WILLIAM NICHOLSON.

The petitioners state they are all householders resident in the municipal district of Heathcote.

They refer to the creation of the municipality on the 19th of August, 1859, and draw attention to the power conferred in the Municipal Act 18 Vict. No. 15 to alter or vary the boundaries of a proclaimed district.

They further state that they find it will be for the benefit of the municipality that its boundaries should be altered, and the following boundaries (which are within the limits prescribed by the Act) substituted, viz. :—

Commencing at a point on the north-west boundary of country allotment number forty-eight, in the parish of Heathcote, sold to Henry Welch; thence true north thirty-two degrees east along the said boundary of country allotment number forty-five, and crossing the McIvor Creek, to a point on the north-east side of the main road; thence by a line parallel to and distant twenty-five chains from the north-eastern side of main road through Heathcote, from Sandhurst to Kilmore, to a point on the town boundary of Heathcote; thence along said town boundary north-easterly to a point twenty-five chains from the north-east side of the said road; thence again by a line parallel to and distant twenty-five chains from the north-east side of the said main road to a point bearing true north thirty-four degrees east from the eastern angle of Heathcote suburban allotment number eighteen A; thence by a line true south thirty-four degrees west to a point twenty-five chains from the said main road; thence north-easterly by a line parallel to and distant twenty-five chains from the south-west side of the said main road to a point on the town boundary; thence by the town boundary south-easterly and north-westerly to a point twenty-five chains from the said main road; and thence finally by a line parallel to and distant twenty-five chains from the said main road to the point of commencement.

And the petitioners pray as follows :—

"Your petitioners therefore pray that the boundaries of the municipal district of Heathcote as originally proclaimed may be altered, and that the above boundaries may be proclaimed in their stead."
