AMHERST MUNICIPALITY.

THIRD HALF-YEARLY REPORT OF THE MUNICIPAL COUNCIL OF AMHERST.

THE period embraced by this report is from 18th November, 1859, to 17th May, 1860.

ATTENDANCE OF MEMBERS.

The council have held twenty-six general and five special meetings, at which the attendance has been as follows, viz.:

	General.	Special.	Total.
The Chairman	24	5	29
Councillor Evans	25	5	30
Councillor Mustow	14	3	17
Councillor Salmon	23	2	25
Councillor Cox	11	...	11
Councillor Gilmour	5	...	5
Councillor Radcliffe	5	...	5
Councillor Callaway	9	3	12
Councillor Robinson	8	2	10
Councillor Andrews	5	...	5

ELECTIONS.

At the general meeting for the election of three councillors to serve in the places of Thomas Evans, Alfred Smith, and Joseph Jamison, who retired by rotation, the following were elected, viz., Thomas Evans (re-elected), Henry Hayton Radcliffe, and Robert James Mustow.

On the 15th February councillors Edward Cox and Andrew Gilmour resigned their seats in the council, and on the 20th March Charles Callaway and Henry Robinson were elected to serve in their places.

On the 12th April Isaiah Andrews was elected a member of council, in the place of Henry Hayton Radcliffe, who had been rendered ineligible by non-attendance.

BYE-LAWS.

Bye-law No. 7, for levying a rate of One shilling and three-pence in the pound on all rateable property within the municipality, has been made by the council, and received the assent of His Excellency the Governor.

ASSESSMENT.

By the annual valuation returns property to the amount of £15,380 has been assessed, and a rate of One shilling and three-pence in the pound levied thereon, giving an annual revenue of £261 5s., in the collection of which the council regret to say that they have received much opposition from the ratepayers in the Back Creek portion of the municipality, and would draw the attention of the ratepayers generally to the fact that the Government grant-in-aid to municipalities for 1860 will, in the case of Amherst, only be paid on rates collected previous to the 30th June next, and would express the hope that, as the Back Creek portion of the municipality will require much expenditure of money before the streets and thoroughfares are in anything like good repair, the ratepayers there will see the necessity of heartily co-operating with the council in the matter, as should they continue to refuse payment of the rate, money which would have been expended in improving the streets and thoroughfares will have to be spent in legally enforcing payment thereof.

APPLICATIONS TO GOVERNMENT.

The council, in the course of the past six months, have made several applications to Government, and generally with little success, viz.:

For the appointment of a police magistrate for the Amherst district. Reply—That provision had been made on the Estimates for two police magistrates, acting also as wardens for the Amherst district. As yet there is but one, viz., the warden, Mr. Crespiigny.

For the retiring chairman of the municipality to be made a territorial magistrate. This application was made on the 19th February last, but the Government have not yet vouchsafed a reply.

For clearing and making the road from Amherst to the Amphitheatre, *via* Lamplough. Reply—That no money could be set apart for such a purpose, and that other districts were complaining that too much had been set down on the Estimates for the Ballarat district.

For a set of standard weights and measures. Reply—That measures were in contemplation for legalizing the weights and measures in the possession of the Government previous to distributing them to the localities where they were required.

For court accommodation at Amherst.—No explicit reply.

For blinding the new metal in High street.—Referred to the road engineer. In reference to this application, the council would remark that they were twice informed by the road engineer that provision would be made in the maintenance contract for the present year for blinding the new metal in High street, yet they have since been informed such is not the case.

For a grant in aid of a sum of money collected at Back Creek for the repair of the streets, &c.—To receive consideration.

For making that portion of the Amherst and Ballarat road between Amherst and Back Creek.—Promised but not yet executed.

Subjoined is a statement of receipts and expenditure for the half-year.
