Government for the present year.

The council have, in compliance with the wishes of a large number of the inhabitants, urged on the Government the propriety of selling that portion of the Survey Paddock within the district, which has been complied with, and the survey is now in progress, but they have not yet succeeded in getting a sum appropriated to the drainage of the swamp, although the attention of the Government has been repeatedly directed to this important question, and a deputation of the council waited on the members for the town and county of Normanby to request them to use their best efforts to have a sum adequate for the purpose placed on the estimates, the result of which has not yet been ascertained.

In consequence of the term for which the council chamber, in common with other public offices, was held by the Government, having expired, the council have rented the chamber of Mr. Cameron, the proprietor, at the rate of £40 per annum.

The council have rendered assistance to the Volunteer Rifle Corps, raised in Portland, by defraying the expenses of erecting shooting butts for practice at a moderate expense.

The public slaughter house, as to which considerable difficulty has been experienced since its erection, is now let to Mr. John Huxley at a rent of £110 per annum, and all difficulties on the subject appear to have ceased.

There have been thirteen meetings of the council during the half-year, which have been attended as follows:

The Chairman attended	13 meetings
Mr. Learmonth	6
Mr. Fitzgerald	8
Mr. Pethers	11
Mr. Corney	13
Mr. Pinn	9
Mr. McEachern	11

Passed by the council the 10th September, 1860.
